

# Save Time and Money!

*It's as easy as "ABC" when you use the City of Oklahoma City's*

The City of Oklahoma City is offering you a more convenient way to pay your monthly utility bill. It's called the **Easy As ABC Plan** (ABC). ABC allows you to pay your bills automatically by charging it to your checking or savings account. Some of the advantages of this Plan are:

- |   |   |
|---|---|
| √ No check to write                         | √ Convenience of paying bill while out of town or on vacation |
| √ No envelope to address                    | √ Eliminates late payment and resulting charge                |
| √ No postage cost                           | √ Reduces time required to pay bill                           |
| √ No worry about lost payment or mail delay |   |

### How It Works

When you join the ABC Plan you will still receive a monthly bill just as you do now. On the due date of your utility bill, your bank will automatically transfer the amount due to the City of Oklahoma City. The automatic transfer date will appear on your bill.

If you have questions about your bill, you will have plenty of time to contact the City of Oklahoma City prior to the automatic transfer. If, at any time, you wish to stop paying by automatic transfer, simply contact the Utility Customer Services Division at 297-2833, and you will be taken off the ABC Plan.

### It's Easy to Enroll

The only requirement for enrollment in the ABC Plan is that you have a checking or savings account. Simply complete the authorization form below, enclose it **along with a voided blank check** and return them both to the **Utility Customer Services Division, 420 W. Main, Suite 100, Oklahoma City, OK 73102**. Keep this upper portion for your records. It will take about four weeks to set up your ABC account. Continue to pay your bill as usual, until your bill is marked, "Do not pay. The amount due will be paid automatically." From then on, you can forget having to remember to pay your Oklahoma City utility bill!
