### **MISSION AND VISION STATEMENTS**

### **MISSION STATEMENT**

The mission of the City of Oklahoma City is to provide exceptional service to residents and visitors. We do this by ensuring the safety of the public, delivering quality services, and maintaining infrastructure to support the growth of the city.

### **VISION STATEMENT**

Oklahoma City seeks to further progress as a vibrant, diverse, safe, unified, and welcoming community.

Recently, a committee of diverse, enthusiastic and committed City employees, representing virtually every department and work group in the organization, was convened to update the City's vision and mission statements. Many of the participants are included in the photo below taken on the day City Council adopted a resolution for the updated vision and mission. We thank them for their efforts.

### **READER'S GUIDE**

The City of Oklahoma City is required by State law to adopt a budget on an annual basis. The City is also required to show three consecutive years of revenue and expenditure data. To comply with this law, the annual budget book reports the actual revenues and expenditures for the most recent completed fiscal year, the adopted budget including amendments for the prior fiscal year, and the proposed budget. The annual budget governs City programs and finances for the fiscal year, beginning July 1 and ending June 30.

This document contains six sections separated by divider pages and a second volume that contains detailed performance information. Major divider pages denote the content of each section. These sections are further segmented into sub-components. For example, the Departmental Budgets section has a divider page. The departments themselves are then presented in alphabetical order.

The following briefly describes the contents of each section of this year's Annual Budget Book:

- The <u>Introduction</u> contains the City Manager's transmittal letter to the Mayor and City Council. This letter summarizes the adopted budget, links the budget process to City goals and objectives, and highlights significant functional changes from the prior year. This section also includes information about how the budget document is organized, vital statistics about the City, performance information, and an organizational chart.
- The <u>Financial Summaries</u> section includes an overview of The City's current and anticipated economic condition and provides revenue and expenditure information by fund and category.
- The <u>Departmental Summaries</u> section contains information about responsibilities and budget for each of the departments. At the beginning of this section, there is a Reader's Guide to explain the format used in the department budgets. Departments are listed alphabetically.
- The <u>Fund Summaries</u> section contains summaries of the adopted budget for each City fund. State Law requires the City to adopt the annual budget by fund or purpose and The City has chosen to budget by fund. A fund, for budgetary purposes, is an accounting entity used for segregating revenues and expenditures for specific purposes.
- The <u>Capital Budget</u> section highlights information pertaining to the City's Capital Improvement Plan and Debt Service. In general, projects or items are included in this section if they have a usable life of three years or more and cost in excess of \$50,000. Past and future Bond and Debt Service requirements are also described in this section.
- The <u>Appendix</u> contains budget guidelines and controls that describe the legal and policy requirements associated with budget development and implementation. This section also includes the required statement of compliance with the City's financial policies and practices and a glossary of terms utilized in this document.
- The <u>Performance Supplement</u> provides an in-depth look at the major issues being faced by departments, their strategies for dealing with those issues, and the strategic results they are tracking on each issue. In addition, the Supplement provides a listing of all performance measures for each department.

The Annual Budget Book is published online at www.okc.gov. Final Adopted Budget Books are available on a limited basis and copies can be requested from the Office of Management and Budget at (405) 297-2257.

## The City of OKLAHOMA CITY

### THE HONORABLE MAYOR AND CITY COUNCIL:

I am pleased to present to you the proposed Fiscal Year 2023-2024 (FY24) budget. In the FY24 budget we have been able to provide for the increased operating costs of many facilities and services which are coming online or expanding this year and the next, such as the Willa D. Johnson Recreation Center and additional bus rapid transit services. City departments were also able to add some funding and personnel to accomplish their missions.

The FY24 budget totals \$1.9 billion, which is an increase of \$33.4 million compared to the Fiscal Year 2022-2023 (FY23) amended budget as of Dec 6, 2022. To explain the relatively small increase this year, it's useful to differentiate operating from non-operating funds. Increases in operating funds of approximately \$35 million (4.01%) are slightly understated as the Utilities Department moves some of its expenses to the Trust. Non-operating funds increase just under \$6 million as the Better Streets and Safer Cities Fund winds down its balances by nearly \$20 million from the prior year and continues projects with the remaining balances of the discontinued tax. Likewise, the MAPS 4 Program Fund decreases \$25 million to align with the project calendar for FY24.

The General Fund is budgeted at \$604.3 million, an increase of \$33.9 million (5.9%) compared to FY23 as of Dec 6, 2022. This moderate increase reflects the strong sales tax growth we've experienced throughout the current year, while being prepared to respond to a potential economic downturn in the next year. The reasons for this assumption in FY24 are discussed below in the Budget Development section of the letter.

The budget includes funding for 5,108 full-time positions, which is an increase of 119 positions (2.4%) from the FY23 total.

#### **Task Force Recommendations**

City staff continue to make progress in implementing recommendations from Mayoral task forces or working groups. The Law Enforcement Policy Task Force and the Community Policing Working Group released their report, which included 39 recommendations, on March 1, 2022. The Homelessness Task Force released its report September 28, 2021. Additionally, the Human Rights Commission began meeting in January of 2023. Two additional Special Program Coordinators were hired in FY23. A Special Program Coordinator is now assigned to support The Human Rights Commission, Homelessness Task Force, and Policing group. The FY24 budget adds to these efforts with additional support personnel outlined in the departmental budgets below and still retains \$2.4 million in the Non-Departmental budget of the General Fund to implement additional recommendations throughout the year. These funds are in addition to the improvements funded in the FY24 budget, such as Planning's contract with the Mental Health Association of Oklahoma for Homeless Outreach Services, which was funded at \$600,000.

#### **Budget Development**

The two main driving factors of this year's budget development process were inflation and consumer confidence. In some ways, the City benefits from inflation through its sales tax collections on elevated price points. Additional sales tax collections have propped up the monthly revenue figures and have well exceeded the forecasted growth rate of 0% for FY23. We anticipate ending the year at approximately 7% sales tax growth. However, the current inflation climate complicates the forecast by increasing costs to the organization, especially in our capital projects. At the moment, residents seem willing to continue their purchasing behavior despite their diminished buying power.

The questions for FY24 are: 1) when will the inflation return to normal, and 2) how long will our residents be able to continue to afford their current consumer choices? Dr. Russell Evans, economist with the Thorberg Collectorate, presented his economic outlook at the City Council Budget workshop on February 7, 2023. In his outlook he projected economic growth to slow in in the last half of FY23 based on the assumption that an economic downturn may be looming. Dr. Evans said that could be caused by one of two likely scenarios. In the first, an economic slowdown would occur alongside a well -managed decline in inflation from sustained Federal Reserve policy. In this scenario, the so called "soft landing" would be indicated by a slow recovery of sales tax growth over the year. In the second, a sharp economic downturn marked by multiple months of sales tax contraction would be followed by a sharp recovery.

Dr. Evans projected sales tax growth for FY24 between 0.1% and 6.4%. For the FY24 budget, City staff has projected a 1.5% increase next year. Later discussion, with Dr. Evans, following the additional data points of the March and April sales tax checks, led to a revised range of 0.8% - 5.5%. This places staff's estimate on the lower end of our economist's forecast, but I believe it is reasonable given the current year's strong growth of 7% placed alongside the threats of lower inflation and reduced resident spending in the coming year. A full discussion of our various revenue sources can be found in the Revenue Summary section of the budget book on page B-2.

I'm proud to relay that the City has once again retained its top-tier AAA rating from both Standard & Poor's and Moody's on our 2023 General Obligation bonds. This rating reflects the City's strong financial policies and practices. In particular the rating agencies were impressed with our recent policy change in creating a Capital Maintenance Reserve for fund balances exceeding 22%.

### MAPS 4

This eight-year one cent General Fund sales tax is collected in the non-operating portion of the General Fund and transferred to the MAPS 4 Program Fund where the various projects will be funded. The MAPS 4 Implementation Plan was adopted by City Council on September 14, 2021 and guides the timing of all 16 projects. With sales tax performance higher than forecasted since collections began in April of 2020, Council approved a revised implementation plan on Aug. 16, 2022 that increased projected funding by \$100 million. The FY24 budget for the MAPS 4 Program is \$225.3 million.

#### Better Streets, Safer City

Collections ended March 31, 2020 for the temporary one cent Better Streets, Safer City sales tax, but projects are expected to continue as these funds wind down. Collections in the fund totaled over \$263 million. Work will continue in FY24 with a budget of \$83.1 million for projects that have already begun and those that have been identified by the Citizens Advisory Board.

#### MAPS 3

Approved by voters in 2009, MAPS 3 is a \$777 million capital improvement program. MAPS 3 has funded construction of the Oklahoma City Streetcar, RiverSport Rapids whitewater facility and rowing infrastructure on the Oklahoma River, the Bennett Event Center at the Oklahoma State Fairgrounds, Scissortail Park, several Senior Health and Wellness Centers, and trails and sidewalks throughout the city. In FY24, the remaining funds and interest earnings are budgeted for a total of \$45.7 million to complete two senior health and wellness centers, remodel Union Station, and complete remaining sidewalk and trails projects.

#### **Major Budget Changes**

As previously discussed, the FY24 revenue estimate is difficult to forecast with the assumption of an economic downturn hitting sometime in the year. However, with the conservative estimate of 2.4% growth for all revenue sources, departments were able to make some enhancements and restore some positions lost in prior budget cycles. The FY24 budget includes the addition of 119 positions. Many of these positions are funded by resources outside of the general fund, such as the Airports and Utilities Trust. I will address many of the increases here organized by function and department, but more detail on the changes in each department can be found in Section C of the budget book.

#### **Public Safety**

Public Safety is a critical, core function of the City and accounts for almost 61% of the General Fund. The Fire and Police Departments, along with the Animal Welfare Line of Business in the Development Services Department saw new additions to staffing. In addition, some Police support positions which were previously funded through grants were able to be added as budgeted positions.

The <u>Fire Department</u> adds 6 firefighter positions in FY24 funded by the General Fund to supplement current staffing. The additions will allow the department to reduce the amount of overtime required to maintain the appropriate number of fire apparatus each day. With time off, injuries, sick leave, training and other reasons, the department often must rely on overtime to maintain staffing. These additional positions will help alleviate some of the overtime required with the current staffing level.

Other additions include 4 logistics positions funded by the Public Safety Sales Tax to implement the Fire Department's new Quartermaster Program. These new positions will support Firefighters following exposure to hazardous materials by exchanging their personal protective equipment with clean PPE and cleaning the contaminated equipment prior to its return. Another 40 positions are added to implement a limited Medical Transport Program. These staff members will supplement the ambulance service currently being provided by EMSA. These additional services are subject to an operating agreement with EMSA. In total, the Fire Department is adding 50 positions (4.7%).

The <u>Municipal Court Department</u> budget focuses on both facility needs and staff development with an increase for routine maintenance of their building systems and an increase for employee training.

The *Police Department* adds 14 civilian positions (0.9%) in FY24 across a variety of programs:

• A civilian Crisis Intervention Team (CIT) Coordinator was added to develop and deliver mental health related training to the department. The position will also track CIT officer assignments and training, and conduct research on mental health response.

- The budget adds 3 Civilian DNA Forensic Scientists funded by the Public Safety Sales Tax (PSST) to respond to the increasing casework related to DNA analysis, which has increased from 133 requests in 2020 to over 714 requests in 2022.
- Two civilian Computer Forensic Investigative Specialists, funded by the PSST, were added in response to the increasing involvement of technology related to all types of crime.
- A civilian purchasing position was added to manage the departments complex requests for proposals and purchasing contracts. This position is funded by the PSST.
- A Financial Services Manager II was added to support the Police Finance division and will add oversight to purchases and grants. It will be funded by the PSST.
- Two Civilian Community Relations Coordinators for victims' services were previously funded by a grant. Grant funding is set to expire, so these positions are added to the General Fund.
- Similar to the above, two Civilian Digital Media Positions were previously funded by a Justice grant that is set to expire and will be added to the General Fund.
- Two administrative positions were added using the PSST to replace the work currently being performed by a Police Lieutenant and a Police Sergeant in the Planning and Research Unit. Those officers will be assigned elsewhere in the department.

In addition to these positions, the FY24 Police Budget also includes \$1.1 million in startup costs for a Real Time Information Center. This system and software will support the Police Department's mission with real time intelligence gathered through camera systems, live computer aided dispatch calls, and data from around the city.

Finally, as City leaders and the Police Department continue implementation of recommendations from the Law Enforcement Policy Task Force, the Non-Departmental budget retains the \$2.4 million in funds added in prior years to help fund implementation of various Task Force recommendations, including providing a civilian mental health professional response to certain Police calls.

### **Public Services**

Public Services, at 20% of the General Fund budget, are the functions most residents interact with on a regular basis and that are used to plan, construct, maintain, and operate the City's infrastructure. Public Services are also what our residents as indicated that they are most concerned by, in our annual resident survey.

The <u>Airports Department</u> adds six additional positions. Four positions will be located in the Administration Line of Business. They include: 1) an Assistant Municipal Counselor I to assist with the increasing grant and capital projects activity in the department 2) a Trust Specialist provide administrative support to the Airport Trust 3) a Purchasing Specialist to consolidate the procurement function across all three airport locations 4) a System Support Specialist I to address the increased workload from the Will Rogers Terminal Expansion. An Engineering Assistant I is added to the Property Management and Development Division to develop layouts for construction projects. Lastly, an Airport Operations Officer is added to the Airfield Operations Division to assist with workload and provide additional leave coverage.

The <u>Public Works Department</u> adds four additional positions. These positions create a Human Resources Program within the department that will focus on recruiting and providing HR support for

### **Message From the City Manager**

the 404 positions located in the department. Several other vacant positions were reclassified to align the department's staffing with its current needs.

The <u>Development Services Department</u> adds five positions across its different divisions. An Electrical Inspector I is added to help address the backlog of inspections. The Department has been running mandatory overtime for a couple of years and is concerned with employee burnout. The budget also adds a Plans Examiner to the Development Center to improve the customer experience and increase timeliness of plan review. An Animal Welfare Representative is being added to the Animal Shelter to help provide coverage for the 7-day-a-week operation. Additionally, a Senior Customer Services Representative is added to the Licenses and Permits section to improve call answer times, which have slipped in recent years under the current workload. Finally, a Code Inspector I is being added in Code Enforcement that will absorb the work of a part time oil and gas inspector, as well as add capacity to the division by restoring 1 of the 3 positions lost in prior budget cycles.

The <u>Planning Department</u> effectively adds 2 positions in this year's budget. An Associate Planner is being added to support the Special Program Coordinator over homelessness initiatives. The Special Program Coordinator added in the prior year was relocated to the City Manager's Office. Also, an Assistant Planner added in the Arts and Cultural Affairs Program will support both Arts Office and the Urban Design Division on historic preservation and design functions.

The Planning Department also received additional funding of \$120,000 to support the A Better Way Program, as well as funding of \$600,000 to fund a contract with Mental Health Association Oklahoma to provide Homeless Street Outreach services. As discussed in the Police Department's section above, funding of \$2.4 million has been preserved for Task Force recommendations on homelessness and is jointly available for implementation of programs.

The <u>Public Transportation and Parking Department</u> makes several significant changes in the FY24 proposed budget. Operations for the Bus Rapid Transit (BRT) line continue into the next phase with the addition of 16 COTPA positions primarily focused on repair and maintenance of the vehicles. Three Utility Maintenance II positions and a Systems Analyst are added to support MAPS 4 projects, specifically new bus shelters. A Business Development Specialist is also being added to improve utilization of EMBARK's services through marketing and community engagement. A Municipal Accountant III is added to the Administration Division to consolidate grant reporting functions and support the transition to a new financial planning system.

The City subsidy of COTPA increases by \$7.7 million in FY24.

The <u>Utilities Department</u> makes significant additions in the FY24 budget adding 17 new positions to meet the increasing needs of a growing customer base, maintain regulatory compliance, and enhance system resiliency and reliability. Positions include:

- An Engineering Assistant II position to the Development and Records Program. This position will be able to assist the division in reviewing approximately 800 residential permits that the Utilities Department receives per month.
- An Engineering Assistant II position to the Engineering Management Program
- A Civil Engineer IV to oversee the Capital Program at Tinker Air Force Base.

- An Administrative Specialist to the Utilities Enterprise System Line of Business to create and maintain operating budgets for technology purchases.
- Two Collection/Distribution Crew Supervisors in the Meter Maintenance Program. These two positions will be responsible for managing and monitoring the Automated Meter Reading system.
- An Administrative Coordinator, making permanent an existing overage position to assist in accounts payable claims processing, purchase order processing and process payroll.
- A Database Technician and two Water Service Technicians to the Water Line Maintenance Program in response to amended requirements of the Oklahoma Underground Facilities Damages Prevention Act, reducing the department's required response times to ground marking.
- Two Environmental Technicians to the Wastewater Pre-treatment Program.
- Three Plant Operator III positions, one position to the Hefner Treatment Program and two positions to the Draper Treatment Program.
- System Analyst I to the Administration Program. This position's duties will also include designing, developing, evaluating, acquiring, and modifying applications within the Learning Management System Software.
- An Administrative Coordinator, making permanent an overage position, in the Administration Line of Business Utilities Human Resource.

#### **Culture and Recreation**

The next largest function in the General Fund is culture and recreation at 12%. Within the Parks and Recreation Department budget is where several public-private partnerships are funded such as the City's operations contracts with the Civic Center Foundation, Myriad Gardens Foundation, Scissortail Park Foundation, RiverSport Whitewater Facility and the First Americans Museum. Other contracts funded through the Non-Departmental budget fund operations at the Paycom Center and the Oklahoma City Convention Center.

In FY23, the Lower half of ScissorTail Park was opened, which adds 32 acres of recreational space to the downtown park. The Willa D. Johnson Recreation Center in Douglass Park is also expected to open around the end of the FY23 or early FY24.

The <u>Parks and Recreation Department</u> adds funding for a GIS Analyst to support mapping of the Parks Departments many facilities and amenities. Also, nearly \$500,000 is added for operation of the Willa D. Johnson Recreation Center to fund utilities, maintenance, and general operations.

#### **General Government**

General Government is the smallest function in Oklahoma City's General Fund at 8.0%. This function encompasses central services like Information Technology, General Services, Finance, and Human Resources as well as City leadership through offices that report directly to the City Council - the City Manager's Office, Municipal Counselor's Office and the Office of City Auditor.

The <u>City Manager's Office</u> adds four positions. Public Information and Marketing adds a Digital Graphic Technician in the Print Shop to help with city-wide wide-format printer projects. A Special Program Coordinator is added to support the Human Rights Commission. Similarly, a Special Program Coordinator was moved from the Planning Department to support homelessness initiatives. Funding is continued for the Special Program Coordinator assigned to the implementation of the Law Enforcement Policy Task Force recommendation. The last position makes permanent an Assistant City

Manager position added in the prior year.

The *Finance Department* restores a Management Specialist position in the Treasury Division that was reduced in FY21.

The <u>General Services Department</u> adds funding for overtime and outsourced repairs for the Fleet Maintenance program, which has difficulty in maintaining full operational staffing levels, especially in the Heavy Mechanic specialty. The Department requested \$10.2 million in capital funding for next fiscal year's list of capital maintenance items. Roof replacements, HVAC units, carpet replacement and other routine items are some examples of a long list of capital maintenance needs scheduled for FY24.

The <u>Human Resources Department</u> split its focus between services and staffing in the FY24 budget. It funds an additional Human Resources Information Systems Assistant to support the transition from the current Human Capital system to the new PeopleForce system. The budget also makes permanent a Benefits Coordinator that is necessary to support the several thousand active and retired employees and their dependents using City benefits.

The <u>Information Technology Department</u> has been stretched thin in recent years as technology needs continue to balloon. Accordingly, their budget adds eight positions across multiple programs to try to catch up to the need. Coinciding with the City's upgrade of its Enterprise Resource Program, two positions are added to support Enterprise Business Applications. A position is also being added in the Network Program and another in Application Support to ensure reliable delivery of software solutions and data access. A System Support Specialist is also being added to support Supervisory Control and Data Acquisition (SCADA) environments for the Utilities Tinker program and Transit. Lastly, the department added a position to the Software Development Program, and two in the Public Safety Communication Program.

The <u>Municipal Counselor's Office</u> adds a temporary position of an Assistant Municipal Counselor II to support the Civil Branch and the expected workload from the ongoing Department of Justice Investigation. A vacant Assistant Municipal Counselor III (AMC) in the Land Use Division is being replaced with an AMC II in Land Use and AMC I in Criminal Justice for net gain of one position.

#### **Council Strategic Priorities**

The City Council priorities provide guidance for department business plans and budget preparation.

The City Council's Strategic Priorities are:

- Promote safe, secure, and thriving neighborhoods
- Develop a transportation system that works for all residents
- Maintain strong financial management
- Enhance recreational opportunities and community wellness
- Encourage a robust local economy
- Uphold high standards for all city services
- Continue to pursue social and criminal justice initiatives

We continue to direct our budget changes to address these priorities. The full descriptions of these priorities and the results used to monitor progress in each area are discussed on page A-13.

The City conducts an annual resident survey every year to better inform our planning based on the priorities of our residents. The annual resident survey returned unsurprising but still with informative results for this most recent year. Most municipalities lost ground in this year's round of surveys, reflecting a national decline in resident satisfaction. However, the City still outperformed our peers by losing less ground than similar municipalities. Improving streets continues to be the number one priority of our residents and we are striving to improve Oklahoma City roads through our General Obligation Bond program, which is heavily weighted to streets. Our results in areas such as satisfaction with overall customer service, utility services, public safety, and overall ratings of the city as a place to live, work, raise children, retire and visit rank top among our peer cities. The survey, along with our internal performance measurement process, helps track how we are doing at delivering services.

#### **Compliance with Budgeting and Financial Planning Policies**

City Council has adopted policies to guide financial planning and budget decisions. A summary of these policies can be found on online at <u>https://www.okc.gov/departments/finance/policies</u> and a table addressing policy compliance is on page F-20.

#### Conclusion

FY24, in many ways, is a continuation of the concerns and challenges from the prior year. Threats of economic downturn continue to reinforce a need for caution for expansion of services in the next year. I'm pleased that even while restrained out of an abundance of caution, we have been able to add services and personnel in critical areas across the departments. We continue to make progress in addressing recommendations from our task forces and working groups, and we've been able to set aside resources to continue this important work in the next year. I'm confident that our City staff will meet head-on the challenges we will face in the next year, and I believe that Oklahoma City will continue its trajectory of growth and improvement through our commitment to sound financial policies.

Respectfully submitted,

C. Freen

Craig Freeman

### **COUNCIL PRIORITIES AND KEY RESULTS**

In October of 2017, the Oklahoma City Council met to identify the major issues confronting the City over the next two to five years. They reviewed and updated previously established Council Priorities and the progress indicators or key results that the City should achieve in order to successfully address the identified issues. The following are the Council Priorities and Progress Indicators adopted by the City Council and the departments which most directly align with those priorities and progress indicators.

### Preamble

Our priorities are grounded in the lessons of the City's history and the values of inclusiveness, mutual respect and self-reliance that are the hallmarks of our future. We will be responsive to our residents' needs as we address these priorities and continue to deliver what we promise. Our focus is to improve the quality of life for every Oklahoma City resident.

### Promote safe, secure, and thriving neighborhoods

Neighborhoods are the building blocks of a great city and residents expect safe neighborhoods that provide a high quality of life. We will continue to promote strong and safe neighborhoods by providing public safety services, effective code enforcement, and

support for neighborhood revitalization efforts. We will work with our partners to support education initiatives that encourage strong neighborhood schools.

	PROGRESS INDICATORS				
PRIMARY DEPARTMENT		FY22 Actual	FY23 Estimate	FY23 Target	FY24 Target
Police	% of person crimes cleared by arrest, prosecution or other means	54%	54%	70%	70%
	% of property crimes cleared by arrest, prosecution or other means	24%	22%	30%	30%
	% of residents who report they feel safe	54%	50%	60%	60%
	% of Life Threatening calls (Priority 1) responded to within 9 minutes 30 seconds from the time a 911 call is answered until officer arrival	67%	66%	80%	80%
Fire	% of emergency incidents responded to within 7 minutes	70%	69%	70%	70%
EMSA	% of EMSA/Police Call Taker incidents dispatched in 2 minutes	86%	85%	70%	70%
Planning	% of residents who are satisfied with the overall quality of their neighborhood	71%	69%	65%	65%
Development Services	% of property maintenance and code violations resolved voluntarily	77%	82%	75%	75%

### Continue to pursue social and criminal justice initiatives

All people deserve to be treated with dignity, fairness, and respect. Pursuit of these values provides unity within our community to move our City forward and place us at the forefront of communities which seek the betterment of all people. We will ensure

equitable justice through continued criminal justice system reform and increased engagement with residents and community groups. We will support our partners and promote access to social services that facilitate a better future for those in need.

PROGRESS INDICATORS					
			FY23

### Uphold high standards for all city services

City services have a direct and immediate impact on residents and are essential to the quality of life in our City. The interactions residents have with City employees influences opinions of City government and the value they receive for the taxes and fees they pay. Maintaining high standards for City services is essential to maintaining the positive

reputation Oklahoma City has and helps make Oklahoma City an attractive place for businesses to locate. With a commitment to providing quality customer service, we will continue to follow best practices in achieving and exceeding expectations for effective service delivery.

PROGRESS INDICATORS					
PRIMARY DEPARTMENT		FY22 Actual	FY23 Estimate	FY23 Target	FY24 Target
City Manager's Office	% of residents satisfied with the quality of City Services	69%	66%	75%	75%
	% of service requests received through the Action Center acted upon within 10 working days	94%	94%	96%	96%
Utilities	% of wastewater overflow/backup calls responded to within one hour	94%	95%	95%	95%

	% of scheduled solid waste routes collected by 5:00 pm	92%	94%	94%	94%
Public Works	% of pothole repairs within 5 calendar days of work order issued	50%	53%	80%	80%

### Enhance recreation opportunities and community wellness

Providing quality recreational opportunities, communicating more effectively with the public about the options available and working with our partners to promote healthy living are important for the wellbeing of our community. To provide convenient and attractive

options for residents, our parks and recreation facilities will be well maintained and provide a wide variety of recreational offerings that appeal to all of our residents.

PROGRESS INDICATORS					
PRIMARY DEPARTMENT		EV22 Actual	FY23		EV24 Tougot
		FY22 Actual	Estimate	FY23 Target	FY24 Target
Parks and Recreation	% of residents that report regular leisure time physical activity	68%	65%	70%	70%

	% of residents satisfied with maintenance of City parks	71%	66%	75%	75%
	% of residents visiting a park and/or participating in a park program	72%	76%	80%	80%

### Develop a transportation system that works for all residents

A transportation system that gets people where they need to go in a timely manner and accommodates various means of mobility is necessary to connect residents and businesses. Improving the condition of streets is the top priority of our residents and will continue to receive significant investment in the coming years. We are making strides to become more

pedestrian and cyclist friendly through better planning, design and construction of complete streets, sidewalks, and trails. There is also a growing interest in improving public transportation within Oklahoma City and the central Oklahoma region. Regional solutions and funding for public transportation are a prerequisite to effectively serve the region and maximize the effectiveness of the system. Attention to new developments in transportation, such as autonomous vehicles, is needed to ensure Oklahoma City is ready to benefit from the coming changes.

PROGRESS INDICATORS					
PRIMARY DEPARTMENT		FY22 Actual	FY23 Estimate	FY23 Target	FY24 Target
Public Works	% of residents satisfied with the condition of major City streets	24%	28%	40%	40%
	# of miles of sidewalks constructed	90	73	77	80
Parks and Recreation / MAPS Office	# of miles of trails constructed	30	31	31	31
Public Transportation and	# of bus passengers per service hour	10.45	12.69	12.58	11.77
Parking	# of EMBARK bus service hours	212,771.65	209,587.85	221,874.50	268,983.00
	Average EMBARK frequency (minutes) during peak hours	33.22	33.10	30.00	30.00
Planning	Average commute time (minutes) in Oklahoma City	21.80	21.80	20.80	20.80

### Maintain strong financial management

Prudent financial leadership will allow us to continue to meet resident needs and maintain resident confidence as we uphold our commitment to manage cost growth within available revenues. Expanding the revenue base through greater diversification of revenue sources

will help the City meet the needs of our residents as the City grows. We expect sound financial leadership from elected, appointed and professional City staff.

	% of General Fund revenue from Sales and Use tax	71%	74%	65%	65%

### Encourage a robust local economy

A strong economy that supports job creation and improves the local tax base is fundamental to our growth. To make Oklahoma City an attractive option for current and future residents and businesses, we will encourage a high quality of life for residents and promote a pro-business environment that makes it clear we value the contribution of a

strong business community. We recognize the need to foster innovation and embrace technological advances to move our City forward.

### LEADING FOR RESULTS AND THE BUDGET PROCESS

Leading for Results (LFR) is the "way we do business." What this means is that the City uses a performance management system for all City departments linking department operations to a strategic business plan. The strategic business plan is organized into programs with each program having an established budget and family of performance measures. The performance measures are used to set department goals and measure progress in achieving those goals using the resources allocated to programs. The entire process is focused on the benefit received by the customer (residents). Leading for Results provides better information to decision makers, which in turn helps them determine how to allocate resources.

The Leading for Results performance management system includes planning, employee performance, budgeting, data collecting, reporting, evaluating, and decision-making. The Strategic Business Plan contains the information needed to perform these functions and provides a concise overview of departmental operations. The graph below illustrates the performance management process. As the arrows indicate, each step is critical and flows into the next, which creates a continuous cycle.

### **DELIVERING WHAT WE PROMISE**

### THE LFR PERFORMANCE MANAGEMENT SYSTEM

### **PLANNING FOR RESULTS:**

Focuses the department on long-term (2-5 years) strategic goals and operational results by building a Strategic Business Plan. Department business plans are summarized in each department section of the budget book and are available at www.okc.gov/departments/finance/financial-and-budget-reports.

### THE STRATEGIC PORTION OF THE PLAN:

Begins with an assessment of the future where departments identify the biggest challenges impacting them and their customers over the next 2-5 years. These challenges are then refined into Issue Statements which help the department clearly communicate what the trend is that they are facing and the consequences of the trend if not addressed. Once the Issue is clearly stated, departments develop Strategic Results which are typically stretch goals that, if achieved, will demonstrate the department's ability to respond to the challenges they identified as Issue Statements. Strategic Results are specific, measurable, and describe what the customer will experience.

### THE OPERATIONAL PORTION OF THE PLAN:

Organizes the services each department provides around results for customers. Similar services are grouped into programs and each program has a "Family of Measures." Similar programs are organized into lines of business. This organization serves as the structure for the City's Performance Based Program Budget. All programs engaged in delivering and reporting performance are structurally aligned to Strategic Business Plans.

### **EMPLOYEE / CONTRACTOR PERFORMANCE MANAGEMENT:**

Links the organization's goals and performance measures to executive, employee, and contractor performance plans so that work unit efforts can be aligned to the organization's strategic and operational results.

### **BUDGETING FOR RESULTS:**

Structures the budget around programs and lines of business and the results generated for customers, integrating results and cost information to improve resource allocation decisions by both departments and policymakers.

### **PERFORMANCE DATA COLLECTION:**

Provides the means by which Oklahoma City can accurately capture and review performance information to assist in decision-making and focusing on performance and results.

### **REPORTING RESULTS:**

Provides clear, concise performance reports on the results being achieved for the community, policymakers, and employees, thus demonstrating accountability for the investments citizens make in their government.

### **EVALUATING RESULTS:**

Compels a thoughtful examination of performance data to highlight opportunities for service level improvements and improved customer experiences.

### **DECISION-MAKING FOR RESULTS:**

Deploys performance data at all levels to ensure that decision makers (policy level, enterprise, strategic, and operational) can make more informed decisions, resulting in improved customer experiences and continued confidence by citizens in government.

### LEADING FOR RESULTS AND THE BUDGET PROCESS:

The budget addresses step three in the Leading for Results process. Each department reports performance data for a family of measures which are included in the performance data volume of this document.

### **KEY TERMS IN THE LEADING FOR RESULTS PROCESS**

- <u>Issue Statements:</u> (Issues): Identify the critical trends that will impact the department and customer over the next 2-5 years
- <u>Strategic Results</u>: 2-5 year goals that, if achieved, demonstrate how the department is proactively responding to issues
- **<u>Strategy</u>**: The actions a department plans to take to achieve a strategic result.
- <u>Line of Business</u>: A collection of programs in a department with similar purposes.
- **<u>Program</u>**: The smallest section of a department organized around services provided and results customers receive.
- <u>Family of Measures</u>: The set of performance measures for an individual program. A primary focus being on the Result measures (or outcomes) that demonstrate the benefit the customer receives from the program. The remainder of the Family of Measures includes Output, Demand, and Efficiency measures.

### **FY 2024 BUDGET DEVELOPMENT PROCESS**

### HOW THIS BUDGET WAS PREPARED

This budget is the result of a yearlong strategic and financial planning process. In addition to the budget itself, this process generates a capital improvement plan and budget for the three trusts for which the Mayor and City Council serve as trustees. The timeline on the next page describes the schedule and the major actions taken.

The planning process began with the update of department strategic business plans that form the base for performance-based budget planning. At the same time, preliminary revenue and expenditure estimates were made to guide budget development.

### **DEPARTMENTAL BUDGET SUBMISSIONS**

The budget documents were distributed to all departments in December with instructions for preparing their budgets. Departments submitted their budgets to the Office of Management and Budget and included in these submissions were any requests for additional resources.

### **CITY MANAGER'S REVIEW**

During February and March, the Office of Management and Budget analyzed the proposed budgets submitted by the departments. Recommendations were discussed with the departments and the City Manager's Office made decisions regarding proposed changes to the budgets. After the budget review process, revenue projections were revisited using the nine months of actual data that was then available. As revenue and expenditure projections were fine-tuned, final decisions were made regarding the City Manager's recommended budget. The result was the submission of the proposed budget to the City Council.

July – Dec 2022	Departments update strategic business plans for FY24 in the Leading for Results process.			
November 2022	OMB begins process of estimating FY24 revenues.			
November 2022	OMB prepares Human Resources cost worksheets and budget preparation reports.			
December 2022	City Manager establishes budget targets.			
December 2022	OMB conducts budget training classes and distributes operating budget instructions.			
February 2023	OMB hosts the City Council Budget Workshop. The Five Year Forecast is presented to Council.			
	Departments submit operating budget and capital requests to OMB. OMB begins review of departmental budget requests.			
March 2023	Assistant City Managers review departmental budget requests. OMB forwards budget recommendations to the City Manager.			
April 2023	City Manager reviews budget submissions. OMB prepares proposed budget document.			
May-Jun 2023	Annual budget introduced on May 2.			
	City Council holds public hearings and considers the proposed budget on May 2, May 16 and May 30.			
	City Council adopts the budget on June 6.			
	OMB files adopted Annual Budget with State Auditor and Inspector by June 30.			
July 2023	FY 2024 Adopted Annual Budget becomes effective July 1.			

### **OVERVIEW OF OKLAHOMA CITY**

The City of Oklahoma City is the capital of the State of Oklahoma and is the second largest municipality by land area in the contiguous United States, with a total area of 620.4 square miles. The city's 2022 population was estimated at just over 700,000, and the metropolitan statistical area's (MSA) population was estimated at a little over 1.4 million. The population of the MSA has grown 15% since 2010, almost twice as quickly as the country as a whole.

With an unemployment rate of 3.0% in January 2023, the area represents the 16th lowest jobless rates in the nation among large metro areas with a population greater than 1 million.

Oklahoma City has been a transportation and commercial center in Oklahoma since before statehood in 1907. During the famous Oklahoma Land Run of 1889, the city was settled in a single day when nearly 10,000 pioneers staked out territory in what is now Oklahoma City. With the combination of settlers and the large number of Native American nations in the area, many of whom were transplanted from their homes further east, Oklahoma City has developed a unique and complex cultural identity.

Incorporated in 1890, the City of Oklahoma City has had a Council-Manager form of government since 1927. In 2018, voters elected David Holt as their next mayor and then Mayor Holt was re-elected in 2022. Mayor Holt heads a Council of eight members, each elected by ward. In addition to ongoing efforts to improve the quality of life in Oklahoma City, recent initiatives have focused a commitment to public safety, neighborhoods, criminal and social justice, financial management, economic growth, recreational services, and transportation.

Historically, Oklahoma City's economic base has been closely tied to the energy and agricultural markets. Today, the city's economic base is more diversified and is seeing growth in the health and technology industries, while remaining a regional center for education and government. The largest employers in the MSA include the State of Oklahoma, The City of Oklahoma City, Tinker Air Force Base, and the University of Oklahoma. Companies with headquarters in Oklahoma City include American Fidelity, BancFirst, Chesapeake Energy, Continental Resources, Devon Energy, Dolese Bros. Co., Hobby Lobby Stores, INTEGRIS-Deaconess Hospital, INTEGRIS Health, Love's Travel Stops & Country Stores, OG&E Energy Corp, Mercy Hospital, MidFirst Bank, Paycom, Sonic Corporation, and SSM Health Care of Oklahoma.

Vital among the City's assets are ample water supplies and its central location. Interstate highways I-35 North/South, I-40 East/West and I-44 converge in Oklahoma City and provide transportation links to the rest of the nation. The new I-40 Crosstown Expressway relocation, which opened in 2013, allows faster travel by incorporating 10 lanes of traffic. These ground transportation routes, together with Will Rogers World Airport, make the City a regional transportation hub.

In December 2019, the City's voters approved the newest generation of MAPS, Oklahoma City's trademark capital improvement and quality of life investment initiative that has brought transformative change to the area since the original program was approved in 1993. MAPS 4 is an eight-year, temporary sales and use tax which will generate \$978 million to fund sixteen projects across the metro area. MAPS 4 has a broad focus on an array of human and community

needs, such as homelessness and family justice, in addition to capital improvements, including a multipurpose stadium, the Clara Luper Civil Rights Center and a new Fairgrounds arena. As preparations for these new projects have been made, the city celebrated the completion of a remaining MAPS 3 project with the opening of Scissortail Park in September 2019 with a free concert headlined by Oklahoma natives Kings of Leon that drew 28,000 people. The MAPS 3 program will conclude when the remaining projects are completed in 2024.

In August 2017, the city's citizens approved the Better Streets, Safer City bond and sales tax measure. The temporary penny sales tax took effect on January 1, 2018, after the MAPS 3 tax expired, and generated \$260 million over 27 months: \$173 million for street resurfacing, \$26 million for streetscapes, \$27 million for sidewalks, \$20 million for trails and \$14 million for bicycle infrastructure. In 2020, sales tax funding paid for the completion of 119 miles of street resurfacing, 21 miles of sidewalk construction, 10 miles of trail resurfacing, and four miles of bike lanes – including the first protected on-street bile lanes in Oklahoma City History. Construction on other sales tax projects is likely to last another year. The sales tax projects are joined by the other Better Streets, Safer City initiatives: a ten-year, \$967 million bond program (including \$536 million for streets, bridges, sidewalks, and traffic control), and a permanent quarter-cent sales tax for more police officers and firefighters and to supplement day-to-day operations.

Performing arts groups such as the Oklahoma City Philharmonic, Lyric Theater, and Ballet Oklahoma contribute to the City's cultural environment. The new facility for the Oklahoma Contemporary art museum was completed in 2020, beginning a new chapter for the institution founded in 1989. Other popular attractions include the National Cowboy and Western Heritage Museum, the Oklahoma City Museum of Art, the Oklahoma City National Memorial, the Oklahoma History Center and the National Softball Hall of Fame.

Since 2008, the city has been the home of the National Basketball Association's Oklahoma City Thunder, who perform in the 18,203-seat Chesapeake Energy Arena. Since moving to Oklahoma City, the franchise has been one of the most competitive teams in the league and has fielded some of the world's brightest talents.

The City has been the site of numerous Big XII championships in collegiate sports and has hosted the opening rounds of the NCAA basketball tournament, the Wrestling Championships and the Women's College World Series. The USL Championship professional men's soccer team Energy FC is one of the founding clubs of the league's Western Conference and plays in the historic Taft Stadium.

May In 2016, the \$45.3 million RIVERSPORT OKC center opened to provide whitewater rafting and kayaking on an 11-acre facility adjacent to the Oklahoma River. The Center features world-class rapids for elite athletes as well as recreational opportunities for families. The City was designated as the U.S. Olympics Training Site for canoes, kayaks and rowing in July 2009 and hosted the U.S. Olympic trials in 2016. The Oklahoma River is the only river to receive this coveted designation. New additions to the facility include Surf OKC, an inland surfing

experience, which opened in August 2020 and Ski OKC, an indoor slope for alpine skiing and snowboarding, which opened May 2021.

In January 2016, the City entered into an agreement with the State of Oklahoma and the Chickasaw Nation to complete the First Americans Museum (FAM) along the Oklahoma River and opened in September 2021. The 175,000 square foot museum showcases state-of-the-art exhibitions in First American history, culture, and art, a full-service restaurant presenting unique Native inspired cuisine, and a museum store featuring authentic one-of-a-kind hand-made items by premiere First American artists.

With a quintessentially American history and a future with an undeniable energy, the city and its people are characterized by a sense of determination and optimism that will guarantee the best is yet to come for Oklahoma City.

### **OKLAHOMA CITY IN THE NEWS**

#### OKC has the lowest rents in the U.S.

February, 2023 - Realtor.com

In their most recent report, Realtor.com ranked Oklahoma City No. 1 as the least expensive metro for rent for January 2023. In order to identify the cities with affordable rent, Realtor.com used rental sources that reliably report data each month within the top 50 largest metropolitan areas.

#### OKC ranked one of the best capital cities

November, 2022 - WalletHub

In their most recent report, *WalletHub* ranked Oklahoma City No. 10 as the best state capital to live in. In order to identify the best state capitals to live in, WalletHub compared all 50 cities across affordability, economic well-being, quality of education, health and quality of life.

#### OKC's First American Museum wins national travel award

October, 2022 - The Society of American Travel Writers

The Society of American Travel Writers (SATW) recently awarded OKC's First Americans Museum (FAM) with the 2022 Phoenix Award for outstanding contribution to a quality travel experience through conservation, preservation, beautification or environmental efforts.

#### Oklahoma Aeronautics Commission program named most innovative

October, 2022 - NASAO

The Oklahoma Aeronautics Commission was named the Most Innovative State Program at the National Aviation Conference for its Web-based Airport Infrastructure Management System.

#### Oklahoma ranked as one of the most underrated destinations

September, 2022 - CNN Travel

CNN Travel ranked the top 22 underrated travel destinations in the United States that remain refreshingly underrated despite the surge in travel this year. CNN stated that Oklahoma's high rating is greatly attributed to its surprising food scene, the OKC RIVERSPORT and Oklahoma's long stretch of Historic Route 66.

#### Oklahoma City is one the best cities to live in

August, 2022 - Bankrate

In its most recent analysis, Bankrate ranked Oklahoma City No. 4 for the best city to live in 2022. To identify the best places to live, Bankrate examined the 100 largest metropolitan areas in the U.S. through the lens of an essential question: What makes a place livable and lovable? Applying a 10-point scale, they considered several factors, including: affordability, overall well-being, diversity, job market, and migration patterns.

#### Oklahoma ranks No. 5 for best bridge conditions

August, 2022 - Federal Highway Administration

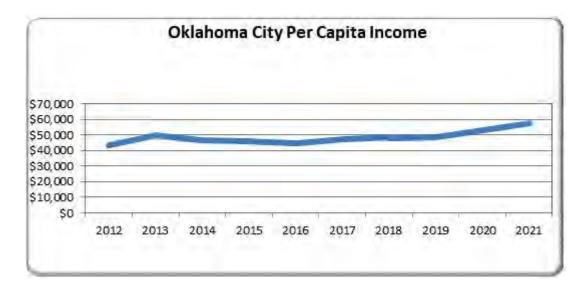

In the most recent report, Oklahoma has earned a No. 5 national ranking for the overall condition of its bridges by the Federal Highway Administration. Bridge reconstruction projects and repairs made in 2021 helped move Oklahoma up to No. 5 in the nation for the first time. The ranking applies to the bridges on Oklahoma's highway system maintained by the state, which includes interstates, U.S. highways and state highways.

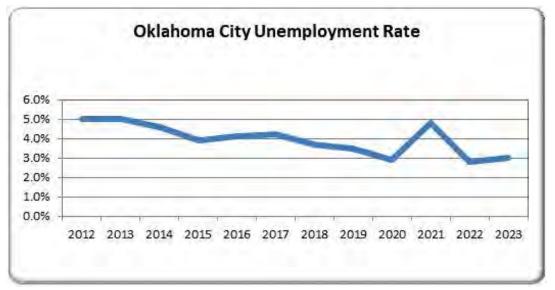

#### OKC is among the best-run cities in America

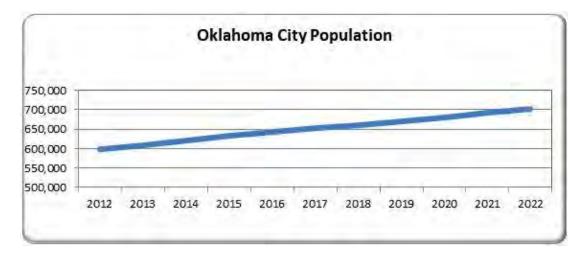

#### August, 2022 - WalletHub

Oklahoma City is listed in the top 10 of WalletHub's "2022's Best- & Worst-Run Cities in America" list. The site compared 150 of the United States' largest cities to determine the rankings. Cities were judged on their quality of services in contrast to their per-capita budget. Oklahoma City ranked No. 8.

### QUALITY OF LIFE

The 15-acre Myriad Botanical Gardens is a natural escape in the heart of downtown Oklahoma City, offering vibrant gardens, playgrounds, splash fountains, the Great Lawn, an off-leash dog park and walking and jogging paths. Nestled at the center is the, 224 ft. long, 70 ft. in diameter Crystal Bridge Conservatory, which underwent a massive renovation from July 2021 until it's reopening on November 18, 2022. The new conservatory boasts a reflection pool, new plant collections, overlook terraces, an exquisite two-floor waterfall feature and tropical plants with interpretive signage. The renovation project also included adding a brand-new gift shop that pays tribute to horticultural education and conversation efforts, as well as, a Sensory Skywalk Third Level, where visitors get to experience a symphony of sounds, tastes and smells on new extended platforms.

From sporting and special events at the Bricktown Ballpark, Paycom Center and Downtown Convention Center, to theatre, First Americans Museum and ballet at the Civic Center Music Hall, Oklahoma City has something for everyone. The 12,000-seat Chickasaw Bricktown Ballpark includes shops, luxury suites, and a year-round sports theme restaurant. The Paycom Center, home of the Oklahoma City Thunder, is a 586,000-square-foot state-of-the-art entertainment facility that hosts major concerts as well as sporting and special events. The new, state-of-the-art Oklahoma City Convention Center is a 500,000-square-foot building with a massive 200,730 square-foot exhibit hall, 40,000 square feet of meeting spaces, ballrooms, and a large balcony overlooking Scissortail Park. Offering the best of Broadway, theatre, ballet, chorus and orchestra, the Civic Center Music Hall brings world-class entertainment to Oklahoma City.

More than just a park, the Scissortail Park is a place for play, culture, wander, celebration and inspiration for everyone. Extending from the core of downtown Oklahoma City to the shore of the Oklahoma River, this 70-acre urban oasis will encompass a café, sports facilities, picnic grove, nature trails, and a tranquil lake with boathouse and paddle boat and board rentals. Inspired by Oklahoma's state bird, the scissortailed flycatcher, the 380-foot-long Skydance Bridge will connect the north section of the park to the south section.

The Lower Park opened up on September 23, 2022. This section of the park has a more focus on athletic events and pickup sports, with a soccer field, sports pavilion, pickleball courts, futsal court and two basketball courts. The park also comes with pavers and furniture that is consistent with the Upper Park, dotting the promenade alongside whispering pines, native gardens, a hollow, an overlook hill, play area for children and a plaza.

Residents and Visitors can also hop on the Oklahoma City Streetcar to explore the diverse and historic districts, and experience the new-found adrenaline reflected by a gleaming downtown. They can also discover the many restaurants and entertainment venues from the Bricktown Canal and Water Taxi and take a horse-driven carriage ride to a swanky hotel, gaze in awe at the world's tallest Chihuly glass tower in the Oklahoma City Museum of Art, or climb to the top of one of the region's tallest rock climbing walls.

An abundant amount of recreation activities, a robust economy, low unemployment rate and an average commute time of 22 minutes, as well as ranking high in housing, healthcare and environmental quality all contribute to the great quality of life Oklahoma offers. As one of the best places for young adults to thrive, this creative and progressive city is buzzing with life.

### **TRANSPORTATION**

As a major transportation hub in the south-central United States, Oklahoma City is served by Interstate Highways 35, 40, and 44. The City is headquarters for several motor freight companies with terminals for many others. Major carriers provide interstate passenger bus service and Burlington Northern, Union Pacific and Santa Fe railroads provide freight service. In addition, Amtrak's Heartland Flyer offers convenient and affordable daily rail service between Oklahoma City and Fort Worth, Texas.

Oklahoma City operates three municipal airports. Will Rogers World Airport (WRWA) supports and enhances Oklahoma City economic growth and development through continued improvements to facilities and services. WRWA is served by eight major airlines offering non-stop service to 25 airports from Austin to New York. In addition to commercial and cargo service at WRWA, Wiley Post and Clarence E. Page are general aviation airports. Wiley Post is also designated as a reliever airport for WRWA.

Originally organized in 1966, the Central Oklahoma Transportation and Parking Authority (COTPA), doing business as EMBARK, operates several public transit services in Oklahoma City, including fixed-route bus, ADA paratransit and mobility programs, the OKC Streetcar, Spokies bikeshare, Oklahoma River Cruises ferry service, downtown parking, and will soon be launching the city's first Bus Rapid Transit (BRT) service – RAPID NW. EMBARK operates 21 bus routes throughout Oklahoma City, along with parts of Midwest City, Del City, and unincorporated Oklahoma County. Through an interlocal agreement, EMBARK also operates five bus routes in Norman.

Bus Rapid Transit (BRT) is a premium transit mode providing high frequency service with fewer stops, enhanced vehicles, stations, and passenger amenities that utilizes transit signal prioritization for faster service. The first BRT line – RAPID NW – will connect the urban core and far northwest Oklahoma City. Construction of the RAPID NW line began in July 2022 and is expected to be completed in fall 2023. RAPID NW will connect several neighborhoods, major employers, hospitals, educational institutions, and other amenities with frequent, comfortable rapid transit service.

With a growing population of 1.42 million covering 6,359 square miles, local governments in the Oklahoma City MSA are adopting an increasingly regional approach to transportation. In February 2019, several metro-area cities formed the Regional Transportation Authority of Central Oklahoma (RTA) to better coordinate efforts to plan, build, and operate intercity commuter service. The RTA is currently composed of member cities Edmond, Norman, and Oklahoma City, with each community represented on the authority's board of directors and administrative support provided by EMBARK. Planning studies are currently underway for a north-south commuter rail corridor connecting Edmond, Oklahoma City, and Norman, as well as transit corridors connecting downtown Oklahoma City with Tinker Air Force Base, Will Rogers World Airport, and far west Oklahoma City.

# **DEVELOPMENT ACTIVITY**

Construction activity in Oklahoma City has continued throughout the year with numerous projects in various stages of completion. In downtown Oklahoma City, construction continues for both residential and mixed-use.

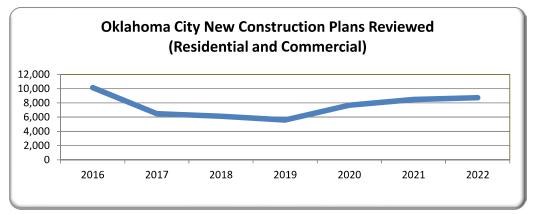

Over 27 months, the Better Streets, Safer City temporary penny sales tax generated \$261 million in revenue for better and safer streets, sidewalks, and trails for drivers, pedestrians, and cyclists; \$21 million more than what was initially expected. Sidewalk construction has improved pedestrian access by connecting neighborhoods to transit, parks, and schools consistent with the City's new pedestrian and bicycle master plan, bikewalkokc. New trails and bicycle infrastructure connect people to work, school, and recreation opportunities. Street enhancements create safer and more walkable environments that promote commercial activity and investment. Even though collections for the Better Streets, Safer City program are complete, construction on sales tax-funded projects are likely to last through 2023.

City leaders broke ground on the MAPS 3 and 4 OKC Fairgrounds Coliseum on 02/22/2023. The MAPS 3 and 4 Fairgrounds Coliseum will feature seating for more than 7,000 people, a lounge, suites, a full-service restaurant, several upscale concession areas, and an A/V suite. The new coliseum will be built to the immediate south of the existing Jim Norick Arena. The 216,164-square-foot

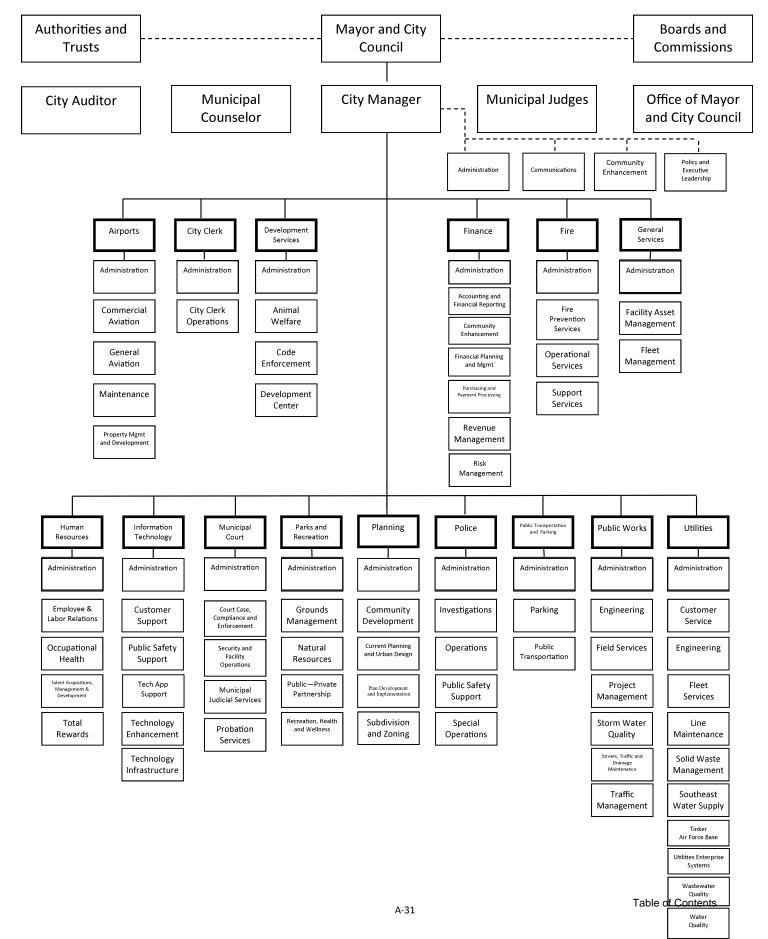

coliseum will be operated by Oklahoma State Fair, Inc. at the OKC Fairgrounds. Construction is scheduled to be completed in 2025. The Jim Norick Arena will continue to host events, just as it has since 1965 until the new coliseum opens. When the new arena is opened, the Jim Norick arena will be removed and replaced with additional facilities to connect the barns to the new arena. "The Fairgrounds is a catalyst for Oklahoma City's tourism industry," MAPS 4 Program Manager David Todd said. "The 58-year-old Jim Norick Arena is home to numerous national and international horse shows along with the Cattlemen's Congress which collectively generate in excess of \$150 million annually. The new coliseum will allow Oklahoma City to remain dominant in the horse show world and continue to be an economic driver for tourism for the state of Oklahoma for the next 50 years."

Residential and Commercial construction saw a 3% increase in FY22. Several large projects are still underway through the MAPS 3 program, with final project completion expected in 2024. These projects include additions to Scissortail Park, new senior health and wellness centers, trails, sidewalks, and the restoration of Union Station.

# **REVENUE SUMMARY**

### WHEN REVENUE IS DEDICATED TO A PARTICULAR PURPOSE, THE CITY HAS GENERALLY CHOSEN TO ESTABLISH A SEPARATE FUND TO ENSURE THAT ALL OF THE DEDICATED REVENUE IS SPENT FOR ITS INTENDED PURPOSE.

The City derives revenue from a myriad of sources. Some revenues are dedicated to specific purposes, such as the MAPS 4 Sales Tax or the tariff on phone service dedicated to the E-911 service. Other revenues are not dedicated to a particular program or service and are deposited in the City's General Fund. A fund is an accounting method for segregating revenues and expenditures for a specific purpose.

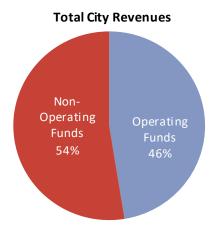

B-2

## **OPERATING FUNDS**

Before beginning the discussion of revenues, it should be noted that all projected growth rates for FY24 are based on changes from estimated year end totals for FY23.

The City classifies its funds as either operating or non-operating. The distinction is that some funds and, in some cases, portions of funds directly support operations; and other funds provide for capital improvements or are so limited in their purpose that they do not support daily operations. This allows decisionmakers to segregate operating costs from the total cost for the organization so that significant changes in capital funding are not misinterpreted as a significant change in operational costs.

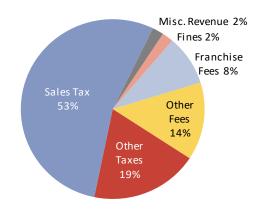

An example of this is dedicated sales and use taxes. In recent years, the residents of Oklahoma City have approved several limited-term dedicated taxes to fund capital improvements. With the MAPS 4 sales and use taxes beginning on April 1, 2020, there have been significant increases in the revenue of those funds which are being used for capital improvements. Because of this distinction, the portion of the sales tax used for capital improvements was classified as non-operating and the portion of the use tax used to fund the MAPS 4 Project Office was classified as operating.

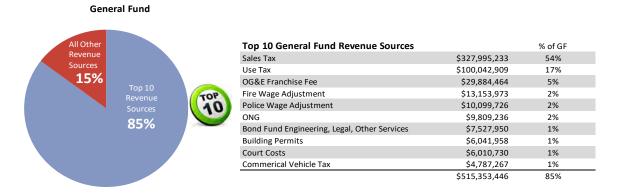

The Operating Funds category includes three major types of funds: General Operating Funds, Special Revenue Funds and Enterprise Funds, all of which will be discussed further. The bulk of the discussion focuses on the General Fund, the City's largest fund at \$604.3 million or 31.7% of the FY24 budget.

#### **GENERAL FUND**

Due to concerns that an economic slowdown and possibly a brief recession could occur in late FY23 or early FY24, the economic outlook in FY24 is conservative with marginal growth of 0.5% in the General Fund. The General Fund has hundreds of individual revenue sources and similar sources are grouped into categories as shown in the chart to the right. The narrative on the following pages examines each of the major revenue categories in the General Fund and the short term factors that influenced the revenue projections. Also highlighted in the narrative and the table on page B-4 are the top 10 individual revenue sources that, when combined, account for 85% of the FY24 General Fund budget.

As the table above, and the chart on the preceding page indicate, the largest single source of revenue in the General Fund is sales tax. As such, the most time and effort is dedicated to forecasting this revenue source.

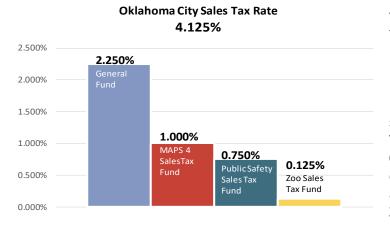

#### **GENERAL FUND - TAXES**

The largest category of revenue in the General Fund is taxes at \$441.2 million or 73.0%. Within the taxes category, all revenue sources are authorized by the state and collected by the Oklahoma Tax Commission.

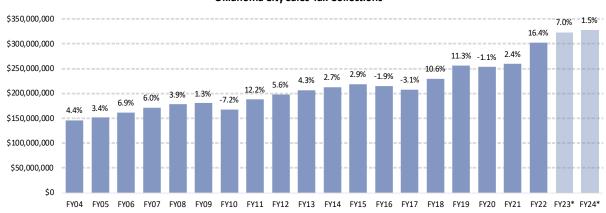

#### Sales Tax

Sales fax is the largest single revenue source for the General Fund and the City. Sales tax is applied to most retail transactions, as provided by state law, and is collected by local vendors who then remit the revenue to the Oklahoma Tax Commission. The City maintains agreements with the Oklahoma Tax Commission for administration and enforcement services associated with sales and use taxes. The City levies a total of 4.125% in sales tax. Combined with the state levy of 4.5%, the total state and municipal sales tax rate charged within corporate Oklahoma City limits is 8.625%.

The City's 4.125% sales tax levy is divided between various funds as authorized by voters as shown in the graphic below. The General Fund receives the largest portion of sales tax at 2.250% and is where the City's day-to-day operations are funded. MAPS 4 is a 8-year temporary one-cent sales tax in effect through March 31, 2028. It is projected to generate a total of \$1.1 billion dedicated to funding 16

different projects including as parks, youth centers, a mental health and family justice center, transit system improvements, sidewalks, and a new multi-purpose stadium, among other projects. The Public Safety Sales Tax is a permanent 0.750% (3/4 cent) sales tax split evenly between Police and Fire. The Zoo Sales Tax is a permanent 0.125% (1/8 cent) sales tax that can only be used for capital improvements and operations at the Oklahoma City Zoo. This section will focus on the 2.250% authorized for general operations, while the dedicated sales taxes that account for the remaining 1.875% will be discussed in the Special Revenue Operating Funds section of this chapter. Projecting sales tax is always challenging because it is impacted by many uncertain local and national factors. For example, recent high inflation has put upward pressure on prices, which translates into higher sales tax collections. However, particularly high and sustained inflation discourages consumer activity for certain non-essential goods and services, which can suppress sales tax growth. Through careful analysis, the City has developed the FY24 budget based upon a 1.5% growth rate in sales tax as

**Oklahoma City Sales Tax Collections** 

\*Sales Tax Collection Projections

compared to projected FY23 year end collections. Sales tax collections are projected to be \$328.0 million and account for 54% of the FY24 General Fund budget.

#### **GENERAL FUND - OTHER TAXES**

#### Use Tax

Use tax is levied on goods and services that are bought in other states and then imported for use Oklahoma. This tax is applied in lieu of sales tax because the goods were originally bought outside the state. As more people are making purchases online, use tax is growing at a higher rate than sales tax. Use tax collections have averaged an 9.6% growth rate and sales tax has averaged 4.5% growth over the past 10 years. The use tax rate is 4.125% of the purchase price and is budgeted at \$100.0 million or 16.6% of the General Fund budget for FY24. Together, sales and use tax make up 70.8% of the General Fund operating budget which demonstrates how heavily the City relies on these tax revenues.

#### **Excise Tax**

In FY05, state law changed the taxation of tobacco products and exempted them from sales tax, but implemented an excise tax designed to make it more expensive to purchase tobacco products on a per unit basis. Municipalities receive a portion of the excise tax from the state. Revenue is projected to be \$3.4 million, which is less than 1% of the General Fund revenue budget.

#### **Commercial Vehicle Tax and Motor Fuels Tax**

The commercial vehicle tax and motor fuels tax are both collected by the state with municipalities receiving a portion of the tax based on their share of the population. These revenues are projected to

decline for FY24 by -6.2% and total \$6.4M or 1.1% of the General Fund budget.

#### **Occupation Tax**

Occupation taxes are levied by the City for specific occupations when the City is the principal place of business for the occupation. The first type of occupation tax is on retail gasoline filling stations, retail diesel stations and retail oil stations and is a tax on each pump. The second type of occupation tax is on businesses or occupations related to alcoholic beverages. In FY24, marginal growth of 1% is anticipated with a budget of \$1.4 million which is less than 1% of the General Fund revenue budget.

#### Alcoholic Beverage Tax

The alcoholic beverage tax is a "sin" tax levied by the state with a percentage passed on to counties and municipalities based on their share of population. Alcohol tax collections are expected to generate \$2.0 million in FY24 or less than 1% of the General Fund revenue budget.

#### **GENERAL FUND - FRANCHISE FEES**

Franchise and Utility Fees are charged to public utilities for the use of public rights-of-way for their infrastructure. This category is the second largest within the General Fund accounting for \$55.4 million or 9.2% of the FY24 General Fund operating revenue budget. Three of largest remitters of franchise fees are Oklahoma Gas & Electric (OG&E) with FY24 estimated revenue of \$29.9 million, Oklahoma Natural Gas (ONG) at \$9.8 million and Cox Cable at \$4.4 million. OG&E and ONG are top 10 General Fund revenue sources and make up 6.6% of the operating budget. Other franchise fee remitters are the Oklahoma City Water Utilities Trust, smaller electrical companies or cooperatives, other telephone and cable television providers, and a steam and chilled water utility company.

#### **GENERAL FUND - LICENSES, PERMITS, AND FEES**

The Licenses, Permits, and Fees revenue comes from a variety of sources such as business licenses, fishing permits, building permits, and fees for becoming a pre-qualified contractor. The category represents \$14.8 million or 2.4% of the General Fund revenue budget. Building permits are a top 10 revenue source at a projected \$6.0 million or 1.0% of the budget. Overall, this category is projected to grow 3.4% in FY24.

#### **GENERAL FUND - SERVICE CHARGES**

Service Charges are based on the specific services provided and are generally paid on a per use basis with projections at \$44.1 million or 7.3% of the FY24 General Fund revenue budget.

#### **GENERAL FUND - FINES**

The Fines category is comprised of various fines and court fees that are processed by the City's Municipal Court. The City is one of two municipalities in the State of Oklahoma that has a Municipal Court of Record. The two largest revenue sources in this category are court cost fees and traffic fines. Until recently, both of these were top 10 General Fund revenues but have been declining in recent years due to fewer cases being filed with the court and implementation of criminal justice reform. Court cost fees remains a top 10 revenue source and is projected at \$6.0 million with flat growth for FY24. No longer a top 10 revenue source, traffic fines is projected at \$4.1 million with flat growth for FY24. The Fines category is \$12.0 million or 2.0% of the General Fund revenue budget.

#### **GENERAL FUND - OTHER**

This includes the smaller categories of revenue including Administrative Charges, Other Revenue, Transfers and Fund Balance and comprises \$36.9 million or 6.1% of the FY24 budget.

#### **Administrative Charges**

Administrative Charges are \$26.2 million or 4.3% of the FY24 General Fund revenue budget and are assessed to other City funds and entities for administrative services such as accounting, human resources, payroll, audit, and other functions provided by General Fund departments.

#### **Other Revenue**

Other Revenue includes the smaller sources such as interest, rebates, and royalties. The category is projected to have collections of \$10.6 million in FY24 or 1.8% of the General Fund revenue budget.

#### Transfers

Transfers are payments made to the General Fund from other City funds. The category can vary greatly from year to year depending on the status of projects. In FY24, the Transfers category is projected at \$63,552 and 1.1% growth. In total, the Transfers category makes up a marginal share of the General Fund revenue budget.

#### **Fund Balance**

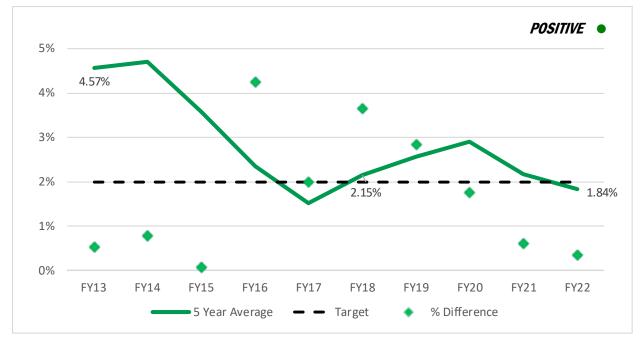

No fund balance is budgeted in FY24.

#### **GENERAL FUND HISTORICAL REVENUE SHORTFALL OR SURPLUS**

The chart on the following page illustrates the differences between General Fund revenue projections and revenues actually received each fiscal year. Significant continued variances in actual collections from projected amounts, whether it be shortfall or surplus, can be reason for concern. Either scenario could indicate a changing economy or inaccurate forecasting techniques. Additionally, credit rating organizations use this indicator to review the quality of financial management in a local government since variances between budget and actual results are considered indicative of management's financial planning capabilities. In February 2023, for the thirteenth year in a row, the City earned the highest bond ratings possible from two of the nation's most respected financial rating services. The City received a AAA rating from Standard & Poor's and a Aaa rating from Moody's Investor Service.

The average absolute value variance over the past 10 years was 1.7% which is within the City's stated goal of having revenues within 2% of projections. Over the last five years, the absolute value variance average improved to 1.8%. In FY11 and FY12, Oklahoma was coming out of a recession and rebounded stronger than expected with variances of 10.4% and 6.1%, respectively. In FY13, FY14, and FY15 revenue was within 1.0% of projections. In FY16, a contraction in the energy sector contributed to revenue collections missing projections by 4.3% and a prolonged weakened local economy that reflected inventory adjustments accounted for a shortfall of 2.0% in FY17. Back to back revenue declines are rare and the last time it occurred was more than 30 years ago. In FY18, revenues exceeded projections by 3.7% as the City once again recovered from an economic downtown stronger than projected. In FY19, General Fund revenue collections exceeded budget by 2.8% due to strong growth in Use Tax collections from online sales remitters and merchant wholesalers. At the end of FY20, the world experienced the COVID-19 pandemic which severely affected sales tax collections ending the

year at -1.8% lower than projected. Sales and use tax collections outpaced expectations in FY21 as a result of Federal stimulus money resulting in growth 0.6% higher than projected. More Federal stimulus money in FY22 fueled higher than expected sales tax receipts, although growth was only marginally higher than projections by 0.3%. The City continues to work with Dr. Russell Evans and Dr. Jacob Dearmon to refine forecast estimates and consistently project collections within 2% of budget. Keeping the variance to a minimum means services have not been unnecessarily reduced because of a

perceived shortage in revenue that did not occur, or that new services were established that could not be maintained because revenues failed to meet projections.

#### INTERNAL SERVICE FUNDS

Internal Service Funds are dedicated to departments that provide services to other City departments and revenue is generated by charging departments for those services. Most of the charges are set at the beginning of each year based on past usage. Some exceptions are fuel, postage, and color printing which are charged to departments based on current usage and prices. The individual Internal Service Funds are Information Technology, Risk Management in the Finance Department, the Print Shop in the City Manager's Office, and Fleet Services in the General Services Department. Internal Service Funds have a FY24 budget of \$83.7 million, which is a 21.0% increase compared to the FY23 adopted budget. Major changes to each internal service fund are summarized in the department section of the budget book. Internal Service funds combined are 4.4% of the \$1.9 billion FY24 budget.

#### SPECIAL REVENUE OPERATING FUNDS

Special Revenue Funds have a revenue source or sources that are dedicated to a specific purpose.

#### Police, Fire and Zoo Sales Tax Funds

The Police, Fire and Zoo Sales Tax Funds are supported by dedicated portions of the City's sales tax

collections. In each of these funds, the forecast for sales tax revenue growth is 1.5%; this is the same rate of growth as projected for sales tax in the General Fund.

#### **Court Administration and Training Fund**

The Court Administration and Training Fund is made up of revenue from state mandated fees that the City is allowed to retain to train Court, Police, and Legal staff. The Court Administration and Training Fund budget is one of the smallest operating fund budgets at \$127,000 in FY24.

#### **Emergency Management Fund**

The Emergency Management Fund supports the E-911 system for Oklahoma City and is budgeted at \$10.5 million in FY24, which is an 3.5% increase over from the FY23 adopted budget. The fund is supported by tariffs on both cell phone and traditional telephone lines that are assessed on each user. Even with the addition of cell phone tariff revenue, the General Fund is still expected to support E-911 operations through a transfer of \$3.1 million in FY24.

#### Hotel/Motel Tax Operating Fund

The Hotel/Motel Tax Fund FY24 budget is \$32.3 million and is supported by a 5.5% hotel occupancy tax. This fund is divided between operating activities (\$14.7 million) dedicated to the promotion of special events, convention and tourism development; and non-operating activities (\$17.5 million) dedicated to capital projects at the State Fairgrounds. Overall operating revenue from the Hotel/Motel Tax fund is projected have marginal 0.1% growth compared to FY23 adopted budget due to an anticipated increase in incentive funds offered by the State of Oklahoma for hosting quality events within the city.

#### **MAPS 3 Use Tax Operating Fund**

The MAPS 3 Use Tax Fund was supported by a temporary 1% Use Tax adopted after the MAPS 3 Sales Tax was approved. The Use Tax expired December 31, 2017. Through FY18, a portion of the MAPS 3 Use Tax was budgeted for public safety capital funding, which is included in the non-operating section. The remaining fund balance was used to support administration and oversight of the MAPS 3 projects and is budgeted in the operating fund. The FY24 budget is \$459,378, a -48.6% decrease from FY23 as fund balance from the expired tax is spent down.

#### MAPS 4 Use Tax Fund Program Operating Fund

The MAPS 4 Use Tax Program Operating Fund is supported by a temporary 1% Use Tax adopted after the MAPS 4 Program Fund was approved. It has both an operating and non-operating component and will primarily be used to fund the City's operating cost of administering the MAPS 4 projects, public safety capital improvement projects and equipment costs and capital costs associated with City-owned facilities. The MAPS 4 Use Tax Operating Fund is budgeted at \$17.6 million in FY24.

#### **Medical Service Program Fund**

The Medical Service Program Fund was created in FY10. This fund handles revenue and expenses associated with the Medical Service Program adopted by the City Council on December 8, 2008, which makes it possible for households to pay a monthly fee on their City utility bill in exchange for EMSACare benefits from the Emergency Medical Services Authority (EMSA). The FY24 budget is \$14.1

million, up 47.9% compared to FY23 due to new supplemental ambulatory services.

#### ENTERPRISE FUNDS

Enterprise Funds are supported by the revenue generated by operations in their specific areas. Enterprise Funds have been established for operations at the **Airports**, **Public Transportation and Parking, Stormwater Drainage Utility, and Utilities**. With the exception of Stormwater Drainage Utility, all of these funds have a public trust that oversees operations and receives all revenues. Revenues in each of the enterprise funds may be growing at a different rate than growth reflected in the City funds and each trust's revenue budget is individually based on customer rates and expected usage. The trusts generally make capital investments directly and then transfers funds to the City to support operations.

The one Enterprise Fund that is not supported by a trust is the **Stormwater Drainage Utility**. All revenue for stormwater drainage activities comes from a fee on all water utility bills based on the size of the water line. The Stormwater Drainage Utility Fund is the only Enterprise Fund to also have a capital component in the non-operating funds section.

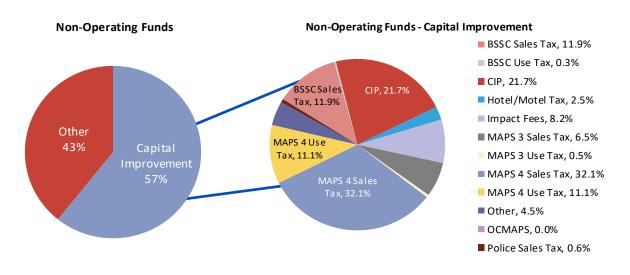

## **NON-OPERATING FUNDS**

As mentioned earlier, the City classifies its funds as either operating or non-operating. The distinction is that some funds and, in some cases, portions of funds directly support operations; and other funds provide for capital improvements or are so limited in their purpose that they do not support daily operations. This ensures significant changes in capital funding or other non-operating activities are not misinterpreted as a significant change in operational costs. In FY24, the budget for non-operating funds is \$1.1 billion, a 0.7% decrease from the FY23 adopted budget due to the Better Streets, Safer City and MAPS 3 programs ending. The non-operating budget is comprised of capital improvement funds and other non-operating funds such as debt service and grants. The Non-Operating Funds are 52% of the total FY24 \$1.9 billion budget.

#### **CAPITAL IMPROVEMENTS**

The majority of non-operating funds are for capital improvements and have a FY24 budget of \$687.7 million, a decrease of -6.6%. Many of the funds receive most of their revenue from other funds, such as the **Capital Improvement Projects (CIP) Fund**, the **Oklahoma City Tax Increment Financing (TIF)** Fund and the **Stormwater Drainage Utility Fund**. As such, the revenue projections for these funds are based on the level of transfer budgeted in the originating fund.

There are three Non-Operating Funds that are largely for capital improvement and are supported directly by taxes that will be in effect during FY24: the MAPS 4 Program Fund, the MAPS 4 Use Tax Fund, and the Hotel/Motel Tax Fund.

#### Better Streets, Safer City Sales Tax Fund

The Better Streets, Safer City Sales Tax fund was created in FY18 after voters passed a temporary, 27month, one-cent sales tax that went into effect on January 1, 2018. The tax ended March 31, 2020 with the last collection in May 2020. The FY24 budget is \$83.1 million, with fund balance as the predominant revenue source.

#### Better Streets, Safer City Use Tax Fund

The Better Streets, Safer City Use Tax fund was established at the same time as the Sales Tax Fund and was a temporary, 27-month, one-cent use tax that ended on March 31, 2020. The tax is primarily used to fund public safety fleet and equipment replacements. The FY24 budget is \$2.3 billion, with the predominant revenue source being fund balance.

#### Hotel/Motel Tax Non-Operating Fund

The Hotel/Motel Tax fund supports three distinct purposes: convention and tourism development, promotions for specific events, and capital improvements at the State Fairgrounds. It is this last capital portion of the Hotel/Motel Tax that is classified as non-operating. Overall non-operating revenue from the Hotel/Motel Tax fund is projected have 20.1% growth compared to the FY23 adopted budget due to the carry over of fund balance from FY23.

#### **Impact Fee Fund**

The Impact Fee fund was established in 2017 to collect fees from developers related to new construction. The fees are then used by the City for capital improvements to infrastructure to serve the same service area as the new construction. The FY24 budget is \$57.6 million, which is an increase of 12.6% over the FY23 adopted budget. The increase is due to the carry over of fund balance from FY23.

#### **MAPS 3 Sales Tax Fund**

The MAPS 3 Use Tax fund was created after voters passed the MAPS 3 initiative on December 8, 2009. The one percent sales tax went into effect on April 1, 2010 and expired December 31, 2017. The tax funds eight distinct capital projects. The FY23 budget is \$45.7 million and is primarily made up of fund balance that will be used to finish construction on the remaining MAPS 3 projects not yet completed.

#### MAPS 3 Use Tax Non-Operating Fund

The non-operating portion of the MAPS 3 Use Tax fund is used for public safety capital and equipment replacement. The FY23 non-operating budget, comprised of fund balance and interest, is \$3.5 million, a -0.7% decrease from the FY23 adopted budget. The remaining balance will be transferred to the MAPS 3 operating fund for operations or used for public safety capital. Much of the public safety capital budget has already been transitioned to the MAPS 4 Use Tax fund.

#### MAPS 4 Program Fund

The MAPS 4 Program fund was created after voters passed the MAPS 4 Sales Tax in December 2019 and became effective on April 1, 2020. It is an 8-year one-cent sales tax that extended the current 4.125% sales tax rate after the Better Streets, Safer City Sales Tax expired. The revenues will initially be deposited in the General Fund and then transferred to the MAPS 4 Program Fund to be used for 16 distinct capital and quality-of-life projects. The FY23 budget of \$225.3 million is comprised of a General Fund transfer of \$145.8 million and fund balance usage of \$79.6 million.

#### MAPS 4 Use Tax Non-Operating Fund

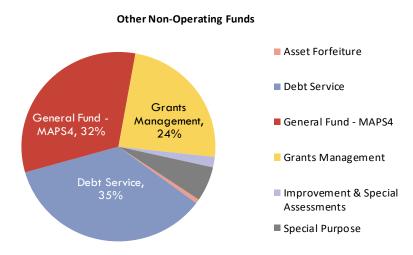

The MAPS 4 Use Tax fund was established at the same time as the MAPS 4 Program Fund and is also a temporary, 8-year one-cent use tax that will primarily be used to fund the City's operating cost of

administering the MAPS 4 projects, public safety capital improvement projects, and equipment and capital costs associated with City-owned facilities. These final two uses are funded through the non-operating portion of the fund. The FY24 budget for the non-operating portion is \$77.7 million, a 36.7% increase from the FY23 adopted budget due to increased use of fund balance.

Several Funds have fund balance as their primary source of revenue and the projects they support are winding down or do not currently require major capital investment. They are the **City and Schools Capital Use Tax, MAPS Operations Fund, MAPS Sales Tax Fund, OCMAPS Sales Tax Fund, Oklahoma City Sports Facilities Improvement Sales Tax Fund, Oklahoma City Sports Facilities Improvement Sales Tax Fund, Oklahoma City Sports Facilities Improvement Use Tax Fund, Police and Fire Capital Equipment Sales Tax Fund, Police Sales Tax Capital Fund,** and the **Street and Alley Fund**. The revenue budgets for FY24 for each of these funds are based primarily on the level of projected fund balance remaining at the end of FY23.

#### **OTHER NON-OPERATING FUNDS**

The Other Non-Operating Funds are budgeted at \$452.8 million in FY24, a 10.0% increase, largely due to an increase in the Debt Service fund. Most of the funds in this category are so limited in their purpose that they do not support daily operations and typically have a stream of revenue from an outside source or another fund in addition to a significant fund balance. In these cases, the non-operating fund is serving to accumulate revenue for a specific purpose. Funds that fall into this category include the Asset Forfeiture Fund, Debt Service Fund, General Fund MAPS 4 Sales Tax, Grants Management Fund, Oklahoma City Improvement and Special Services Assessment District Fund, and the Special Purpose Fund

#### **Debt Service Fund**

The Debt Service fund is the largest fund in the Other Non-Operating category at \$160.6 million or 35.5% of the category. It is supported directly by property taxes that will be in effect during FY23. Overall, the budget increased 27.6% in FY24 due to an increase in ad valorem property taxes.

#### **Oklahoma City Improvement and Special Services Assessment District Fund**

Although not technically supported by a tax, the assessments that support the Oklahoma City Improvement and Special Services Assessment District funds operate much like a tax. These funds are comprised of six Business Improvement Districts (BID) (Downtown, Stockyards, Western Avenue, Capitol Hill, Uptown 23rd and Adventure District) and the Special Assessment Districts fund. Each of these districts has petitioned the City to enact assessments on property owners in the districts to support improvements and services above what is provided by the City. The City collects the assessments and contracts with an outside entity to provide the services or improvements. As such, the City acts as a conduit for these funds and they are characterized as non-operating funds. The anticipated revenue is based on the assessments which are reviewed each year and amended based on needs. The FY24 budget of \$8.0 million is a 16.6% increase due to an increase in assessments.

#### **Grants Fund**

The Grants fund is included in the budget book to provide a more accurate picture of the City's financial situation and to comply with the requirements of the Municipal Budget Act. The amounts shown as revenue in these funds are estimates of grant awards based on the best judgment of the departments that utilize grants funding. The Grants Fund is classified as non-operating because the activities supported by grants would typically not be provided without the grant funding. The FY24 budget is decreasing -7.5% to \$108.4 million due to the completion of the CARES Act, and Emergency Rental Assistance 1 and 2 grants.

#### **Special Purpose Fund**

The Special Purpose fund is used primarily for donations to the City. The FY24 budget is \$26.8 million, an increase of 8.4%.

#### **General Fund MAPS 4 Sales Tax Fund**

The General Fund MAPS 4 Sales Tax fund is a non-operating fund that was established in the General Fund after voters passed the MAPS 4 Sales Tax in December 2019 and it became effective on April 1, 2020. It is an 8-year one-cent sales tax that extended the current 4.125% sales tax rate after Better Streets, Safer City expired. Revenues will initially be deposited in the General Fund and then transferred to the MAPS 4 Program Fund to be used for capital projects. The Fund is expected to generate \$1.1 billion over the eight years and will be used for 16 capital and quality-of-life projects such as a new family justice center, youth centers, senior wellness centers, a multi-purpose stadium, transit system improvements, a civil rights center, among other projects. The fund is the second largest of the Other Non-Operating Funds and has a FY24 budget of \$145.8 million or 32.2% of the category.

## **EXPENDITURE SUMMARY**

### THE OKLAHOMA MUNICIPAL BUDGET ACT GUIDES MUNICIPALITIES IN THE PREPARATION OF THEIR BUDGETS AND MANDATES CERTAIN REQUIREMENTS IN PRESENTING THE BUDGET.

The City of Oklahoma City diligently follows these requirements. Some of the requirements seem commonplace because we have been following these guidelines for years. For example, the budget contains actual revenues and expenses for the prior fiscal year, the revenue and expenditure budget for the current year, and estimated revenue and expenditures for the coming year. Another requirement is that all expenditures be "departmentalized" within each fund.

The budget is also divided between operating and non-operating expenditures. This division helps take out the significant fluctuations in capital and non-operating expenses that occur as a result of projects such as the MAPS 4 program. Most of the discussions about the budget focus on the operating portion of the budget because it allows for better year-to-year comparisons. The operating budget totals \$904,279,593.

#### **EXPENDITURE CATEGORIES**

One requirement of the Municipal Budget Act that drives the organization of the budget is that expenditures be classified into the following categories: Personal Services, Supplies, Other Services, Capital, Debt Service, and Transfers.

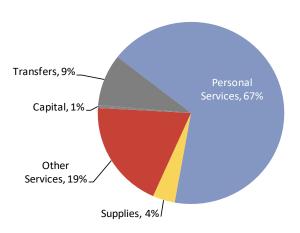

As shown in the chart below, Personal Services is the largest portion of the City's operating expenditures accounting for 67% of the total operating budget. Expenses like salaries, taxes, retirement benefits, and insurance make up the majority of operating costs because City services are labor-intensive and closely tied to the employees who carry out the various functions of the City.

The second largest area of operating expenditures is Other Services at 19% of the operating budget. These expenses include contracts for service, utilities and chargebacks for internal services (Information Technology, Fleet Services, Print Shop, and Risk Management). Other Services is also the category

where contingency is budgeted in each fund, as well as payments from City funds to City trusts such as the General Fund payment to the Central Oklahoma Transportation and Parking Authority. Supplies, at 4% of the operating budget, make up a relatively small percentage of the total and include items as varied as paper and pencils to asphalt and ammunition.

Capital outlay makes up an even smaller percentage of the operating budget at 1% of the total. Most of the capital expenses of the City are reflected in the non-

operating portion of the budget. For purposes of the graph, debt service expenses related to General Obligation (GO) bond issuance costs are included in the capital category. Within the operating expenditure budget, the only debt service expenses are the fees paid related to the issuance of GO bonds. The Transfers category makes up 9% of the budget and includes transfers from operating funds to non-operating funds and City Trusts. One significant transfer is from the General Fund to the Capital Improvement Fund. Although the Municipal Budget Act classifies this expenditure as a transfer, the end result is capital investment.

### **EXPENDITURES BY FUNCTION**

Another way of looking at the City's budget is to consider the service or function being provided. There are four broad areas of service provided by the City. The first are the General Government functions. These include the City Manager's Office, the Office of Mayor and Council, the Municipal Counselor's Office, the City Auditor's Office, the City Clerk's Office, Finance, Human Resources, and General Services; and make up approximately 13% of the City's operating expenditures.

The next function of city government is Public Safety which includes Police, Fire, Animal Welfare and Municipal Courts. This function comprises 48% of the operating expenditure budget.

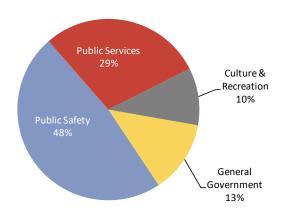

Public Services function includes Airports, Public Works, Development Services, Planning, Public Transportation and Parking, and Utilities. These departments total 29% of the operating expenditure budget.

The Culture and Recreation function includes Parks and Recreation, the Zoo Sales Tax Fund, OCMAPS, MAPS 4 and the Hotel/Motel Tax Special Revenue Fund; and makes up 10% of the operating expenditure budget.

The General Fund contains the Non-Departmental function, which organizes various citywide expenses and certain transfers that do not fit within another City department. These expenses were included in each of the four categories where the expense could easily be categorized. For example, the funding for

audits of the City's finances was classified as a General Government expense, while the subsidy for the Paycom Center and Cox Center operations was classified as a Cultural expense. The expenses in Non-Departmental that could not be directly attributed to a single category, such as the retiree health insurance subsidy, were allocated to each category proportionally so the full operating budget is allocated to specific functions.

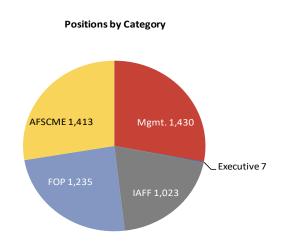

#### **BUDGETED POSITIONS**

The FY24 Budget contains authorization for 5,108 positions throughout the City. This is an increase of 119 positions (2.4%) from the FY23 adopted budget. The table on the following page shows the changes on a department-by-department basis.

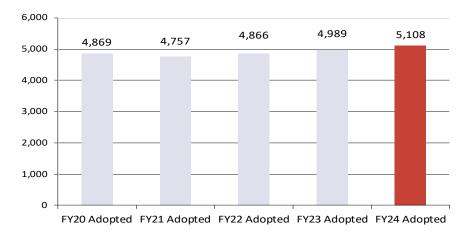

The City's workforce is comprised of five basic groups. The American Federation of State, County, and Municipal Employees (AFSCME) represent the general pay plan or non-management employees of the City. This is the largest group at 1,413 positions. The Fraternal Order of Police (FOP)

represents all sworn positions within the Police Department. The adopted budget includes 1,235 FOP positions.

The International Association of Firefighters (IAFF) represents all of the uniformed positions within the Fire Department. The adopted budget contains 1,023 uniformed Fire positions. Management includes employees on the Management, Auditors, and Legal pay plans. Each pay plan includes administrative support, professional, and managerial positions. In addition, those employees who report directly to the City Manager are included as Management. This group totals 1,430 positions in the adopted budget.

The executive category includes only positions that report directly to City Council: the City Manager, City Attorney, City Auditor and four Municipal Judges.

#### THE GENERAL FUND

The General Fund is the largest fund within the City budget and makes up \$604,329,755 of the City's total operating budget. The General Fund serves as the mechanism from which many of the core services of the City are primarily funded. The General Fund also has the most flexibility on how funds can be spent. The special revenue and enterprise funds, mostly operating funds, have specific purposes required for the expenditure of those funds. Within the General Fund, however, there is more latitude to direct the spending priorities of the City. Using the same functions that were defined before, the focus on Public Safety is even more pronounced in the General Fund as approximately 60.8% of the total budget is expended in this area.

Public Services is the second largest area of spending at 19.7%. However, its share of the General Fund is significantly smaller than in the operating budget because a large portion of Public Service funding comes from Enterprise Funds (such as Airports and Utilities).

General Government makes up 8.0% of the General Fund because general government functions, such as Finance and Human Resources, do not have a funding source outside the General Fund.

Culture and Recreation at 11.5% is a smaller portion of the General Fund than of the operating budget, as a whole, because major revenue sources for Culture and Recreation, such as MAPS 3, the Zoo Sales Tax and the Hotel/Motel Tax, are outside the General Fund.

A comparison of the General Fund Budget at the department level provides a useful comparison of how priorities are allocated and how the costs for providing services are changing relative to the other departments. The next page provides a breakdown of the General Fund budget by department.

Regular financial evaluations help ensure stability

Evaluating the City's financial condition on a regular basis can help ensure stability so that programs and services meet the community's needs. The Five-Year Financial Forecast is presented each February to the City Council and Mayor through a Council Workshop, to which the public and local media are invited. Although only a summary is provided here which focuses on the General Fund, the full forecast is available on the City's website at:

https://www.okc.gov/departments/finance/financial-and-budget-reports

#### PURPOSE OF LONG-RANGE FINANCIAL PLAN

The purpose of the Five-Year Financial Forecast is to evaluate the City's financial condition as it relates to meeting the community's needs for ongoing core and ancillary programs and services. Armed with factually accurate, timely, and objective information about the City's financial condition, elected officials can help ensure the stability of Oklahoma City's general and other municipal funds. With continued financial viability, the City can anticipate and meet community needs and enable additional economic diversification and growth for many years to come. With this in mind, the Five-Year Financial Forecast serves three purposes.

1. **Compliance.** Providing the forecast helps the City comply with city financial policies and practices designed to ensure the responsible utilization of public resources.

2. **Strategy.** The forecast provides the Mayor and City Council with information to formulate long-term strategies to ensure city services are available at a level appropriate to the actual needs of the community. Annual budgeting alone can fail to serve the long-term public interest if short-term priorities reduce resources that may be required to meet imminent needs that fall beyond the one-year budget scope.

3. Accountability. The forecast serves as a resource for the general citizenry and the business community by providing a snapshot of the City's current and projected financial well-being. It provides citizens and business leaders with an overview of the City's ability to meet community needs over time. This document also demonstrates the City's financial planning process and strengthens local government's accountability to the community.

By identifying long-term issues and assessing resources, the Five-Year Financial Forecast provides the Mayor and City Council with the necessary information to create continuity between annual budget cycles and long term needs of the City. The forecast is a valuable tool for identifying potential problems and for policy makers to incrementally address such problems in a manner that provides seamless continuation of core services.

#### **SUMMARY**

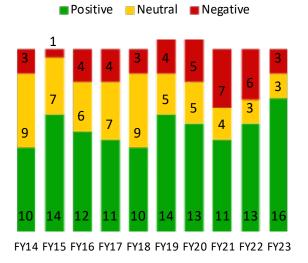

Overall, the City is in a strong position in Fiscal Year 2023 (FY23) on the back of historically high sales tax collections. Although growth is expected to diminish in the latter half of the fiscal year, General Fund revenue is expected to exceed projections and end the year at 7.7% growth over FY22 levels. The City has worked with Dr. Russell Evans, Partner and Chief Economist at the Thorberg Collectorate, to develop the economic outlook for the coming year. Dr. Evans' expectation for 2023 is at best a slow economic growth, with a real possibility of a mild recession surfacing at some point. Although the labor market and consumer spending have remained strong over recent months, both are beginning to show signs of weakness as unemployment has gradually risen and household net worth and savings have fallen. Although inflation has begun to moderate, household spending is unlikely to keep pace and the record high revenue growth the City has experienced in recent years from high sales and use tax collections can be expected to significantly diminish in the year ahead.

#### **FINANCIAL EVALUATION TOOLS**

In developing the five-year outlook, staff used two financial evaluations tools, the Financial Trend Monitoring System (FTMS) and forecast issues provided by department staff. FTMS is designed to give City leaders and residents a simple method for evaluating the City's financial condition on a year-to-year basis. Adapted from *Evaluating Financial Condition: A Handbook for Local Government*, published by the International City/ County Managers Association, this method identifies the trends in various financial and environmental areas and rates them as positive, neutral or negative. A final *"score"* can then be developed showing how many of the trends fall in each category. This system provides the City with a more comprehensive evaluation of financial condition rather than focusing on individual indicators, such as fund balance. The overall results of

the FTMS indicator ratings were 73% positive, 14% neutral and 14% negative which was an improvement from last year when 59% indicators trended positive. Key indicators that trended positive included revenue accuracy, hotel tax revenues, and fringe benefits. Before the COVID-19 pandemic in FY19, hotel tax grew 3.2% year-over-year, but then declined drastically by -20.7% in FY20 and -34.8% in FY21 due to the pandemic. Collections rebounded in FY22, increasing 40.6% year-over-year. In the past five years, hotel tax has grown 9.1% in nominal dollars, but decreased 4.4% in real dollars adjusted for inflation. Given the strong positive trend in nominal dollars and significant growth in real dollars over the last year, the indicator improved to a positive rating this year.

#### INDICATOR HISTORY

There were three indicators trending negative: percentage of General Fund revenues from sales tax, office vacancy rates, and active rotary rigs in Oklahoma. The City has grown more reliant on sales tax in recent years, and this trend was exacerbated over the past couple years by increased consumer spending in the wake of the COVID-19 pandemic and high price inflation. As a result, sales tax revenue made up 72% of General Fund revenues in FY22. Office vacancy rates in the Central Business District and citywide both grew at around 2% from mid-year 2021 to 2022 and it is evident that there is an oversup-ply of office space with 4.2 million square feet of vacant space. Oil prices began to rise sharply towards the end of 2021, and the number of active rigs rose 102% in 2022 off a 10 year low the previous year. Despite this recent growth, the number of active rigs has declined 56% over five years and 67% over ten years. Fortunately, the City's economy has become more diversified over the past few decades, expanding into other industries such as aerospace, professional services, leisure and hospitality, and retail, and is therefore more shielded from the adverse affects of the cyclical fluctuations of the oil and gas industry.

The second financial evaluation tool is forecast issues which provide an overview of major issues facing City departments. These identified issues provide an *"early warning system"* to the City Manager and City Council of significant items that are beyond the scope of the annual budget process. Strategies and priorities are set to address the issues over the long-term. A total of 50 issues were identified in the forecast with the seven most significant issues highlighted:

Capital Planning and Infrastructure Funding

The City supports a large network of infrastructure and many needs go un-addressed. The City faces increased pressure in funding capital needs due to various issues such as supply chain disruptions, inflation, and labor shortages.

Long-Term Water Issues

Issues include the construction of new water pipelines that will increase supply, increasing project costs and shortages of services and supplies, and staffing challenges with a higher than average vacancy rate in the Utilities Department.

Increasing Demand for Technology

The City continues to strive to provide highquality and efficient services to residents which requires a dedicated staff with high levels of skill. Staffing levels have not kept pace with increased demands and the current pay plan is not commensurate with industry competition.

**Community Policing** 

In 2020, the City established a Law Enforcement Task Force made up of community leaders from diverse backgrounds and a Community Policing Working Group made up of residents and City staff to study the City's policing programs and policies. A consultant provided 39 recommendations for policing improvements to the City.

Public Transportation System Improvements

Strategic investment is needed in transit planning, system and facility design, and environmental work to compete for federal funds made available through the Infrastructure Investment and Jobs Act (IIJA) •The resulting work will allow the City to compete for more federal funding to lessen the

Homelessness

The City launched several initiatives in 2022, including an employment program, A Better Way, that targets people who are panhandling; a Homeless Street Outreach program that coordinates with emergency responders and law enforcement on mental health responses; and a Youth Homelessness Demonstration program

Employee Recruitment, Engagement and Retention Strategies

The City has experienced difficulties in filling and retaining employees. While most City positions have increased in pay, there are many positions for which compensation is below market. Preliminary results from the Classification and Compensation Study will not be available until early 2023

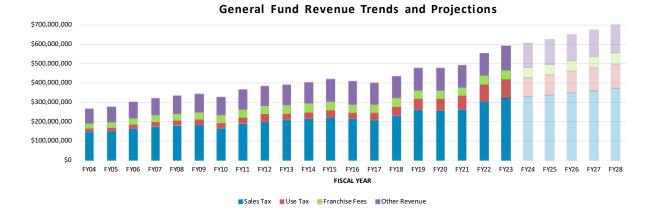

The forecast document contains in-depth descriptions along with possible direction or next steps to resolve the issues which include options such as negotiating agreements with private partners, rate adjustments, temporary sales and use taxes, new taxes or tax increases, user fees, facility charges, sponsorships, expanding the sales tax base, changing state law to allow property taxes to be used for municipal operations, commissioning studies, training, and exploring cost reductions.

The forecast also closed the communication loop on three previously identified issues that were resolved with successful outcomes including facility improvements to Fire Department facilities, the purchase of a central records facility for City Clerk, and the response to the COVID-19 pandemic.

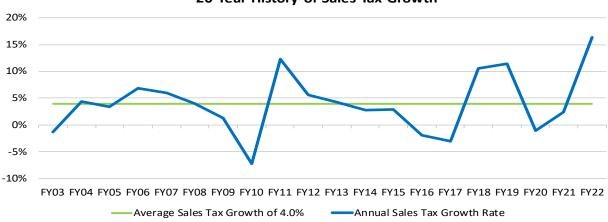

#### **GENERAL FUND IN-DEPTH**

The General Fund is the largest fund within the City and serves as the mechanism from which many of the core services are primarily funded.

**General Fund Revenue.** There are hundreds of individual revenue sources that contribute to the General Fund and therefore they are combined into similar categories for ease of discussion. When all of the categories are combined, the General Fund is expected to grow at an average of 3.4% per year over the next five years and reach \$698.8 million in FY28.

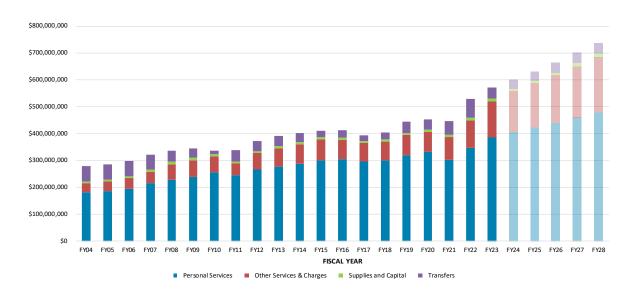

With the current revenue mix, sales tax accounts for more than half of General Fund revenue. Continued stability of the General Fund is contingent upon conservative financial management because sales tax revenue growth can be volatile as shown in the chart below.

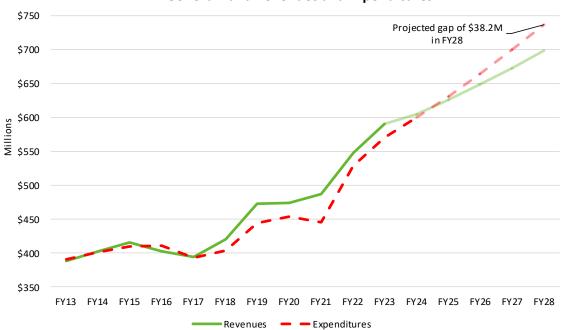

20-Year History of Sales Tax Growth

**General Fund Expenditures.** City expenditures encompass a variety of goods and services, including personal services, other services, supplies and capital, and transfers. Growth is due primarily to personal services expenditures, including salaries and benefits as full-time budgeted positions have grown by 674 or 15.6% over the last 20 years. Besides normal historical growth, additional capital, operating and/or maintenance costs were added, which include increases for pay plans and retirement funding, the implementation of Bus Rapid Transit, the subsidy to operate and maintain the Riversport facility, electricity and natural gas costs, and increases for providing risk management services to departments. Overall, General Fund expenditures are projected to have annual growth of 5.3% and reach \$737.0.2 million in FY28.

**General Fund Expense Trends and Projections** 

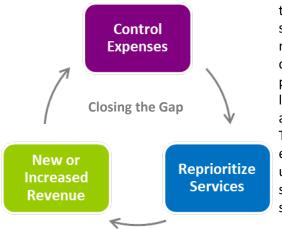

**Projected Revenue/Expenditure Gap.** Over the next five years, a gap between General Fund revenues and expenses is expected as new capital projects are completed and new services are implemented that require funds for annual operating and maintenance costs. The revenue growth projections reflect an average annual growth rate of 3.4%, while expenses were projected to grow at an average of 5.3% annually. Known increases to expenses, such as Bus Rapid Transit and the Riversport subsidy, were added to the projection. The imbalance in revenue and expenditure growth patterns means the General Fund has a projected gap of \$38.2 million by FY28.

#### **General Fund Revenues and Expenditures**

#### **GENERAL FUND OUTLOOK GOING FORWARD**

**Closing the Gap.** Historically, the City's financial forecasts have projected a revenue/expenditure gap. In order to close the gap and fund operations at a level desired by residents, revenue collections would need to increase through new revenue sources, an expanded sales tax base, and continued growth in the local economy. However, expenditure control is the area where the City has the most flexibility and the most power to close the gap. Since Personal Services are the majority of City costs, controlling the growth in this area will be key to maintaining financial balance. The most effective means to achieve a balance between controlling personnel costs while maintaining competitive salary and benefit packages for employees will be to limit salary and benefit growth to within the approximate growth rates of City revenues. Improved efficiency in operations is also an avenue for controlling expenditure growth. Tight budgets have necessitated that departments continually look for ways to do more with less, thereby driving many efficiency gains, but have resulted in some reductions in service levels in the past. Another option for the future is for City leaders to continue reprioritizing City services. Over

time, City needs and priorities change. Programs and services may be added or reduced based on community needs. Not every situation can be anticipated, but cyclical economic changes are to be expected over a long period of time. The City must continue to monitor legislation that can affect either revenues or expenditures and work to diversify Oklahoma City's revenue base. Through calculated, combined efforts, the City's projected General Fund financial gap can be addressed. Continued sound financial management will be the key to ensure the City will be able to live within available resources during the next few years.

## **READER'S GUIDE TO DEPARTMENT BUDGETS**

The **<u>READER'S GUIDE TO DEPARTMENT BUDGETS</u>** on the following pages offers a step-by-step guide for understanding the **<u>BUDGET PRESENTATION</u>**. All departments follow the Leading For Results budget model. The graphics and text in this section are designed to assist the reader in understanding the department budget format.

#### **DEPARTMENT NAME**

#### ORGANIZATIONAL CHART

This graphic represents the department's structure with Lines of Business being identified by boxes. Programs within the Line of Business are listed below the box and bulleted for easy identification.

Within each department is an Administrative Line of Business represented by the box containing the department name. The Executive Leadership Program within the Administrative Line of Business is standard across all City departments. The departments have the option of adding additional programs to the Administrative Line of Business such as Human Resources, Public Information, and Safety and Risk Management. Occasionally, a department will remove a non-applicable Program from the Administrative Line of Business or add a Program unique to their department.

#### MISSION STATEMENT

Each department develops a Mission Statement to clearly communicate the purpose of the department. The Mission Statement includes the results the department will achieve for its customers, the future direction of the department, and its commitment to public service.

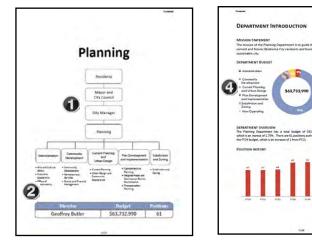

#### O DEPARTMENT BUDGET, OVERVIEW AND POSITION HISTORY

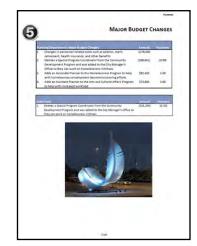

The Department Budget shows the budget by Line of Business to include any non-operating components of the budget, such as capital spending. The Department Overview is a quick snap shot of the current budget, how it changed since last fiscal year and any significant changes. The Position History is a five-year look at the number of positions in this department.

#### MAJOR BUDGET CHANGES

This is a summary of the department's major budget changes such as position changes, equipment purchases, or significant increases in fuel or utilities.

3

#### **O DEPARTMENT EXPENDITURES**

The first table lists the department's expenditures by Line of Business or purpose and the second table lists the expenditures by funding source.

#### **O** DEPARTMENT POSITIONS

The first table lists the department's positions by Line of Business or purpose and the second table lists the positions by funding source.

#### IINES OF BUSINESS

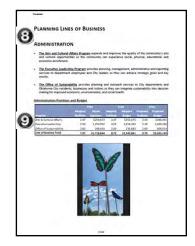

The detail for each Line of Business is included in the department's budget with the Purpose Statement for that particular Line of Business. Purpose Statements follow the same guideline as the department's Mission Statement and are designed to clearly communicate the purpose of the Line of Business including the results that will be achieved for customers.

#### PROGRAM POSITIONS AND BUDGET

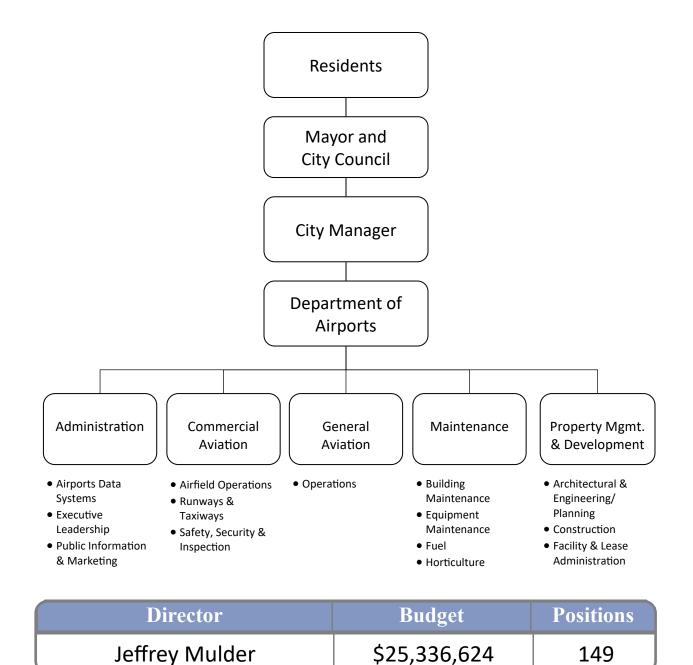

Program Positions and Budget shown in the last table provides the number of positions and operating budget by Program for each department's Line of Business section.

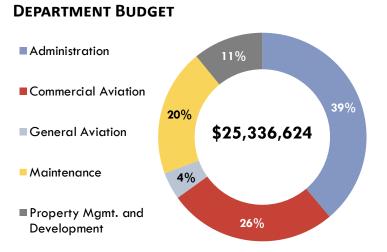

# Airports

# **DEPARTMENT INTRODUCTION**

#### **MISSION STATEMENT**

The mission of the Airports Department is to provide management, operations, and development of the City's three airports to tenants, users, and the general public so they can have a safe and efficient air transportation system.

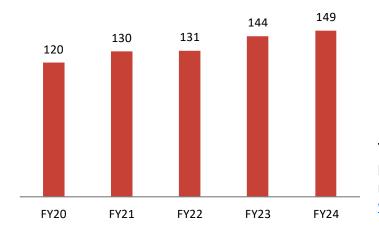

#### **DEPARTMENT OVERVIEW**

The Airports Department has a total budget of \$25,336,624, which is an increase of 11.47%. There are 149 positions authorized in the FY24 budget, which is an increase of five positions from FY23.

### **Department Facts**

- The Department operates three airports: Will Rogers World Airport (WRWA), Wiley Post Airport (WPA), and Clarence E. Page Airport (CEPA).
- In 2022 WRWA provided service to 2.0 million passengers.
- WRWA's two longest runways are 9,800 feet each; each runway is the equivalent of 27 football fields end-to-end.
- About 200 flights per day arrive and depart from WPA, the vast majority of which are transient.

#### **POSITION HISTORY**

To review performance information, please see the performance data report or visit our website: www.okc.gov/performancedata.

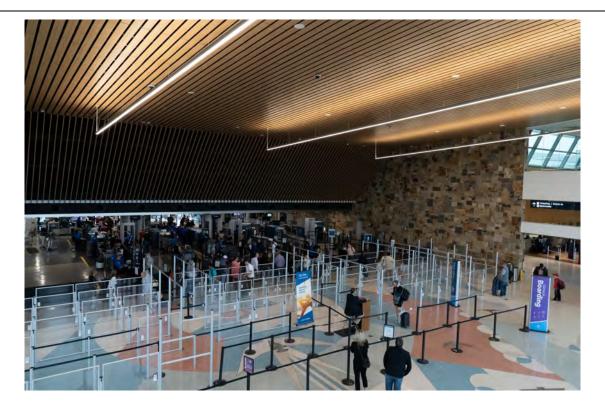

# **MAJOR BUDGET CHANGES**

# **AIRPORTS LINES OF BUSINESS**

## **ADMINISTRATION**

- <u>The Airport Data Systems Program</u> provides technology services to department employees, airport tenants, and the general public so they can have a safe, reliable, and informed airport experience.
- <u>The Executive Leadership Program</u> provides planning, management, administrative, and reporting services to department employees and City leaders so they can achieve strategic goals and key results.
- <u>The Public Information and Marketing Program</u> provides the users, tenants, and employees of the airport effective communication, promotions, advertising, and air service development so they can have the best overall airport experience.

## MAINTENANCE

- <u>The Building Maintenance Program</u> provides maintenance on airport buildings and facility maintenance on leased facilities to airport tenants and users so they can experience a clean, safe, comfortable, and operational work and travel environment.
- <u>The Equipment Maintenance Program</u> provides vehicle and equipment preventive maintenance and repair services to airport contractors and airport employees so they can have operable equipment needed to perform their duties in a timely manner.
- <u>The Fuel Program</u> provides fuel storage services to aircraft refueling tenants and City and contractor personnel so they can have quality fuel and fuel services.
- <u>The Horticulture Program</u> at Will Rogers World Airport provides maintenance of grounds, landscaping, center medians, and right-of-ways to customers and visitors so they can experience a safe, clean, aesthetically pleasing environment.

# **DEPARTMENT INTRODUCTION**

#### **MISSION STATEMENT**

The mission of the City Manager's Office\* is to provide leadership, management, information, and policy implementation to:

- Elected officials so they can make informed decisions;
- City departments so they can efficiently and effectively deliver services; and
- Residents so they can live, work, and play in a community known for its high quality of life.

\*For functional purposes, the Mayor, City Council, and City Manager Offices share a strategic plan. For budget purposes, they will remain separate entities.

#### DEPARTMENT BUDGET

#### **DEPARTMENT OVERVIEW**

The City Manager's Office has a total FY24 budget of \$312,199,787, a decrease of 13.39% from FY23. There are 56.40 authorized positions, an increase of 4 positions from FY23. On December 10, 2019, the voters of Oklahoma City approved a general purpose temporary sales tax in support of the MAPS 4 Program.

### **Department Facts**

- The City adopted a Council-Manager form of city government in 1927.
- The City Manager serves as the Chief Administrative Officer of the City and supervises nearly all branches of its government.
- The final MAPS 3 projects are scheduled to be completed in FY25.
- Nearly 60% of citizens are satisfied with the availability of information about City programs and services.

To review performance information, please see the performance data report or visit our website: <u>www.okc.gov/</u> <u>performancedata</u>.

## Finance

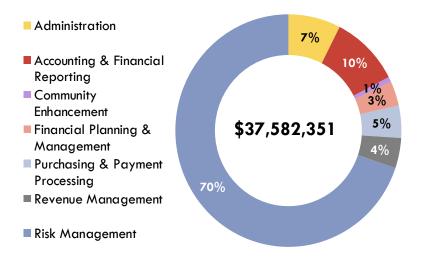

Director	Budget	Positions
Brent Bryant	\$37,582,351	91

## **DEPARTMENT INTRODUCTION**

#### **MISSION STATEMENT**

The mission of the Finance Department is to provide financial planning, management, and information to City departments, elected officials, and the public so they can make informed decisions and have confidence in the City's financial stewardship.

#### DEPARTMENT BUDGET

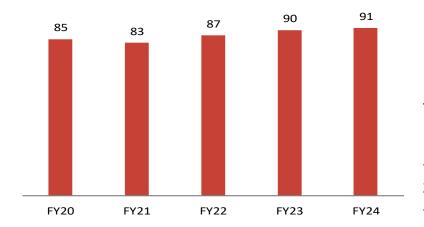

#### **DEPARTMENT OVERVIEW**

The Finance Department has a total budget of \$37,582,351, which is a increase of 25.29% from the prior year. There are 91 positions authorized in the FY24 budget, which is an increase of one position from the FY23 budget.

## Department Facts

- The City of Oklahoma City earned AAA ratings, the highest rating to receive from both S&P and Moody's, for the 15th year in a row.
- The Finance Department conducts financial management, budgeting, expending, investing, and reporting for a budget over \$1.8 billion.
- On average, over 6,300 vendor payments are processed per month.

#### Oklahoma City receives Aaa bond rating from Moody's and AAA from S&P

Post Date: 03/14/2023 8:21 AM

<u>Moody's Investors Service</u> and <u>S&P Global Ratings</u> have each affirmed the <u>City</u> <u>of Oklahoma City</u>'s high bond rating with a stable long-term outlook.

Moody's affirmed the City's Aaa rating and stable outlook in a <u>March 9, 2023,</u> <u>report</u> and S&P affirmed its AAA rating in a <u>Feb. 28, 2023, report</u>. The triple-A ratings are the highest awarded by each agency. It's the 15<sup>th</sup> year in a row OKC achieved the highest rating.

"Our Aaa and AAA ratings are the result of longstanding conservative financial management combined with a growing and diversified economy, strong financial policies, robust budgetary performance and solid debt and contingent liability position," said Finance Director Brent Bryant.

# **COUNCIL STRATEGIC PRIORITIES**

City Council has established Strategic Priorities for addressing critical issues facing the City. These priorities provide guidance for the organization as the budget is developed. The following are the Council Priorities adopted by the City Council in 2017; more detail can be found beginning on page A-13.

Our priorities are grounded in the lessons of the City's history and the values of inclusiveness, mutual respect and self-reliance that are the hallmarks of our future. We will be responsive to our residents' needs as we address these priorities and continue to deliver what we promise. Our focus is to improve the quality of life for every Oklahoma City resident.

Promote safe, secure, and thriving neighborhoods

Develop a transportation system that works for all residents

Maintain Strong Financial Management

Enhance recreation opportunities and community wellness

Encourage a robust local economy

Uphold high standards for all City services

Continue to pursue social and criminal justice initiatives

## **GROUNDS MANAGEMENT**

- <u>The Equipment Repair Program</u> provides equipment repair and maintenance services for Parks and Recreation Department personnel so they can have safe and operational equipment to complete their work efficiently. This program moved to the Grounds Maintenance Program in FY22.
- <u>The Grounds Maintenance Program</u> provides turf management and amenity maintenance services to City parks, medians, and the public rights-of way so the community can enjoy well-maintained recreational areas and streetscapes.
- <u>The Parks Athletic Fields Program</u> provides well-maintained recreational and competitive outdoor sporting areas and tournament level athletic fields to participants and spectators so they can have safe and quality athletic fields.
- <u>The Park Events Program</u> plans for and facilitates the use of public parks and facilities for public and private events and encourages partnerships that benefit the park system and community so the Park Event participants can enjoy safe, quality cultural and recreation events.
- <u>The Traffic Hazard Abatement Program</u> abates nuisances and traffic hazards caused by vegetation along City streets so the public can travel safely throughout Oklahoma City.
- <u>The Urban Forestry Services Program</u> manages and maintains a healthy diverse tree population in City parks and public areas so the community can enjoy the environmental and beautification benefits that trees provide.

#### **Grounds Management Positions and Budget**

\*In its most recent Business Plan update, the department merged its Equipment Repair Program into Grounds Maintenance Program

## **NATURAL RESOURCES**

- <u>The Bricktown Canal and Field Horticulture Program</u> provides maintenance and enhancements of landscaping in public areas, parks, medians, and City street rights-of-way, so the public can enjoy attractive, well-maintained landscapes.
- <u>The Fisheries Management Program</u> provides recreational sport fishing opportunities and education to anglers so they can fish for well-stocked and healthy fish populations within a major urban area.
- <u>The Martin Park Nature Center Program</u> provides a variety of nature experiences, environmental education programs and recreational services to the public so they can enjoy a well maintained and accessible nature park within Oklahoma City.
- <u>The Will Rogers Gardens Program</u> provides a well-maintained and managed horticulture education center and private event rental facility to the public so they can experience decorative landscapes, specialty gardens, conservatory, arboretum and attend educational gardening programs for an enhanced quality of life.

# Police

## **DEPARTMENT INTRODUCTION**

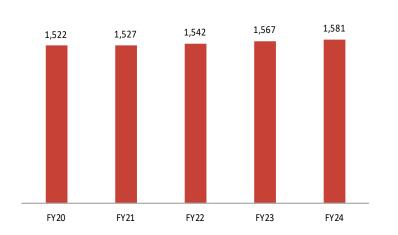

### **MISSION STATEMENT**

The mission of the Oklahoma City Police Department is to deliver exceptional police services to our community with integrity, compassion, accountability, respect and equity.

## **DEPARTMENT OVERVIEW**

The Police Department has a total budget of \$268,365,566, which is an increase of 2.64%. There are 1,581 positions authorized in the FY24 budget, an increase of 14 positions over the FY23 budget.

## **POSITION HISTORY**

## **Department Facts**

- In 2023, OCPD adopted and unveiled Louisiana State University's LASER (Law Enforcement Active Shooter Emergency Response) training. Various OCPD instructors were certified as LASER instructors and trained all OCPD sworn personnel to include police recruits.
- In FY 2023, the MAGNUSWorx Peak Performance and Wellness Application was purchased for Police Department employees. The application services employees wellness needs including mental health, physical fitness, and other domains of wellness.
- In FY 2023 the Leadership, Ethics, Accountability, and Development (L.E.A.D.) program held four-day schools designed to develop peer-topeer and supervisory leadership skills through class discussion, instruction, group activities, and a class project.

# **Public Transportation**

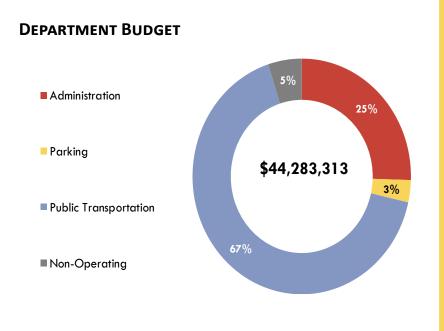

Director	Budget	Positions
Jason Ferbrache	\$44,283,313	50

# **DEPARTMENT INTRODUCTION**

### **MISSION STATEMENT**

EMBARK'S mission is to be a self-sustaining transportation network that removes barriers of location and socioeconomic status, while elevating the status and use of transportation, so all of central Oklahoma can safely and quickly reach their destination.

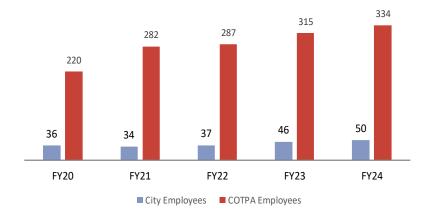

### **DEPARTMENT OVERVIEW**

The Public Transportation and Parking Department has a total budget of \$44,283,313, which is an increase of 39.49%. There are 50 City positions authorized in the FY24 budget, which is an increase of four positions from FY23.

## **Department Facts**

- In FY22, over 2.6 million passenger trips were provided through the EMBARK family of transit services
- The City of Oklahoma City has 5,506 off-street parking spaces and 1,300 on-street parking spaces available
- In FY23, the OKC streetcar surpassed 1 million passenger trips since opening for service in December of 2018.
- In FY22, EMBARK completed the OKC Moves bus study, establishing a series of strategic, incremental improvements to the EMBARK bus system

### **POSITION HISTORY**

To review performance information, please see the performance data report or visit our website: <u>www.okc.gov/performancedata</u>.

## PUBLIC TRANSPORTATION

- <u>The Bus Operations Program</u> provides bus transportation to residents and visitors in the greater Oklahoma City metropolitan area so they can travel in a convenient, affordable, safe, and customer -friendly environment.
- <u>The Bus Rapid Transit Program</u> provides a premium rapid transit service to residents and visitors in the greater Oklahoma City area through faster and more frequent service with enhanced vehicles, stations and passenger amenities
- <u>The Bus Stop Management Program</u> provides bus stop maintenance and enhancement for residents and visitors of the greater Oklahoma City metropolitan area so they can experience safe, accessible, and convenient bus stops.
- <u>The Embark Norman Program</u> provides fixed-route bus and ADA paratransit transportation to the residents and visitors in the Norman area so they can travel in a convenient, affordable, safe, and customer-friendly environment. This service is made possible through an intergovernmental agreement between EMBARK and the City of Norman.
- <u>The EMBARK Plus Paratransit Program</u> provides paratransit services to eligible individuals with a disability who are unable to use regular fixed-route service independently so they can have safe, reliable, and customer-friendly transportation to access employment, health care, nutritional programs, recreation, and other destinations that are within the service area.
- <u>The Facilities Management Program</u> provides facility and grounds maintenance and repair services for residents, visitors, and employees so they can conduct their business in a safe environment that is accessible, clean, and comfortable.
- <u>The Fleet Management Program</u> provides vehicle maintenance and repair services for customers that utilize the transit system so they can receive transportation services in a safe, clean, comfortable, and dependable vehicle.
- <u>The Mobility Management Program</u> provides a variety of contracted, reservation-based transportation services to qualified residents with limited options in the greater Oklahoma City metropolitan area so they can have access to essential services.
- <u>The Oklahoma River Cruises Program</u> provides river transportation services to residents and visitors in the greater Oklahoma City area so they can travel along the Oklahoma River in a safe, customer-friendly environment.
- <u>The Spokies Bike Share Program</u> provides an alternate transit option for residents and visitors of Oklahoma City so they can use bicycles that provide health benefits and contribute to a cleaner environment.

• <u>The Streetcar Program</u> provides a downtown public streetcar system for Oklahoma City residents, businesses, and visitors so they can travel in a convenient, affordable, safe, and customer-friendly environment.

# Utilities

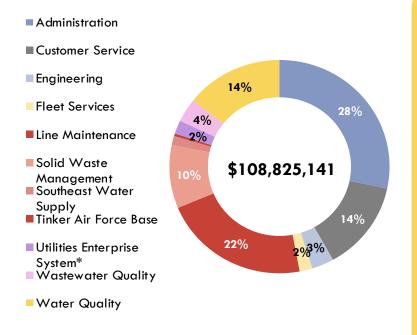

Director	Budget	Positions
Chris Browning	\$108,825,141	825

## **DEPARTMENT INTRODUCTION**

### **MISSION STATEMENT**

The mission of the Utilities Department is to provide water, wastewater, and solid waste services to metro area residents, businesses, and other communities so they can enjoy public health protection through safe drinking water and environmentally safe waste disposal.

## DEPARTMENT BUDGET

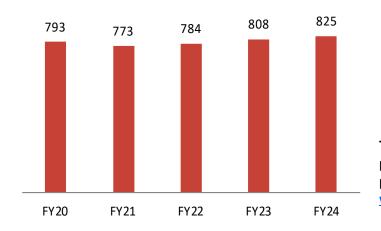

## **Department Facts**

- The Utilities Department operates on rate-payer funds, that is money received when utility bills are paid.
- The Utilities Department serves 1.4 million people.
- Pumped 35.6 billion gallons of water and treated 22.2 billion gallons of wastewater.
- Sold 2.4 billion gallons of reuse water.
- Recycling program diverted 16,703 tons of waste from landfills in FY22.

## DEPARTMENT OVERVIEW

The Utilities Department has a total budget of \$108,825,141,

which is an decrease of 16.22%. There are 825 positions authorized in the FY24 budget, an increase of 17 positions over the FY23 budget.

### ENGINEERING

- <u>The Asset Management Program</u> provides management the most cost effective and efficient manner to maintain the Utilities infrastructure, so ratepayers can maintain low rates.
- <u>The Development and Records Program</u> provides water and wastewater plan review, information requests, and record services to the public so they can effectively and timely implement private improvements to the utility system.
- <u>The Engineering Management Program</u> provides water and wastewater improvement design oversight, review, and project management services to individuals, businesses, and communities so they can have funded capital improvement projects completed in a timely manner.

### SOLID WASTE MANAGEMENT

- <u>The Bulk Waste Collection Program</u> provides bulk solid waste removal services to Oklahoma City residents so they can have their bulk waste disposed of in a satisfactory manner.
- <u>The Environmental Clean-Up Program</u> provides litter and illegal dumping removal services to Oklahoma City residents and visitors so they can enjoy a clean, healthy environment.
- <u>The Solid Waste Collection Program</u> provides solid waste removal, transport and disposal services to Oklahoma City residents and businesses so they can have their refuse collected and disposed of in a satisfactory and environmentally safe manner on a weekly basis.
- <u>The Solid Waste Recycling Program</u> provides recycling services to Oklahoma City residents so they can have their recycling collected and disposed of in a satisfactory and environmentally safe manner.

# Zoo

<b>Executive Director / CEO</b>	Budget
Dr. Dwight Lawson	\$19,087,397

### **DEPARTMENT INTRODUCTION**

The Oklahoma City Zoo budget is managed and positions are funded through the Oklahoma City Zoological Trust.

On July 17, 1990, the Oklahoma City voters approved a one-eighth cent sales tax levy for the limited purpose of funding the Oklahoma City Zoo and Botanical Garden. The Oklahoma City Zoo Sales Tax Fund was created to collect all revenues pursuant to the Zoo tax levy. The ordinance provides that Zoo Sales Tax funds will only be used for the establishment, maintenance, replacement, and expansion of zoological parks, gardens, and entertainment facilities; the acquisition, maintenance, and replacement of real property, personal property, and buildings; the operational expenses, education research and program expenses, conservation program expenses, and all other expenses deemed necessary or advisable by the Oklahoma City Zoological Trust in connection with the operation of the Oklahoma City Zoo. The Oklahoma City Zoological Trust is a public trust of which the City of Oklahoma City is the sole beneficiary. The Trust operates the Oklahoma City Zoo under a lease and operating agreement with the City.

### **Department Facts**

- Oklahoma City Zoo and Botanical Garden is Oklahoma's premier destination for connecting people to wildlife and wild places to inspire conservation action. In 2022, the Zoo connected guests to its animals, expert caretakers and conservation initiatives through events such as Brick-Live, Sip and Stroll, SAFARI LIGHTS and more. More than 167,000 visitors, 3 and up, received free or discounted admission in 2022 through one of many programs and partnerships designed to make the Zoo as accessible as possible for all Oklahomans
- Construction continues for Expedition Africa, the Zoo's latest and largest habitat expansion project to date. Slated to open in spring 2023, the new 13-acre project will provide guests with more immersive wildlife experiences and larger habitats for animals native to the African continent including giraffe, zebra, wildebeest, ostrich, meerkats, African painted dog, cheetah, lemurs, honey badger and more

### **EXPENDITURES**

Summary of	FY22	FY23	FY24	Percent
Expenditures by Funding Source	Actual	Adopted Budget	Adopted Budget	Change
Zoo Sales Tax Fund	\$16,789,381	\$16,757,366	\$19,087,397	13.90%
Fund Total	\$16,789,381	\$16,757,366	\$19,087,397	13.90%

### **OVERVIEW OF FUND SUMMARIES**

### THE BUDGET IS COMPRISED OF 36 DIFFERENT FUNDS THAT SEGREGATE FINANCES FOR THE PURPOSE OF CARRYING ON SPECIFIC ACTIVITIES OR ATTAINING CERTAIN OBJECTIVES. THE FUND SUMMARIES ARE THE OFFICIAL BUDGET THAT IS ADOPTED BY COUNCIL AND FILED WITH THE OFFICE OF THE STATE AUDITOR AND INSPECTOR.

In accordance with the Oklahoma Municipal Budget Act, The City of Oklahoma City has established different funds to meet legal and operating requirements. The City classifies its funds as either operating or non-operating. The distinction is between those funds, and in some cases portions of funds, that directly support operations and those funds that provide for capital improvements or are so limited in their purpose that they cannot be said to support daily operations. This allows decision-makers to segregate operating costs from the total cost for the organization so that significant changes in capital funding are not misinterpreted as a significant change in operational costs.

Within the operating funds there are three basic categories of funds – General Operating, Special Revenue and Enterprise. The General Operating Funds include the General Fund, which accounts for all monies received and disbursed for general municipal government purposes, and the Internal Service Fund, which accounts for the financing of goods or services provided by one City department to another department on a cost reimbursement basis.

Special Revenue Funds account for proceeds of specific revenue sources that are restricted by law to expenditures for specified purposes.

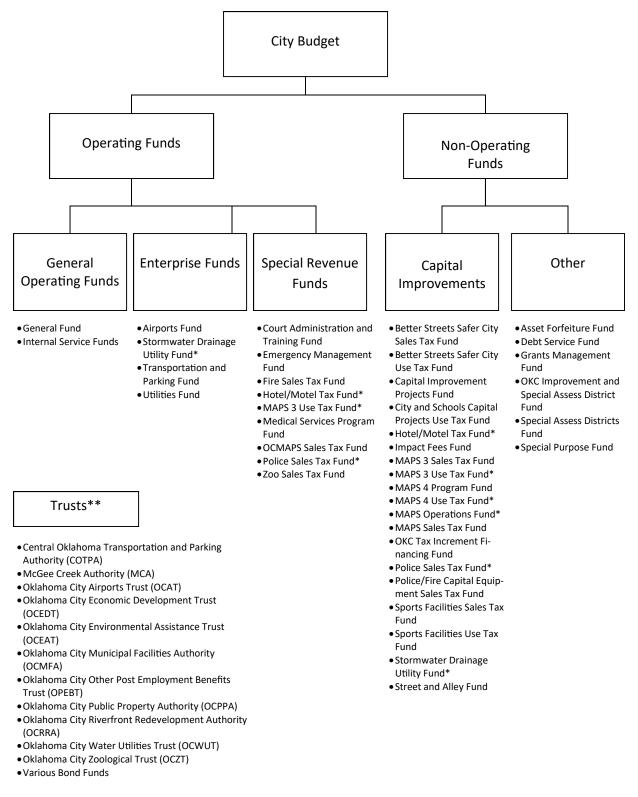

Enterprise Funds account for utility, enterprise, and other services where the costs are financed primarily through user charges or where there is a periodic need to determine revenues earned, expenses incurred or net income for a service or program.

In the Non-Operating Funds, we have developed only two categories: Capital and Other. The Capital Funds are almost all special revenue funds dedicated to specific capital projects. The Other Funds category includes several funds with rather unique characteristics.

The diagram on the following page categorizes each of the City's funds. The fund summaries on the subsequent pages are listed in alphabetical order for ease of reference.

EACH OF THE FUND SUMMARIES	General Fund - Operating Historical and Projected Expenditures
DEPARTMENT EXPENSES BY ACCOUNT	\$700,000,000 -
CLASS, AND FUND BALANCE. ADDITIONALLY, A DESCRIPTION OF THE FUND IS PROVIDED ALONG WITH	\$500,000,000 - \$400,000,000 - \$300,000,000 -

Utilities Fund	6,141,450	107,625,141	108,825,141	4,941,450	(1,200,000)	-19.54% (e)
Zoo Sales Tax Fund	0	19,087,397	19,087,397	0	0	N/A (h)

(a) Use of fund balance is budgeted for one time uses. Unbudgeted fund balance remains within acceptable range per policy.

(b) The primary expenditures of this fund are capital in nature and the intent is to spend all funds for these purposes.

(c) This is a limited purpose fund. All fund balance is budgeted in compliance with the limited purpose.

(d) This is a limited purpose, limited term fund. This fund will terminate when the purpose is fulfilled.

(e) This is an enterprise fund supported by operating transfers from a City trust. Enterprise reserves are held in the Trust.

(f) Reserves in this fund were or are being accumulated for significant capital projects that are now underway.

(g) Due to the fact that most grant funds operate on a reimbursement basis, fund balance projections do not produce an adequate

(h) The Zoo budgets 2% more expenses than revenue in order to provide budget authority for revenue exceeding estimate. \*Budgeted Revenues exclude use of fund balance

The Airports Fund was established in the FY89 budget. State statutes provide for the establishment of enterprise funds to account for each utility, enterprise, or service other than those operated as a department of the General Fund, where the costs are financed primarily through user charges or where a periodic need exists to determine revenues earned, expenses incurred, or net income for a service or program.

Funding for the operation of the Airports Fund comes from monthly transfers from

**Airports Fund** 

the Oklahoma City Airport Trust. The Trust was created as a Public Trust on April 1, 1956 pursuant to Title 60 of the Oklahoma Statutes, Section 176, on behalf of The City of Oklahoma City. The purpose of the Trust is to provide a means of financing and administering the construction of airports and air navigation facilities of the City. The provisions of the trust agreement provide that the Trust will lease, or otherwise manage, the related property and improvements financed by the Trust. The Trust will receive all revenues generated from related properties to repay revenue bonds or other debt instruments incurred by the Trust plus costs and expenses incidental to the management, operation, maintenance, and conservation of the Trust.

The Federal Asset Forfeiture Fund was established in FY85 within the Oklahoma City Municipal Facilities Authority (OCMFA) with the passage of Federal Law allowing the Federal Government to forfeit property obtained through illegal activity. It was established by City Ordinance allowing The City of Oklahoma City to accept federally forfeited property.

In FY94, the fund was moved from the OCMFA to the City budget. The Asset Forfeiture Fund consists of four sub funds: Federal Asset Forfeiture, State Asset Forfeiture, Treasury Asset Forfeiture, and

Criminal Interdiction Team of Central Oklahoma (CITCO). In compliance with the Comprehensive Crime Control Act of 1984, all Federal funds will be utilized for law enforcement purposes only.

On September 12, 2017, the Oklahoma City voters approved on a temporary tax increase known as Better Streets, Safer \$120,000,000 City. This 27-month continuation of the expired MAPS 3 penny sales tax generated over \$246 million for street resurfacing, streetscapes, trails, sidewalks, and bicycle infrastructure. The initiative includes \$168 million for street resurfacing, \$24 million for streetscapes, \$24 million for sidewalks, \$12 million for trails, \$12 million for bicycle infrastructure.

The debt-free projects will create smooth

and safe streets for drivers, on-street amenities for recreational and commuting cyclists, and streetscapes and trails that protect pedestrians and cyclists and enhance opportunities for economic development.

#### NOTES:

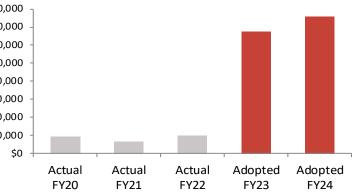

(a) Capital projects are lengthy in nature and difficult to predict completion. For this reason, the budget is based on the assumption that the outstanding encumbrances used as of February 2021 will remain to the end of the fiscal year.

If encumbrances are actually expended by the end of the year, the budget will be overstated. \$160,000,000 Purchases and encumbrances in the \$140,000,000 budget year are made on a cash \$120,000,000 basis. \$100,000,000

In 1975, the State of Oklahoma passed legislation noted in Title 11 § 17-109.11 authorizing cities to create a fund to account for financial resources to be used for the acquisition or construction of major capital facilities (other than

\$140,000,000 -\$120,000,000 -\$100,000,000 -\$80,000,000 -\$60,000,000 -\$40,000,000 -\$20,000,000 -\$0 -

those financed by proprietary funds and trust funds). The revenue sources of the Capital Improvement Projects Fund may be the proceeds of the sale of assets, interest income, grants from agencies or other governmental units and transfers from other funds. The Fund's major financial resources are interest earnings and a transfer from the General Fund.

On November 13, 2001, the Oklahoma City voters approved a limited purpose temporary sales tax for public school capital projects. Based on state statutes, the City Council approved an ordinance amending the City's use tax rate to mirror the sales tax rate's effective dates and amount. The rate of the tax was one-half percent from January 1, 2002 until April 1, 2003, when the rate changed to one percent. The tax expired on January 1, 2009.

State law requires that fees be collected for CLEET, AFIS and Forensic Improvement on each case that is not a parking, stopping or standing violation and which is punishable by a fine of \$10 or greater. This fee is in addition to any fines, costs or fees already associated with the case. As of November 1, 2017, the total of the fees was increased to \$30 and consists of \$10 for CLEET, \$10 for the statewide AFIS fee and \$10 for the statewide Forensic Improvement fee. OKC, because it operates its own basic law enforcement academy, retains \$2 of each CLEET fee

collected. The monies deposited are for the sole use of the municipality in implementing its law enforcement training functions. Not more than seven percent (7%) of the monies shall be used for court and prosecution training.

Under Section 26, Article 10 of the State Constitution, the City of Oklahoma City is authorized to establish a Debt Service Fund. The General Obligation Debt Fund accounts Services for all expenditures for principal, interest and agency fees on all of the City's general obligation debt and judgments. Revenues in the General Obligation Debt Service Fund include ad valorem taxes and interest on reserves. By law, appropriations in the Debt Service Fund may not be reduced below the minimums required to make debt service payments.

Debt Service Fund Historical and Projected Expenditures

The final debt service budget (statement of required funding) is prepared and submitted to required authorities at the end of August. The adopted budget is an estimate based on partial year results.

The Emergency Management Fund was established in FY90 to fund operations for the 911 emergency telephone and dispatch system, and the disaster preparedness and \$12,000,000 warning programs. The budget combines a  $_{\$10,000,000}$ subsidy from the General Fund, projected revenues from a charge to households and businesses accessing the system through their community or cell phone service, and fund balance and interest earned by the fund.

The Fire Fighting and Fire Rescue Services, Facilities or Equipment Tax Fund was established in FY90. Funding is provided through a dedicated threequarter-cent sales tax approved by City voters to fund new or improved public safety services. The Fund receives onehalf of the revenues collected through the special sales tax.

Each year the City Council adopts a resolution specifying the specific projects and funding levels in the Fire Fighting and Fire Rescue Services, Facilities or Equipment Tax Fund.

The General Fund is used to account for all funds received and disbursed for general municipal government purposes including all assets, liabilities, reserves, fund balances, revenues and expenditures that are not accounted for in any other fund.

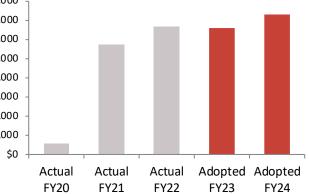

**General Fund - Operating** 

Starting in FY20, the General Fund began collecting sales tax funds related to the MAPS 4 Program. Passed by voters on December 10, 2019, the MAPS 4 1-cent sales tax is as an eightyear temporary general fund tax to fund the program outlined in the City Council resolution passed on August 27, 2019. As funds are received in the General Fund, transfers will be made to a separate MAPS 4 Program fund to be spent on the MAPS 4 Program as authorized by the City Council.

#### NOTES: Use of Fund Balance

Due to the nature of grant funds, fund balance projections do not provide an adequate picture of financial health and are not included.

(a) Budgeted revenue include balances from prior year grant awards and anticipated new grant awards.

Grants Management Fund was The established in order to provide the City with a means of budgeting and accounting for grant awards. Although shown in the same manner as other City funds, the Grants generally follows Management Fund federal, rather than state or local law for budgeting and spending. The information presented in this budget is an estimate of federal grant activity and does not restrict grant actual expenditures. Grant expenditures are governed by individual grant requirements.

Hotel/Motel Special Revenue Fund Historical and Projected Expenditures On December 14, 2004, the Oklahoma City voters approved a 5.5% hotel occupancy tax. The tax rate went into effect on January 1, 2005 and Ordinance No. 22,538 provides for three specific uses. Four-elevenths or 2% is dedicated encouraging, promoting, to and fostering convention and tourism development of the City. Six-elevenths or 3% is dedicated to funding improvements to the Oklahoma City Fairgrounds. The final one-eleventh or 0.5% is dedicated to sponsoring or

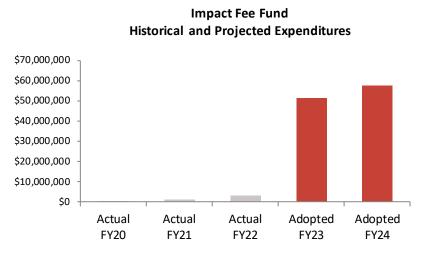

promoting events recommended by the Oklahoma City Convention and Visitors Commission. The Hotel/Motel Tax Special Revenue Fund was established by Budget Amendment in FY05 to account for all monies from the tax.

In 2017, the Streets and Parks System Development Impact Fee Fund was established through City ordinance to collect and expend development fees related to new construction. Fee revenue received through the building permitting process is utilized for improvements capital to infrastructure in parks and streets within the same service area as the new construction.

Internal Service Fund Historical and Projected Expenditures Internal Service Funds were established to finance and account for services and commodities furnished by one City department to other City departments on a cost reimbursement basis. Since the services and commodities are supplied exclusively within the City government, they are separate from those services that are rendered to the public in general and/or accounted for in other City Funds. Details of the services provided may be found under the following department headings presented in this budget: Information Technology, City Manager's Office

- Public Information and Marketing (Print Shop), Finance (Risk Management), and General Services (Fleet Services).

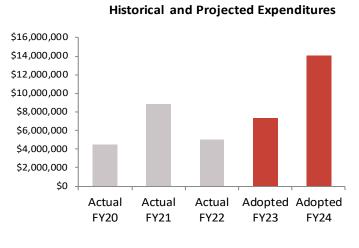

#### **MEDICAL SERVICE PROGRAM FUND**

**Medical Service Program Fund** 

The Medical Service Program Fund was created in the FY10 budget for a new ambulance fee as part of the Medical Service Program enacted by the City Council on December 8, 2008. The program took effect on October 1, 2009. The Fund receives the \$3.65 monthly fee paid by households enrolled in the program for coverage under the Emergency Medical Services Authority (EMSA) TotalCare program. The fund is used to pay for medical transport services, as well as, the administrative

costs of the Utilities Department for operating the billing and customer service aspects of the program.

#### **METROPOLITAN AREA PROJECTS (MAPS) SALES TAX**

The Oklahoma City voters approved an ordinance amending the City sales tax code on December 14, 1993. This ordinance levied an additional limited term sales tax of one percent for the term of five years, beginning January 1, 1994 and ending January 1, 1999. The Oklahoma City voters extended this tax on December 8, 1998, adding six months to the life of the tax, which expired June 30, 1999.

The ordinance established a limited purpose tax fund to be expended only for specified projects, including improvements

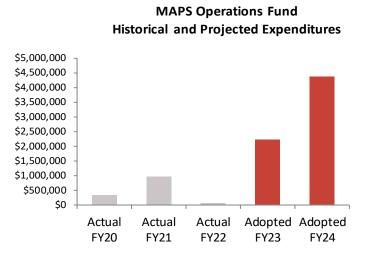

to the North Canadian River; a metropolitan learning center; a baseball park; improvement of the Myriad Convention Center; improvement of the Civic Center Music Hall; improvement of the Oklahoma City Fairgrounds; an indoor sports/convention facility; all or part of a transportation system between Interstate 40 and Meridian Avenue and downtown Oklahoma City; site acquisition, site preparation, site improvements, infrastructure, parking facilities, personal property, engineering fees, architectural fees, and legal fees related to the main projects; payment of principal and interest on and the costs of issuance of notes or obligations in support of the main projects; payment of senior citizens tax refunds; and related administrative costs.

The MAPS Operations Fund was originally funded by the MAPS Use Tax, which was separate from the MAPS Sales Tax. The MAPS Use Tax was enacted by the City Council and was in effect for five-and-ahalf years, while the MAPS Sales Tax was in effect. The tax provided for a levy of one percent on the sale of tangible personal property not subject to sales tax from January 1, 1994 through June 30, 1999.

Funds collected from the additional levy were accounted for separately and are to be used for operating, maintaining, and

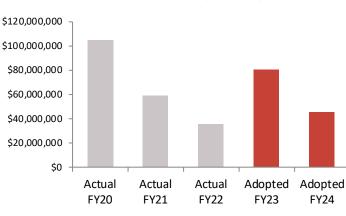

replacing capital as needed on any or all of the nine major MAPS projects. The MAPS Operations Fund budget reflects only the funding for adopted expenditures.

MAPS 3 Sales Tax Fund Historical and Projected Expenditures The Oklahoma City voters approved a one-cent sales tax for MAPS 3 on December 8, 2009. The tax began April 1, 2010 and lasted for seven years and nine months. The initiative contained a diverse list of eight projects including: the new 70-acre Scissortail Park linking the core of downtown with the Oklahoma River; the new Oklahoma City Streetcar system; a new downtown convention center and Omni Hotel; sidewalks for major streets and near facilities used by the public; 57 miles of new public bicycling and walking trails throughout the City; improvements to

the Oklahoma River, including the RIVERSPORT OKC whitewater rafting and kayaking facility and other upgrades which have earned the river a designation as a U.S. Olympics Training Site; state-of-the-art Health and Wellness Centers designed for senior citizens; and improvements to the Oklahoma State Fairgrounds.

Following the approval of the one-cent MAPS 3 Sales Tax by City voters on December 8, 2009, the City Council approved an ordinance based on state statute that amended the City's use tax rate to be equal to the sales tax rate. The MAPS 3 Use Tax will be in effect for the same seven years and nine months as the MAPS 3 Sales Tax. The Use Tax will pay for the cost of the management and oversight of the MAPS 3 construction projects. In addition, the Use Tax was used to support enhanced public safety by providing funding for Police and Fire uniform positions that would

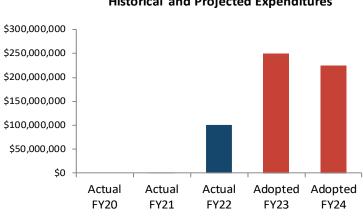

otherwise have been cut from the General Fund in the FY11 budget. In FY13, a non-operating component was included in the MAPS 3 Use Tax Fund providing a reserve for future capital funding.

MAPS 4 Program Fund Historical and Projected Expenditures On December 10, 2019, the Oklahoma City voters approved a one-cent sales tax for MAPS 4 Program. The temporary general fund tax will begin on April 1, 2020 and will last for eight years, generating an estimated \$978 million. The City will begin collecting revenue from the sales tax in May 2020. The initiative contains a broad array of sixteen projects addressing a variety of human and community needs including: enhancements to City parks; four new youth centers; a new senior wellness center and assistance to low-income seniors; three new

mental health and addiction support centers; a family justice center; transit improvements, sidewalks, bike lanes, trails and streetlights; support for residents experiencing homelessness; maintenance and enhancements to the Paycom Center and related facilities; an animal shelter; a new Fairgrounds Coliseum; a diversion hub for low-level criminal offenders; investments in the northeast Oklahoma City Innovation District; the renovation of the Freedom Center and a new Clara Luper Civil Rights Center; citywide beautification projects; and a new multipurpose stadium.

The Oklahoma City Improvement and Special Services Assessment Districts Fund was created in 2001 for the Downtown Oklahoma City Business Improvement District (BID) and the Since then, BIDs for Stockyards BID. Western Avenue, Capitol Hill, the Adventure District, and Uptown 23rd Street have been formed. The Western Avenue, and Capitol Hill BIDs have been renewed for a second ten-year term, while the Downtown and Stockyards BIDs have been renewed for a third term.

Benefit assessment districts improve and convey special benefits to properties located within the boundaries of the districts. The districts also finance new improvements and services, including street beautification, maintenance, marketing and image enhancement programs above and beyond those currently provided by the City. Assessments are calculated annually and collected by the City of Oklahoma City in this fund. The districts provide claims to the City to cover services or debt service as detailed in the respective contracts. The assessment rates and contract for the upcoming fiscal year are not yet finalized. When the assessments and contracts are finalized an amendment to the budget may be presented to Council for consideration.

On November 13, 2001, Oklahoma City voters approved a limited term, limited purpose sales tax to be earmarked for certain public school capital projects. The rate of the tax was one-half percent from January 1, 2002 until April 1, 2003 when the rate changed to one percent. The tax expired on January 1, 2009. The OCMAPS trust was dissolved in FY18 and the remaining funds will be used to complete existing projects.

Oklahoma City Tax Increment Financing (TIF) As part of the creation of some TIF districts, the State of Oklahoma committed to match sales and use tax derived from improvement efforts in the respective areas. This dedicated fund is restricted for economic development purposes associated with these TIF districts and is currently used to fund tax anticipation debt repayment in the Oklahoma City Economic **Development Trust.**

#### Police and Fire Capital Equipment Sales Tax Fund Historical and Projected Expenditures

The Police and Fire Capital Equipment Sales Tax Fund was established in FY01. Funding was provided through a 32month one-half cent sales tax approved by City voters on March 14, 2000 for police and fire capital equipment projects beginning July 1, 2000 and ending March 1, 2003. Among the capital improvements funded are police and fire vehicles, mobile information systems, data systems, a Citywide radio communication system, City public safety computer-aided dispatch systems, a communications network to support mobile data systems, improvements in the public emergency warning system and police helicopters.

The Police Services, Facilities or Equipment Tax Fund was established in FY90. Funding is provided through a dedicated three-quarter-cent sales tax approved by City voters to fund new or improved public safety services. The Fund receives one-half of revenues collected through the special sales tax. Each year the City Council adopts a resolution specifying the specific projects and funding levels in the Police Services, Facilities or Equipment Tax Fund.

**Special Assessment Districts Fund** 

The Special Assessment Districts Fund was Historical and Projected Expenditures created in FY21 as a result of new rules from the Governmental Accounting Standards Board (GASB) requiring municipalities to reflect these districts in the budget. Special Assessment Districts allow a majority of property owners in a neighborhood to petition the City to create an assessment district for the purpose of improving the roads in that neighborhood. Under this program the City sells bonds and has the work completed and creates an assessment roll for all of the property owners in the neighborhood to repay the bond over time.

#### Special Purpose Fund Historical and Projected Expenditures

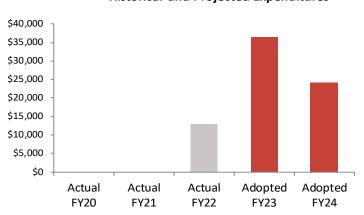

The Special Purpose Fund is used primarily for donations to the City of Oklahoma City or for other designated uses. The expenditures are made from specific accounts designated for each special purpose. Typical expenditures of the fund are projects relating to improvements by neighborhood associations, recreation improvements, renovations in parks, improvements at the animal shelter, opioid remediation and projects relating to fire safety.

Sports Facilities Use Tax Fund Historical and Projected Expenditures The Oklahoma City Sports Facilities Use Tax is the companion use tax to the onecent Oklahoma City Sports Facilities Sales Tax. The tax provides a levy of one percent on the sale of tangible personal property not subject to sales tax from January 1, 2009 through March 21, 2010. The City Council has expressed its intent to use this fund for expenses related to the Oklahoma City Sports Facilities Sales Tax Fund and the funding of other City capital projects as specified by a resolution of the City Council.

The Transportation and Parking Fund was established Council action by in September 1989. The Fund was established as a direct result of the reorganization of the Central Oklahoma Transportation and Parking Authority, in which administrative functions became part of the City organization. The reorganization also separated Public Transportation and Parking Services into two distinct operations identified separately.

The Central Oklahoma Transportation and Parking Authority (COTPA) was created in

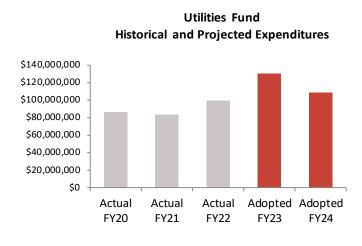

1966 as a Public Trust pursuant to Title 60 of the Oklahoma Statutes, Section 176. The purpose of COTPA is to provide a means of financing municipal public transportation services and functions. The trust indenture provides that COTPA will acquire and operate transportation service and equipment, receive all revenue generated from these services, pay the debt service requirements on the revenue bonds issued by COTPA, pay all operating expenses, and finance future improvements. The Trust does not have the power to levy taxes.

The Water and Wastewater Fund was established in 1988 by the City Council for the purpose of identifying operating expenditures of the Utilities Department and is funded by monthly cash transfers from the Oklahoma City Water Utilities Trust (OCWUT). During FY21, the Solid Waste Management system was consolidated with the water and wastewater systems under the Oklahoma City Water Utilities Trust (OCWUT). As part of the merger, the Solid Waste Management Cash Fund was merged with the Utilities Fund. Expenditures from this

fund are made for water treatment; maintenance and repairs of water, wastewater, and solid waste management systems, utility customer service and billing functions, and refuse collection activities.

On July 17, 1990, the Oklahoma City voters approved a one-eighth cent sales tax levy for the limited purpose of funding the Oklahoma City Zoo. The Oklahoma City Zoo Sales Tax Fund was created to collect all revenues pursuant to the Zoo tax levy. The ordinance provides that Zoo Sales Tax funds will only be used for the establishment, maintenance, replacement, and expansion parks, of zoological gardens, and entertainment facilities; the acquisition, maintenance, and replacement of real property, personal property, and buildings; the operational expenses, education

research and program expenses, conservation program expenses, and all other expenses deemed necessary or advisable by the Oklahoma City Zoological Trust in connection with the operation of the Oklahoma City Zoo. The Oklahoma City Zoological Trust is a public trust of which the City of Oklahoma City is the sole beneficiary. The Trust operates the Oklahoma City Zoo under a lease and operating agreement with the City.

## **CAPITAL IMPROVEMENT BUDGET**

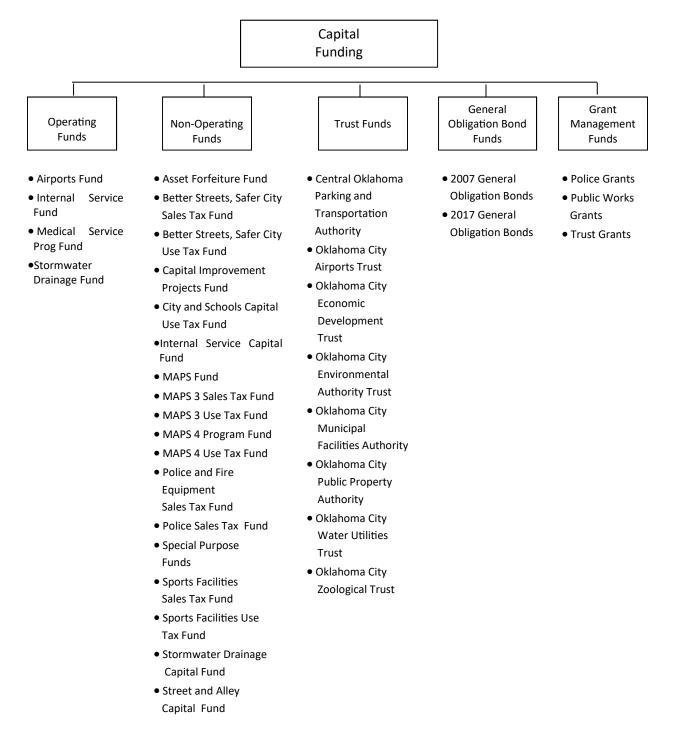

THE CAPITAL IMPROVEMENT BUDGET IS SEPARATE FROM THE CITY'S OPERATING BUDGET APPROVED BY THE CITY COUNCIL. THE PROVIDED CAPITAL BUDGET IS A LISTING OF FY24 AMOUNTS BUDGETED AND FUNDING SOURCES OF EACH PLANNED PROJECT. THE PLANNED CAPITAL EXPENDITURES REPRESENTS THE COST OF NEW CONSTRUCTION, RENOVATION, ACQUISITION OR CAPITAL MAINTENANCE OF CITY INFRASTRUCTURE, FACILITIES, OR OTHER CAPITAL INVESTMENTS, TO ENSURE THE CONTINUATION OF SERVICE, ENHANCE OPERATIONS AND PROMOTE ECONOMIC DEVELOPMENT.

A FIVE-YEAR CAPITAL IMPROVEMENT PLAN IS PREPARED BIENNIALLY TO IDENTIFY PROJECTS ACROSS THE CITY WHICH IMPROVE MUNICIPAL SERVICES, STRENGTHEN INFRASTRUCTURE, ENHANCE CULTURE AND RECREATION, AND PROMOTE THE ECONOMIC DEVELOPMENT AND GROWTH OF THE CITY. THE FIVE-YEAR CIP PLAN IS AVAILABLE TO THE PUBLIC AND PUBLISHED ONLINE AT HTTPS://WWW.OKC.GOV/DEPARTMENTS/ FINANCE/FINANCIAL-AND-BUDGET-REPORTS/BUDGET-AND-TAX-REPORTS.

# **CAPITAL IMPROVEMENT FUNDING**

The FY24 Capital Improvement Budget includes capital expenditures funded through various sources. Capital projects funded by General Obligation Bonds and Public Trusts are included in this section to provide a comprehensive capital position. Capital budgets for these two sources are not approved through the normal budget process. City voters approve General Obligation Bond propositions providing authorization for bond funded capital projects. Public trusts' capital budgets are approved by the trustees.

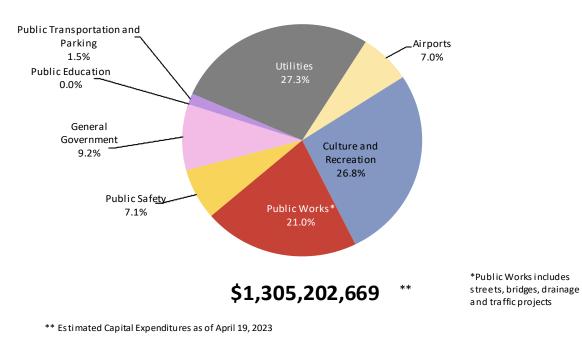

#### IMPACT OF CAPITAL PROJECTS ON THE OPERATING BUDGET

The City recognizes that capital projects have an impact on the operating budget in two distinct ways and has taken appropriate steps to address those impacts. The first impact occurs during the design and construction phase of capital projects. As projects are being undertaken, City staff has numerous design, management, construction and oversight responsibilities. For example, implementation of the General Obligation Bond Programs have required significant resources, particularly within the Public Works Department, due to the extensive design and project management requirements of these programs. Where feasible, the costs of project management are charged to the associated projects by the department providing those services.

The second and primary impact of capital projects on the operating budget is the ongoing maintenance and operations requirements that continue after a project is completed. As part of the operating and capital budget development process, departments are asked to identify costs associated with the maintenance and operation of capital projects that are to be completed in the coming fiscal year and future fiscal year impacts.

The City's capital planning process includes the estimate of future operating and maintenance costs resulting from proposed capital improvements. Capital improvements that replace existing City assets generally reduce maintenance and operating costs in the near term. As the assets age, maintenance and operating costs will increase, but generally do not exceed the cost of operating and maintaining the assets they are replacing. For new capital projects, which increase City assets, Departments are required to provide estimates of future operating and maintenance costs to assist in the decision making for operating budgets and to allow for consideration of the feasibility of the projects.

### **AIRPORTS**

#### CEPA INSTALL SELF-SERVE AVGAS - Clarence E. Page Airport (Ward 3)

Install 12,000 Gal Self-Serve AVGAS System. Estimated annual operating cost is \$0.

	FY24 Cost
Other Grants	\$585,000
Oklahoma City Airport Trust	\$21,000
Project Total	\$606,000

#### MMAC AIR NAVIGATION AHU REPLAC - Mike Monroney Aeronautical Center (Ward 3)

Perform Type "A" study to evaluate the air distribution system at the Air Navigation Facility #1 (ANF-1) and Type "B" design to replace 3 existing air handling units (AHUs), variable air volume (VAV) systems, main supply ducts and controls. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$2,060,000
Project Total	\$2,060,000

#### MMAC ANF-1 CHILLER & COOL REPL - Mike Monroney Aeronautical Center (Ward 3)

OCAT WRWA 2318 ANF I Chiller and Cooling Tower Replacements. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$1,470,000
Project Total	\$1,470,000

#### MMAC ARB AHU & CONTROLS REPLAC - Mike Monroney Aeronautical Center (Ward 3)

ARB AHU and Controls Replacement- Replace AHU and HVAC controls Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$350,000
Project Total	\$350,000

#### MMAC ARB LOADG DOCK EXP REPAIR - Mike Monroney Aeronautical Center (Ward 3)

Repair Expansion joint in the Loading Dock Area Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$180,000
Project Total	\$180,000

#### MMAC CHILLERS REPLACEMENT - Mike Monroney Aeronautical Center (Ward 3)

Replace two (2) 440 Ton Chillers Estimated annual operating cost is \$0.

FY24 Cost
\$1,310,000
\$1,310,000

#### MMAC EDDIE AVE STREET REPAIRS - Mike Monroney Aeronautical Center (Ward 3)

Eddie Avenue Street Repairs and Rehabilitation- Repair and rehabilitation of Eddie Ave between SW 68th and SW 66th, possibly including re-alignment of SW 66th street intersection. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$225,000
Project Total	\$225,000

#### MMAC ENVIRONMENTAL REMEDIATION - Mike Monroney Aeronautical Center (Ward 3)

This will be used when it is necessary to remediate buildings or areas before projects. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$125,000
Project Total	\$125,000
MMAC FSB MECHANICAL UPGRADE - Mike Monroney Aeronautical Center (Ward	3)
Replace aging HVAC equipment Estimated annual operating cost is \$0.	
	FY24 Cost
Oklahoma City Airport Trust	\$90,000
Project Total	\$90,000
MMAC HEADQUARTERS ENVELOPE - Mike Monroney Aeronautical Center (Ward	3)
Repair the Headquarters Building envelope. Estimated annual operating cost is \$0	
	FY24 Cos
Oklahoma City Airport Trust	\$475,000

	FY24 Cost
Oklahoma City Airport Trust	\$3,660,000
Project Total	\$3,660,000

#### MMAC LED STREETLIGHT UPGRADE - Mike Monroney Aeronautical Center (Ward 3)

Replace aging lamp post heads including lamps and ballasts. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$1,800,000
Project Total	\$1,800,000
MMAC LSF COOLING TOWER REPLACE - Mike Monroney Aeronautical Center (Ward 3)	

Replace Cooling Tower at LSF Estimated annual operating cost is \$0.

FY24 Cost
\$490,000
\$490,000

#### MMAC LSF E. SIDE SPRINK REPL - Mike Monroney Aeronautical Center (Ward 3)

After FSB performed a Type A study, a Five Year Inspection was completed 10/14/2016. There will be two phases. This project will replace the east side sprinkler system due to age of the system (installed in the 1950s), corrosion and microbial issues. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$5,177,000
Project Total	\$5,177,000

#### MMAC LSF ROOF & GUTTER REPAIRS - Mike Monroney Aeronautical Center (Ward 3)

Repair/replace gutter on the LSF Building and replace cap sheet on roof. Estimated annual operating cost is \$0.

FY24 Cost
\$490,000
\$490,000

#### MMAC MECHANICAL SYSTEMS REPAIR - Mike Monroney Aeronautical Center (Ward 3)

This will be used when it is necessary to repair or maintain mechanical HVAC systems due to failures before a full project can begin. Estimated annual operating cost is \$0.

t

Project Total	\$125,000
Oklahoma City Airport Trust	\$125,000

#### MMAC MED VOLTAGE S CAMP UPG - Mike Monroney Aeronautical Center (Ward 3)

Medium Voltage South Campus Upgrades- Evaluation of the MMAC south campus medium voltage system to determine extent of upgrades needed for the distribution systems future demands. Estimated annual operating cost is \$0.

FY24 Cost	
\$750,000	
\$750,000	
	\$750,000

#### MMAC MEDIUM VOLTAGE SYSTEMS - Mike Monroney Aeronautical Center (Ward 3)

This will be used when it is necessary to repair or maintain medium voltage systems due to failures before a full project can begin. Estimated annual operating cost is \$0.

FY24 Cost
\$125,000
\$125,000

#### MMAC MIKE MONRONEY BLVD ENTRY - Mike Monroney Aeronautical Center (Ward 3)

Replacement of the paving from Regina Ave. through the intersection of Foster Ave. Also included are curb replacement and construction of crosswalks. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$2,465,000
Project Total	\$2,465,000

#### MMAC MMAC MACARTHUR BLVD PAVIN - Mike Monroney Aeronautical Center (Ward 3)

MacArthur Blvd Paving Repair and Replacement - MacArthur Blvd - SW 64th Street to SW74 Street; and MacArthur Blvd - SW 59th Street to SW 63rd Street Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$201,000
Project Total	\$201,000

#### MMAC MPB S. PKG LOT JOINT REH - Mike Monroney Aeronautical Center (Ward 3)

Rehabilitate joint in parking lot, limited concrete panel replacement and possible drainage upgrade for parking lot. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$75,000
Project Total	\$75,000

#### MMAC MULTI-ELEVATOR REPLACE-I - Mike Monroney Aeronautical Center (Ward 3)

Replace the elevators in the following buildings: ARB (3 pass - 1 freight), CAMI (2 pass - 2 freight), CAMI Hi-Bay (1 freight), Hangar 8 (1 pass), Hangar 9 (3 pass - 1 freight), RTF (1 pass). Estimated annual operating cost is \$0.

FY24 Cost	
\$3,233,000	Oklahoma City Airport Trust
\$3,233,000	Project Total

#### MMAC N. CAMPUS ASPHALT PAVING - Mike Monroney Aeronautical Center (Ward 3)

Halaby Drive from SW 74th to Parking Lot near SW 59th – mill and overlay; Helms Street from Halaby Dr to Quesada Dr (asphalt only) – full depth reconstruction; SW 66th Street from Quesada Dr to MacArthur Blvd; and other areas. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$3,000,000
Project Total	\$3,000,000

#### MMAC NATURAL GAS SYSTEM REPAIR - Mike Monroney Aeronautical Center (Ward 3)

This will be used when it is necessary to repair or maintain the natural gas master meter system due to failures before a full project can begin. Estimated annual operating cost is \$0.

FY24 Cost
\$125,000
\$125,000

#### MMAC REG BLD CHILLER CLG TOWER - Mike Monroney Aeronautical Center (Ward 3)

Replace chiller and cooling towers.6500 South MacArthur Blvd., Oklahoma City, OK 73169 Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$90,000
Project Total	\$90,000

#### MMAC REGISTRY CHILLER/BOILER - Mike Monroney Aeronautical Center (Ward 3)

Registry Chiller and Boiler Replacement Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$150,000
Project Total	\$150,000

#### MMAC REGISTRY SLAB REPAIR - Mike Monroney Aeronautical Center (Ward 3)

Repair building slab on the SE corner of building. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$175,000
Project Total	\$175,000

#### MMAC ROOF REPAIR & MAINTENANCE - Mike Monroney Aeronautical Center (Ward 3)

This will be used when it is necessary to repair or maintain roofs due to damage before a full project can begin. Estimated annual operating cost is \$0.

F	Y24 Cost
Oklahoma City Airport Trust 🗧 😫	5125,000
Project Total \$	125,000

#### MMAC S. CAMPUS ASPHALT PAVING - Mike Monroney Aeronautical Center (Ward 3)

Paving repairs for Quesada Drive, south of 74th Street, VOR drive and parking lot at building 166, along with drainage in parking lot. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$1,678,000
Project Total	\$1,678,000

#### MMAC TPS EMERGENCY GEN REPLACE - Mike Monroney Aeronautical Center (Ward 3)

Replace emergency generator, add transfer switch, and upgrade building switchgear to meet current electrical code. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$860,000
Project Total	\$860,000

#### MMAC TRANSFORMER T6 REPLACE - Mike Monroney Aeronautical Center (Ward 3)

Replace medium voltage transformer T6. Estimated annual operating cost is \$0.

FY24 Cost

Oklahoma City Airport Trust	\$298,000
Project Total	\$298,000

#### WPA ALCMS REFRESH - Wiley Post Airport (Ward 1)

ALCMS hardware including replacing primary and adding secondary servers/workstations, replacement of the roaming laptop, network devices, touchscreen control panel(s), and other ancillary hardware and software updates and stock replacements as necessary. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$150,000
Project Total	\$150,000

#### WPA CONSTR NEW TERMINAL & ATC - Wiley Post Airport (Ward 1)

Construct new Airport Terminal and contract Air Traffic Control Tower. Estimated annual operating cost is \$0.

	FY24 Cost
Other Grants	\$1,000,000
Project Total	\$1,000,000

#### WPA DRAINAGE IMPROVEMENTS - Wiley Post Airport (Ward 1)

Design and construct a new RCB trunk line in Basin D, identified in the 2015 Drainage Study conducted by MKEC, to alleviate flooding problems. Estimated annual operating cost is \$0.

FY24 Cost
\$3,898,000
\$3,898,000

#### WPA GULFSTREAM DEMO - Wiley Post Airport (Ward 1)

Demolition of WPA Gulfstream facility. Estimated annual operating cost is \$1,491,600.

	FY24 Cost
Oklahoma City Airport Trust	\$2,080,000
Project Total	\$2,080,000

#### WPA HANGAR 14 RAMP REPLACEMENT - Wiley Post Airport (Ward 3)

Replacing the ramp, 136,000 SF, at Hangar 14. There will be two different thicknesses of pavement constructed. 71,500 SF will be 11.5" and 65,000 SF will be 6". Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$2,000,000
Project Total	\$2,000,000

#### WPA HGR 2,3 & SHAM ROOF REPAI - Wiley Post Airport (Ward 3)

Replace and repair the roof at Hangars 2, 3, and the Shamrock Building Estimated annual operating cost is \$0.

	FIZ4 COSt
Oklahoma City Airport Trust	\$1,293,000
Project Total	\$1,293,000

EV24 Cost

\$50,000	
	\$50,000

#### WRWA AIRPORTS PROC IMPV STUDY - Will Rogers World Airport (Ward 3)

(FY24)- The Airports process improvement study will identify challenges and inefficiencies with current business processes throughout the department, and then propose technology solutions to automate and streamline those processes. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$250,000
Project Total	\$250,000

#### WRWA BAGGAGE CLAIM UNITS - Will Rogers World Airport (Ward 3)

Replace six baggage claim units. Estimated annual operating cost is \$50,000.

	FY24 Cost
Other Grants	\$675,000
Oklahoma City Airport Trust	\$75,000
Project Total	\$750,000

#### WRWA CELLULAR CONSULTATION - Will Rogers World Airport (Ward 3)

A&E to design, consult, project management to install an Airport DAS (Distributed Antenna System) to improve cellular services on WRWA campus, including the Consolidated Rental Car Facility. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$125,000
Project Total	\$125,000

#### WRWA CRASH PHONE SYS REFRESH - Will Rogers World Airport (Ward 3)

WRWA Crash Phone System hardware and software refresh. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$150,000
Project Total	\$150,000

#### WRWA DE-ICE TRUCK - Will Rogers World Airport (Ward 3)

Replace De-Ice Truck Estimated annual operating cost is \$10,000.

FY24 Cost
\$175,000
\$175,000

#### WRWA EXISTING TERM FLOOR UPGR - Will Rogers World Airport (Ward 3)

WRWA Replacement of porcelain tile flooring with terrazzo flooring. Estimated annual operating cost is \$0.

	FY24 Cost
Other Grants	\$66,000
Oklahoma City Airport Trust	\$7,000
Project Total	\$73,000

#### WRWA FIDS AND ENGAGE IMPROVE - Will Rogers World Airport (Ward 3)

Flight information display system (FIDS) and Engage hardware replacement of aging Legacy hardware and software. Estimated annual operating cost is \$40,000.

	FY24 Cost
Oklahoma City Airport Trust	\$125,000
Project Total	\$125,000

#### WRWA FIS FACILITY BUILDOUT - Will Rogers World Airport. (Ward 3)

Customs and Immigration space buildout-FIS. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$925,000
Project Total	\$925,000

#### WRWA MAIN TERM LIGHT UPGRADE - Will Rogers World Airport (Ward 3)

Upgrade the existing lighting in the main terminal area with a combination of hold room and cove lighting fixture removal and replacement. Estimated annual operating cost is \$0.

	FY24 Cost
Other Grants	\$922,000
Oklahoma City Airport Trust	\$60,000
Project Total	\$982,000

#### WRWA MECHANICAL IMPROVEMENTS - Will Rogers World Airport (Ward 3)

Emergency repairs. Estimated annual operating cost is \$0.

FY24 Cost
\$100,000
\$100,000

#### WRWA N. PARKING LOT 2 - Will Rogers World Airport (Ward 3)

Route and seal cracks, patch and asphalt some of the larger cracks, slurry seal and re-stripe the parking lot from Row O to the North. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$100,000
Project Total	\$100,000

#### WRWA PARKING GARAGE & MEP EVAL - Will Rogers World Airport (Ward 3)

Analysis and engineering for painting of all Parking Garages B and C. Evaluation of Parking Garages and Pedestrian Tunnel MEP Systems. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$220,000
Project Total	\$220,000

#### WRWA PASSENGER BRIDGE UPGRADE - Will Rogers World Airport (Ward 3)

Paint, wall panels, flooring, replace major components with modernized upgrades. Estimated annual operating cost is \$0.

	FY24 Cost
Other Grants	\$9,051,000
Oklahoma City Airport Trust	\$576,000
Project Total	\$9,627,000

#### WRWA PAVEMENT MGT UPDATE - Will Rogers World Airport (Ward 3)

Pavement Management PCI update of the airfield pavements at WRWA. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$100,000
Project Total	\$100,000

#### WRWA PAVEMENT REPLACE REHAB - Will Rogers World Airport (Ward 3)

Funding for unexpected pavement repair or replacement project. Estimated annual operating cost is \$0.

#### WRWA REFURBISH MOVING WALKWAYS - Will Rogers World Airport (Ward 3)

After inspections performed by Learch Bates, it was recommended this work be performed within 3 to 5 years to ensure safe and reliable operation with limited down time. Replace all parts. Estimated annual operating cost is \$50,000.

	FY24 Cost
Oklahoma City Airport Trust	\$100,000
Project Total	\$100,000

#### WRWA REHAB RUNWAY 17R-35L - Will Rogers World Airport (Ward 3)

Eval & design for the rehab of concrete pavement, lights and shoulders on runway 17R/35L. The north 1,000 feet requires full reconstrt. The work will include all connecting taxiways to a distance beyond the runway safety area on each connecting taxiway. Estimated annual operating cost is \$0.

#### WRWA REPLACE 22 YR OLD DOZER - Will Rogers World Airport (Ward 3)

Replace equipment that's becoming less dependable, costly to maintain and obsolete parts. Estimated annual operating cost is \$10,000.

FY24 Cost
\$450,000
\$450,000

#### WRWA RUNWAY 17R/35L REHAB - Will Rogers World Airport (Ward 3)

Reconstruct the center 50 feet (25 feet on each side of the centerline) of Runway 35L/17R. Rehabilitation will include runway shoulders and runway centerline lights. Estimated annual operating cost is \$0.

	FY24 Cost
Other Grants	\$657,000
Oklahoma City Airport Trust	\$73,000
Project Total	\$730,000

#### WRWA SHUTTLE BUSES - Will Rogers World Airport (Ward 3)

2 Shuttle Bus Purchases Estimated annual operating cost is \$10,000.

	FY24 Cost
Oklahoma City Airport Trust	\$280,000
Project Total	\$280,000

#### WRWA SNOW REMOVAL EQUIPMENT - Will Rogers World Airport (Ward 3)

Replace equipment that's becoming less dependable, costly to maintain and obsolete parts. Estimated annual operating cost is \$10,000.

	FY24 Cost
Other Grants	\$1,207,000
Oklahoma City Airport Trust	\$134,000
Project Total	\$1,341,000

#### WRWA TELECOM INFRA REFRESH - Will Rogers World Airport (Ward 3)

Terminal communication infrastructure refresh, including replacement and improvements to comm room equipment and wiring throughout the terminal building, to improve reliability and security for Airport and tenant systems. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$200,000
Project Total	\$200,000

#### WRWA TERMINAL ACCESS ROAD - Will Rogers World Airport (Ward 3)

Rehabilitate the terminal entrance and exit road along with adjacent intersecting roads. Estimated annual operating cost is \$0.

	FY24 Cost
Other Grants	\$1,323,000
Oklahoma City Airport Trust	\$528,000
Project Total	\$1,851,000

#### WRWA TERMINAL AREA MASTER PLAN - Will Rogers World Airport (Ward 3)

Develop a master plan for the terminal area to include an area between the terminal curb and 54th street and between runways 17R/35L and 17L/35R. Estimated annual operating cost is \$0.

	FY24 Cost
Oklahoma City Airport Trust	\$902,000
Project Total	\$902,000

#### WRWA TERMINAL BLDG ROOF STUDY - Will Rogers World Airport (Ward 3)

Will Rogers World Airport - Study and analysis of existing Terminal roof to program future projects requiring repair or replacement. Estimated annual operating cost is \$0.

FY24 Cost
\$324,000
\$324,000

#### WRWA TERMINAL RESTROOMS RENOVA - Will Rogers World Airport (Ward 3)

Update the access and finishes to all level 1, level 2 and mezzanine restrooms in the main terminal area and west concourse. The upgrades will include bringing the restrooms up to the current ADA code requirements. Estimated annual operating cost is \$0.

	FY24 Cost
Other Grants	\$454,000
Oklahoma City Airport Trust	\$125,000
Project Total	\$579,000

#### WRWA-6921 S.ME. OLD ARFF ROOF - Will Rogers World Airport. (Ward 3)

Will Rogers World Airport - Replace the upper and lower roof on the Old Fire Station. 6921 S Meridian – Old ARFF Building Roof Replacement. Estimated annual operating cost is \$0.

\$3,400,000	Capital Improvement Fund
\$3,400,000	Project Total

#### **CITYWIDE CARPET REPLACEMENT - Various locations (Citywide)**

Replace aged carpet that reaches the manufacturer's life cycle and documented wear percentage in the Downtown campus buildings and SW Oklahoma City Library. Estimated annual operating cost is \$0.

FY24 Cost
\$100,000
\$100,000

#### CITYWIDE ELECTRICAL/LIGHTING - Citywide

Citywide electrical and lighting projects including the replacement of the 420 W. Main emergency lighting and 1000, 2000 amp bus ducts, City Hall electrical upgrades, upgrades of CMF's facility lights, and expansion of Building 19's circuitry. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$2,500,000
Project Total	\$2,500,000

#### CITYWIDE FLEET REPLACEMENT - (N/A)

Replacement of highway and non-highway equipment in the general fleet used by Animal Welfare, Development Services, Municipal Court, Parks, Public Transportation and Parking, and Public Works. Estimated annual operating cost is \$0.

24 Cost
00,000
00,000

#### **CITYWIDE HVAC UNITS - Various locations (Citywide)**

Replacement of old and outdated HVAC units. Specific locations include Will Rogers Garden Center, Macklanburg Rec Center, Southern Oaks Rec Center, Pitts Rec Center, RMACC, and Will Rogers Police Station. Estimated annual operating cost is \$0.

#### **CITYWIDE ROOFING - Various locations (Citywide)**

Roof repairs / replacement at various facilities including Fire Department Air Shop, Fire Station 2, Fire Station 16, E-911, Schilling Community Center, Taylor Center, Macklanburg Center, Will Rogers Aquatic Center, and the Whisenhunt Athletic Complex. Estimated annual operating cost is \$0.

#### CMF MAINTENANCE - 3738 SW 15th Street (Ward 6)

Reserve funds for Central Maintenance Facility improvement and repair projects. Estimated annual operating cost is \$0.

FY24 Cost
\$500,000
\$500,000

#### CMF PARKING LOT - Central Maintenance Facility (Ward 6)

Complete 14,000 square yards of concrete paving at the Central Maintenance Facility. Insufficient funds remained in the 2007 G.O. Bond program to complete the paving, leaving gravel in place which generates dust and hold water during heavy rains. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$975,000
Project Total	\$975,000

#### DOWNTOWN CAMPUS MAINTENANCE - 100 N Walker, 200 N Walker, 420 W Main (Ward 6)

Maintenance and repairs at the Downtown City Facilities. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$100,000
Project Total	\$100,000

#### FIRE AND INTRUSION SECURITY - (N/A)

Centralized fire and intrusion security solution for City facilities. Estimated annual operating cost is \$175,000.

FY24 Cost	
\$1,500,000	Capital Improvement Fund
\$1,500,000	Project Total

#### RMACC LIFT STATION - 4600 N. Martin Luther King Ave (Ward 7)

Repair to lift station at the Regional Multi-Agency Coordination Center (RMACC) Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$62,500
Project Total	\$62,500

# WINDOWS AND EIFS REPLACEMENT - CMF Building #4 (Street Maintenance), CMF Building #2 (Field Services), City Hall (Citywide)

This project is to replace windows and complete other upgrades to prevent water intrusion in the listed buildings. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$500,000
Project Total	\$500,000

### **GENERAL SERVICES FY24 TOTAL**

\$16,537,500

## **INFORMATION TECHNOLOGY**

#### 911 LOGGING RECORDER UPGRADE - (N/A)

Upgrade recorder hardware to allow the system to retain all data and configuration, plus add integrations like text-to-911, rapidsos, cad. Drives increased to retain 5 years according to municipal code and upgraded to solid state to limit failures. Estimated annual operating cost is \$8,400.

	FY24 Cost
MAPS4 Use Tax	\$378,907
Project Total	\$378,907

#### BACKUP UTILITY RADIO SYST - (N/A)

Two geographically dispersed 6 TB backup devices to automatically backup the radio system on a scheduled basis. In addition to materials, this project includes engineering, installation labor, and project management support. Estimated annual operating cost is \$0.

	FY24 Cost
Internal Service Fund Capital	\$84,100
Project Total	\$84,100

#### CAD SQL ALWAYS ON - (N/A)

This will allow both of our production databases to act as redundant servers when we need to perform maintenance or there is an issue. This should greatly limit our CAD outages. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$122,806
Project Total	\$122,806

#### INTEROPERABILITY GATEWAYS - (N/A)

Replace the interoperability gateway system used to connect the OKC Radio System to other radio systems in the geographic area. This will increase the capacity, allowing more channels of interoperability with neighboring agencies. Estimated annual operating cost is \$0.

	FY24 Cost	
MAPS4 Use Tax	\$430,000	
Project Total	\$430,000	

#### IT REMODEL 420 W MAIN 3RD FLR - (Ward 6)

Remodel third floor of 420 W. Main for additional office space. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$300,000
Project Total	\$300,000

#### LTE MODEM MANAGEMENT - (N/A)

LTE Modem Management software and licensing to manage and track modems on the private network. Estimated annual operating cost is \$0.

	FY24 Cost
Internal Service Fund Capital	\$85,000
Project Total	\$85,000

#### ORACLE RECRUITING BOOSTER SRVC - (N/A)

Oracle launched two-way candidate messaging within Oracle Recruiting Cloud. This service will assist in the application function as well as the promotion of recruiting events to help with job fairs from Oracle's enhanced Opportunity Marketplace. Estimated annual operating cost is \$57,600.

FY24 Cost	
\$500,000	Capital Improvement Fund
\$500,000	Project Total

#### RADIOS GPS LOCATION SERVER - (N/A)

Equip radios with internal GPS to be located based on demand. The purchase includes the software for the virtual servers, implementation by L3Harris engineers and licensing for up to 5000 devices. Estimated annual operating cost is \$0.

	FY24 Cost
MAPS4 Use Tax	\$160,000
Project Total	\$160,000

### **INFORMATION TECHNOLOGY FY24 TOTAL**

\$2,060,813

## PARKS AND RECREATION

#### ATHLETIC FIELDS - EDWARDS PARK - 2917 NE 14th Street (Ward 7)

The need and demand to create additional football fields in the local community is high and we have received requests to create additional football fields from the community and Council. This project will create four additional football fields. Estimated annual operating cost is \$0.

FY24 Cost
\$2,000,000
\$2,000,000

#### CIVICCENTER MUSIC CNTRL\_ULSTA - Civic Center Complex Unlisted Control Account. (Ward 6)

Civic Center Complex Unlisted Control Account, for Civic Center Music Hall only. Department ID 3305402. Estimated annual operating cost is \$0.

	FY24 Cost
2017 G.O. Bonds	\$1,100,000
Project Total	\$1,100,000

#### FIELD LIGHTS - WHISENHUNT COMP - 3200 S Independence Avenue (Ward 3)

Project to illuminate the final six fields at the Wendel Whisenhunt Sports Complex. Lighting our fields increases the service capacity of our athletic system and increases the available playing hours for our youth soccer club. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$557,500
Project Total	\$557,500

#### FIELD LIGHTS - WOODSON PARK - 3403 S May Avenue (Ward 3)

A 2017 GO Bond project will construct new soccer and softball fields in Woodson Park, but there is not sufficient funding to install the new lighting requirements for the fields. Field lights will extend the number of hours for programming. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$1,561,000
Project Total	\$1,561,000

#### MACKLANBURG PARK - Louis A. Macklanburg Park - 2234 NW 117th Street (Ward 2)

Improve parklands by installing, providing, improving playgrounds, athletic, picnic, and aquatic facilities, trails, water feature, horticulture, nature observation, landscaping, lighting, equipment, furniture, or maintenance facilities. Estimated annual operating cost is \$0.

2017 G.O. Bonds	\$1,100,000
Project Total	\$1,100,000

#### MARTIN PARK - UTILITY BRIDGE - 5000 W Memorial Road (Ward 8)

The SW corner of Martin Park is not accessible due to Spring Creek and Bluff Creek. Staff currently has to request permission from adjacent property owners to take equipment across their vacant residential lots to access this area of the park. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$600,000
Project Total	\$600,000

#### PARKS & REC FAC CNTRL UNLISTED - (Citywide)

Control project for unlisted bond funds related to the Parks and Recreation Facilities. Estimated annual operating cost is \$0.

FY24 Cost
ds \$3,520,000
al \$3,520,000

#### S MAY/AIRPORT TRAIL - Citywide

New trail from Woodson Park to Earlywine Trail. Estimated annual operating cost is \$0.

FY24 Cost
4,500,000
4,500,000

#### TRAIL WAYFINDING AND SIGNAGE - Throughout the Trail system (Citywide)

Acquisition, construction, expansion, renovation, repair, relocation, or improvements to new and/or existing City trails. Estimated annual operating cost is \$0.

	FY24 Cost
2017 G.O. Bonds	\$1,000,000
Project Total	\$1,000,000

#### TRAIL\_S AGNEW TO N OKLA RIVER - Trail from Agnew across the Oklahoma River on abandoned rail line (Ward 6)

Acquisition, construction, expansion, renovation, repair, relocation, or improvements to new and/or existing City trails. Estimated annual operating cost is \$0.

	FY24 Cost
2017 G.O. Bonds	\$1,900,000
Project Total	\$1,900,000

#### WOODSON PARK ATHLETIC CMPLX - Woodson Park, 3401 S May Avenue (Ward 3)

Acquisition, construction, expansion, equipping and improvement of new City parks, parkland, recreational facilities, or trails. Estimated annual operating cost is \$0.

FY24 Cost

2017 G.O. Bonds \$5,800,000 **Project Total** \$5,800,000

### PARKS AND RECREATION FY24 TOTAL

\$23,638,500

## PLANNING

#### HOMELESSNESS PROGRAM - Citywide

"Key to Home" Encampment Rehousing Initiative. Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$2,000,000
Project Total	\$2,000,000

#### STREETLIGHT DATA OVERVIEW - (Citywide)

Streetlight Data software overview with the Planning Department Estimated annual operating cost is \$0.

	FY24 Cost
Capital Improvement Fund	\$200,000
Project Total	\$200,000

EV24 Cost

#### IMPACT: I-44 & SW 104TH ST - I-44 & SW 104th Street. (Citywide)

Impact Project – Benefit Area: I-3 – I-44 & SW 104th Street – Construct median access improvements along SW 104th Street east of the I-44 northbound on/off ramp. Estimated annual operating cost is \$0.

	1124 COSt
Development Impact Fees	\$662,640
Project Total	\$662,640

#### IMPACT: N PENN & NW 140TH ST - N Pennsylvania Avenue & NW 140th Street. (Ward 8)

Impact Project –Benefit Area:N-5– N Pennsylvania Ave & NW 140th St – 1. Intersection modification to lengthen left turn lanes on NB, SB, & WB approaches, 2. Pedestrian crosswalk & sidewalk ramp improvements along with minor traffic signal modifications. Estimated annual operating cost is \$0.

FY24 Cost
\$750,000
\$750,000

#### IMPACT: N SANTA FE & NW 150TH - N Santa Fe Avenue & NW 150th Street. (Ward 7)

Impact Project- Benefit Area:N-5 –N Santa Fe & NW 150th – 1. Intersection widening/modifications to provide right-turn lanes on EB&WB approaches & longer left-turn lanes on all four approaches, 2. Crosswalk, sidewalk ramp, & traffic signal modifications. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$2,292,348
Project Total	\$2,292,348

#### IMPACT: NW 122ND & N ROCKWELL - NW 122nd Street & N Rockwell Avenue. (Citywide)

Impact Project – Benefit Area: I-1 – NW 122nd Street & N Rockwell Avenue – 1. Construct southbound right turn bay 150', 2. Construct northbound right turn bay 150', 3. Construct westbound right turn bay 150'. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$1,250,000
Project Total	\$1,250,000

#### IMPACT: NW 164TH & N MACARTHUR - NW 164th Street and N MacArthur Boulevard. (Ward 8)

Traffic Impact Project - Benefit Area: N-6 --- NW 164th Street and N MacArthur Boulevard - Construct northbound right turn and install traffic signal. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$725,000
Project Total	\$725,000

#### IMPACT: NW 23RD & NW GRAND BLV - NW 23rd Street & NW Grand Boulevard. (Ward 2)

Impact Project – Benefit Area: I-2 – NW 23rd Street & NW Grand Boulevard – 1. Construct southbound turn lane, 2. Construct southbound right turn. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$256,080
Project Total	\$256,080

#### IMPACT: NW 39TH EXPRSWY & TULSA - NW 39th Expressway & Tulsa Avenue. (Ward 2)

Impact Project – Benefit Area: I-1 – NW 39th Expressway & Tulsa Avenue – Construct southbound right turn bay 150'. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$879,044
Project Total	\$879,044

#### IMPACT: NW EXPRSWY & N MORGAN - NW Expressway & N Morgan Road. (Ward 1)

Impact Project – Benefit Area: R-4 – NW Expressway & N Morgan Road – 1. Construct westbound right turn, 2. Construct eastbound right turn, 3. Convert eastbound and westbound left turn to flashing yellow arrows. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$1,100,000
Project Total	\$1,100,000

#### IMPACT: NW EXPRSWY/LAKE HEFNER - NW Expressway & Lake Hefner Parkway. (Ward 2)

Impact Project – Benefit Area: C-1 – NW Expressway & Lake Hefner Parkway – 1. Implement dual right turn lanes and additional lane on channelized northbound right turn approach, 2. Add a westbound right turn lane. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$1,056,000
Project Total	\$1,056,000

#### IMPACT: NW EXPWY & W HEFNER RD - NW Expressway and W Hefner Road. (Ward 1)

Traffic Impact Project - Benefit Area: N-6 --- NW Expressway and West Hefner Road - Construct eastbound right turn, construct northbound right turn, and convert eastbound and westbound to flashing yellow arrow left turn. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$700,000
Project Total	\$700,000

#### IMPACT: NW EXPY & COUNCIL ROAD - NW Expressway and Council Road. (Ward 1)

Traffic Impact Project - Benefit Area: N-6 --- NW Expressway and Council Road - Construct eastbound right turn and construct westbound right turn. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$1,100,000
Project Total	\$1,100,000

#### IMPACT: SE 29TH ST & S SOONER - SE 39th Street & S Sooner Road (Ward 4)

Impact Project – Benefit Area: N-3 – SE 9th Street & S Sooner Road – 1. Add a dedicated westbound right turn lane, 2. Dual southbound left turn lanes Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$775,000
Project Total	\$775,000

#### IMPACT: SW 29TH WEST OF MORGAN - SW 29th west of Morgan Road. (Ward 3)

Traffic Impact Project - Benefit Area: N-1 --- SW 29th west of Morgan Road - Widen to four (4) travel lanes for approximately 1,000 feet. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$1,795,500
Project Total	\$1,795,500

#### IMPACT: SW 54TH & S PORTLAND - SW 54th Street & S Portland Avenue. (Ward 3)

Impact Project – Benefit Area: N-2 – SW 54th Street & S Portland Avenue – 1. Add eastbound and westbound right turn lanes on SW 54th Street, 2. Add dual southbound left turn lanes on S Portland Avenue. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$1,350,000
Project Total	\$1,350,000

#### IMPACT: W MEMORIAL RD & N MAY - W Memorial Road & N May Avenue. (Ward 8)

Impact Project – Benefit Area: I-1 – W Memorial Road & N May Avenue, Westbound – 1. Construct southbound right turn bay 150' on W Memorial Road, 2. Construct southbound right turn bay 150' on N May Avenue. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$253,440
Project Total	\$253,440

#### IMPACT: WILSHIRE & N COUNCIL - W. Wilshire Boulevard and N. Council Road. (Ward 1)

Traffic Impact Project - Benefit Area: N-6 --- West Wilshire Boulevard and North Council Road - Construct eastbound right turn and northbound right turn. Estimated annual operating cost is \$0.

	FY24 Cost
Development Impact Fees	\$625,000
Project Total	\$625,000

#### IMPACT:NW EXPRSWY & N INDEPENC - NW Expressway & N Independence Ave. (Ward 2)

Traffic Impact Project- Benefit Area C-1 – NW Exprsway & N Independence Ave–1. Extend right turn along NW Exprsway to N Independence Ave, E of ramp @ Hefner Prkwy, 2. Add SB left turn on N Independence Ave & restripe approach to left/through/right lanes. Estimated annual operating cost is \$0.

Mobile equipment replacement. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$1,794,000
Project Total	\$1,794,000

#### EXISTING ATOKA PIPELINE - Lake Atoka to Lake Stanley Draper (Citywide)

Maintenance and repair of the existing raw water pipeline. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$5,621,000
Project Total	\$5,621,000

-----

#### HEFNER PLANT R & R - 3827 W. Hefner Road (Ward 8)

Hefner Water Treatment Plant renewal and replacement. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$17,989,000
Project Total	\$17,989,000

#### HEFNER WTP UPGRADES - 3827 W. Hefner Road (Ward 8)

Improvements to the Hefner Water Treatment Plant to meet regulatory requirement and maintain reliable operation. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$424,000
Project Total	\$424,000
	. ,

#### LABORATORY IMPROVEMENTS - Citywide

Laboratory improvements. Estimated annual operating cost is \$0.

FY24 Cost
\$117,000
\$117,000

# LAKE MANAGEMENT PROJECTS - Lake Stanley Draper, Lake Hefner, Lake Overholser, and Lake Atoka (Citywide)

The City owns and operates several lakes. Many of the functional and structural components of the reservoir require capital funds to do major repairs and or upgrades. Estimated annual operating cost is \$0.

st

#### LARGE VALVE REPLACEMENT - Citywide

Large valve replacement. Estimated annual operating cost is \$0.

FY24	Cost
OKC Water Utilities Trust \$2,122	,000
Project Total \$2,122	,000

#### **NORTHWEST EXTENSION - Citywide**

North and Northwest extension of large transmission main from Hefner Water Treatment Plant. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$1,061,000
Project Total	\$1,061,000

-----

#### POLICY A AND A-1 PROJECTS - Citywide

Used for developments located within a service area where the potential for additional growth will require proposed water mains to be upsized to meet future development. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$106,000
Project Total	\$106,000

### **PUBLIC WORKS REIMBURSEMENTS - Citywide**

Public Works reimbursement projects. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$329,000
Project Total	\$329,000

### RAW WATER 2ND ATOKA PIPELINE - Lake Atoka to Lake Stanley Draper (Citywide)

Construction of a second raw water pipeline from Lake Atoka to Lake Stanley Draper. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$148,684,000
Project Total	\$148,684,000

#### **RELOCATION FOR ROAD PROJECTS - Citywide**

Relocation of water roadway improvement projects. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$795 <i>,</i> 000
Project Total	\$795,000

#### TECHNOLOGY UPGRADE - (N/A)

Technology upgrades. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$2,866,000
Project Total	\$2,866,000

#### **UPGRADES TO BOOSTER STATIONS - Citywide**

Upgrades to booster stations to improve reliability and resiliency. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$3,449,000
Project Total	\$3,449,000

EV24 Cost

### WATER MASTER PLAN DEVELOPMENT - (N/A)

Project to develop and/or update master planning studies to determine required future capital improvements and upgrades necessary to provide reliabile, resilient water service. Estimated annual operating cost is \$0.

	FTZ4 COSL	
OKC Water Utilities Trust	\$1,061,000	
Project Total	\$1,061,000	

### WATER STORAGE TANKS - Citywide

Add water storage tanks. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$318,000
Project Total	\$318,000

#### WATER SYSTEM PRESSURE MGMT - Citywide

Develop and update automated water system pressure zones throughout the system to provide reliable, resilient water service. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Water Utilities Trust	\$1,061,000
Project Total	\$1,061,000

### WATER FY24 TOTAL

\$260,742,000

### **ZOO**

### ADMIN & EDUCATION BLDG - 2101 NE 50th St (Ward 7)

Construction of new office & education classrooms. Estimated annual operating cost is \$0.

	FY24 Cost
OKC Zoological Trust	\$2,000,000
Project Total	\$2,000,000

### GENERAL CAPITAL MAINTENANCE - 2101 NE 50th St (Ward 7)

Capital maintenance of buildings, grounds, and exhibits. Estimated annual operating cost is \$0.

FY24 Cost	
\$2,500,000	OKC Zoological Trust
\$2,500,000	Project Total

### SEA LION COVE - 2101 NE 50th St (Ward 7)

Construction of new sea-lion exhibit at Oklahoma City Zoo. Estimated annual operating cost is \$0.

FY24 Cost

OKC Zoological Trust	\$8,000,000
Project Total	\$8,000,000

### **ZOO FY24 TOTAL**

\$12,500,000

### **OVERVIEW OF BONDS AND DEBT SERVICE**

Major capital improvements such as streets, drainage, facilities, and major equipment are often financed by bonds. This funding mechanism allows payment for infrastructure improvements to be made over multiple years, usually over the life of the improvement.

General Obligation Bonds (GO Bonds) are approved by the voters at a special election called for that purpose.

Each year, the City repays a portion of the remaining principal on GO Bonds it has issued, along with interest on the remaining balance. Together these payments are called Debt Service. The ad valorem property tax is the primary revenue source used for repaying GO Bonds. The Debt Service Fund is totally independent of the City's operating funds and because of this independence, debt service costs do not affect current or future operations.

State law does not place a cap on the amount of debt the City can incur through our General Obligation Unlimited Tax (GOULT) Bond program. However, our General Obligation Limited Tax (GOLT) Bond program is subject to an annual ad valorem property tax limit of 5 mills. Revenue bonds for water, sewer, airport and parking projects, backed by user fees, have been issued by various trusts established by the City. The City is the legal beneficiary of these trusts.

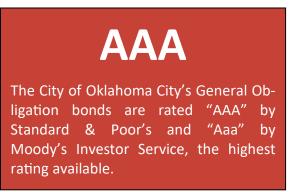

General Obligation Bonds are backed by the full faith and credit of the City, meaning the City must levy sufficient ad valorem property taxes to pay the annual principal and interest payments. By State law, the City may only use ad valorem property taxes to retire our general obligation bonds and pay judgements levied against the City. The City has a policy of keeping the ad valorem property tax rate at or near a ten-year rolling average of 16 mills.

The Debt Service budget is adopted and filed with the County Excise Board, which establishes property tax rates once the results from the previous year are finalized. The City's adopted budget will be amended during the fiscal year to address any differences that exist between the adopted budget and the final budget approved by the County Excise Board.

The City has retired approximately \$75.62 million in General Obligation bonded debt and has issued \$117 million in FY23, which will leave the total General Obligation Bond indebtedness at the end of FY23 at approximately \$1.075 billion. This equates to \$1,488 per capita estimated for FY23 compared to \$1,372 per capita at the end of FY22.

Since 2009, Standard & Poor's Global Ratings have rated Oklahoma City's General Obligation debt at the highest level (AAA). Since 2011, Moody's Investors Service have rated the City's General Obligation debt at their highest rating (Aaa).

Oklahoma City's expanding economic base, ongoing downtown redevelopment, conservative financial management, and moderate debt contributed to the City's high rating. This high rating means lower interest rates enabling the City to spend a larger portion of the funds on major capital projects.

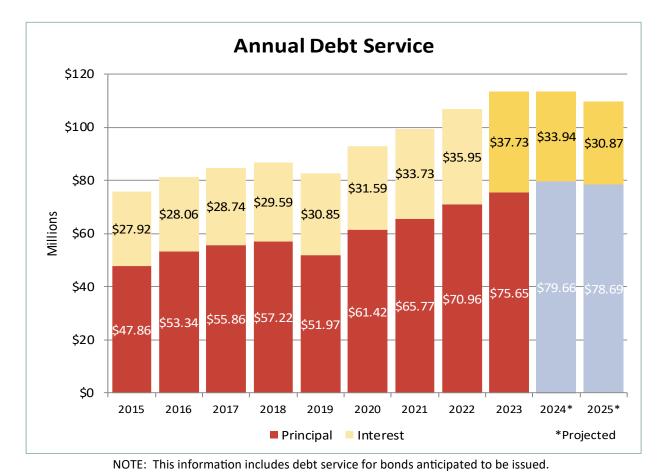

# **DEBT SERVICE BUDGET**

	Actual	Adopted	Adopted	
	FY22	FY23	FY24	
Revenues				
Ad Valorem (Property Tax)	\$101,874,717	\$83,600,579	\$121,229,086

Ending Fund Balance	\$135,324,539	\$116,804,399 *	\$128,479,968	

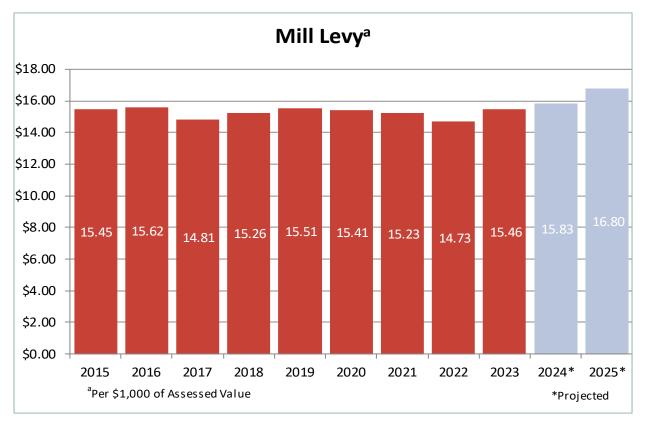

\* Estimated.

\*\* Assumes budgeted revenues and expenditures.

## **REMAINING BOND AUTHORIZATION ISSUANCE PLAN**

NOTE: This information includes tax rates for anticipated bond issues. Although there is no limit in Oklahoma State Law, the Mayor and City Council of Oklahoma City follow an informal policy of keeping the mill levy/ad valorem tax rate at or near \$16 per \$1,000 dollars of net assessed value.

### **OVERVIEW OF BUDGET GUIDELINES AND CONTROL**

THE BUDGET GUIDELINES AND CONTROL SECTION DESCRIBES OKLAHOMA CITY'S FINANCIAL PLANNING AND BUDGETING PRACTICES, INCLUDING STATE LAWS THAT AFFECT BUDGETING, HOW THE BUDGET MAY CHANGE DURING THE FISCAL YEAR, AND THE MAJOR FINANCIAL POLICIES AND PRACTICES OF THE CITY.

# **LEGISLATIVE REQUIREMENTS**

### OKLAHOMA STATE LAW ALLOWS FOR TWO METHODS OF BUDGETING. THE CITY OF OKLAHOMA CITY HAS CHOSEN THE FUND AND DEPARTMENT METHOD AND THESE ARE THE REQUIREMENTS:

1. A budget that discloses the complete financial position and condition of the City must be prepared and submitted to the Mayor and City Council at least thirty days prior to the beginning of the fiscal year.

2. The budget must contain a summary, a message from the City Manager and a description of important budget features. Actual revenues and expenditures for the immediate prior fiscal year must be included along with the budgeted revenues and expenditures for the current year and estimated revenues and expenditures for the up-coming fiscal year.

3. The estimate of revenues and expenditures must be accounted for by fund and account. The budget of expenditures for each fund may not exceed the estimated revenues. No more than 10 percent of the total budget for any fund may be budgeted for miscellaneous purposes (e.g., contingencies and reserves).

4. No later than fifteen days prior to the beginning of the budget year, the Council must hold a public hearing on the proposed budget. The date, time and place of the hearing, along with a summary of the budget, must be published in a newspaper of general circulation no less than five days before the hearing. The proposed budget is available to the public at this time.

5. After the hearing and at least seven days prior to the beginning of the budget year, Council must adopt the budget.

6. The adopted budget must be filed with the State Auditor and Inspector and the City Clerk. The adopted budget becomes effective on the first day of the fiscal year.

7. No expenditures or encumbrances may exceed 90 percent of the appropriation for any fund until revenues, including the prior fiscal year's fund balance, in an amount equal to at least 90 percent of the appropriation for the fund are collected.

8. General obligation operating debt and deficit spending are prohibited. Oklahoma City's debt service requirements are, therefore, budgeted in a Debt Service Fund. Revenue bonds may be issued by Trusts and Authorities, while voter approved general obligation bond issues may be used to finance specific capital projects.

9. The Municipal Budget Act also allows cities to transfer funds between departments and/or between expenditure categories (i.e., Capital Outlay to Personal Services, Supplies to Capital Outlay, etc.). Since these transfers represent a deviation from the adopted budget, the City Manager reports these transfers to the City Council as an informational item. This practice keeps the governing body informed of necessary operational changes as the adopted budget is implemented.

10. Trusts that have been created to benefit the City are required to submit budgets, financial reports and related materials to the Mayor and City Council.

### **LEVELS OF BUDGETARY CONTROL**

#### THE BUDGET IS ADOPTED BY THE MAYOR AND CITY COUNCIL BY FUND, DEPARTMENT AND EXPENDITURE CLASSIFICATION.

#### The following are the definitions for each classification:

**Personal Services** are the costs of personnel, such as compensating City employees for salaries, wages, and employee benefits (social security, retirement, and insurance), the cost of health insurance for retired employees, and other personnel related costs such as uniform allowance.

<u>Other Services and Charges</u> are for expenditures for services (e.g., advertising, repairs, postage), contractual arrangements, and any other expenditures that are not applicable to the other classifications.

Supplies and Materials are items used to provide City services such as fuel, parts, and office supplies.

**<u>Capital Outlay</u>** is the purchase, construction or improvement of machinery and equipment, furniture, land, buildings, and similar assets. Capital outlay items have a useful life of over one year and a cost of \$50,000 or more. Definitions differ for grant and certain special revenue funds.

<u>Transfers</u> are payments to other funds or trusts related to the City. Some transfers are general fund subsidies to other City funds.

**Debt Service** is the payment of principal and interest on bonds that financed the purchase or construction of City facilities such as roads, buildings, and water supply systems.

Actual expenditures are charged to more detailed accounts. For example, the supplies and materials classification contains distinct object accounts for fuel, office supplies, computer supplies and other commodities.

Departments have the flexibility to shift funds between accounts within the same classification (e.g., from the fuel account to the office supplies account) or between organizational divisions in the same classification (e.g., from the Fire Department/ Administration Division's personal service classification to the Fire Department / Fire Suppression Division's personal service classification).

A department cannot exceed the adopted budget for any classification without either a budget amendment or an appropriately approved budget transfer.

#### **Budget Transfers**

Transfers are more common than budget amendments and must be approved by the department (or, if funds are transferred from one department to another, by both departments), the Office of Management and Budget, the Finance Director, and in some cases, the City Manager. Transfers are reported quarterly to the Mayor and City Council for informational purposes.

#### **Budget Amendments**

The Oklahoma Municipal Budget Act permits the City Council to amend the City's annual adopted budget. The budget may be amended for supplemental appropriations up to the amount of any additional revenues that are available due to:

1. Revenues received from unanticipated sources;

2. Revenues from anticipated sources in excess of unbudgeted estimates; or

3. Unanticipated, unencumbered cash balances on hand at the end of the previous fiscal year in excess of budgeted estimates.

The Oklahoma Municipal Budget Act also allows the City Council to take action, as it deems necessary, to amend the budget if it appears that projected revenues will be insufficient to meet appropriations.

The budget amendment must be adopted at a City Council meeting and filed with the City Clerk and the State Auditor and Inspector. In the event of a budget amendment, Oklahoma City incorporates the same public notice and public hearing practices used in the adoption of the original budget.

# ACCOUNTING BASIS

### THE CITY OF OKLAHOMA CITY'S BUDGET IS BEST CHARACTERIZED AS BEING DEVELOPED ON A MODIFIED CASH AND EXPENDITURES/ENCUMBRANCES BASIS.

The operating budget is an estimate of revenues and expenditures for one fiscal year. Only revenues expected to be received in cash during the year or soon thereafter are included in revenue estimates, as well as any fund balance that will be used for one-time expenditures during the coming year. Only amounts that will be spent or encumbered (under contract) by the end of the fiscal year are budgeted as expenditures. This is in conformance with the Oklahoma Municipal Budget Act that does not allow the City to incur operating fund obligations for more than one fiscal year.

Annual financial reports are prepared under the modified accrual and accrual basis of accounting, as required by Generally Accepted Accounting Principles (GAAP). The annual financial report also compares actual revenues and expenditures on the budgetary basis to the budget so that budget performance can be measured.

The City of Oklahoma City's budgetary basis of accounting differs from the basis of accounting required by GAAP for preparing the City's Annual Comprehensive Financial Report (ACFR). The major differences between the budgetary basis of accounting and the basis of accounting required by GAAP are listed in the following paragraphs. A reconciliation of the budgetary basis and GAAP basis fund balances is provided each year in the ACFR.

1. For budgetary purposes, only revenues expected to be received in cash during the year or soon thereafter are included in revenue estimates along with unreserved fund balance expected to be used during the coming year. For GAAP purposes, governmental fund type revenues are recognized when they are both "measurable and available" according to the modified accrual basis of accounting. Proprietary fund type revenues are recognized when earned according to the accrual basis of accounting.

2. For budgetary purposes, only amounts that will be spent or encumbered (under contract) by the end of the fiscal year are budgeted as expenditures. For GAAP purposes, governmental and proprietary fund type expenditures are recorded when incurred according to the modified accrual and accrual basis of accounting. Encumbered amounts are commonly treated as expenditures for budgetary purposes, while encumbrances are never treated as expenditures for GAAP purposes.

3. Transactions, such as transfers, classified as "other financing sources (or uses)" in the ACFR for GAAP purposes are classified as revenues and expenditures for budgetary purposes.

4. All City public trust revenues and expenses are incorporated for GAAP purposes but only included in budgetary revenues and expenses to the extent that transfers are budgeted from or to a City fund by the public trust.

# **OVERVIEW OF FINANCIAL POLICIES AND PRACTICES**

THIS SECTION DESCRIBES THE MAJOR POLICIES AND PRACTICES THAT GUIDE OKLAHOMA CITY'S FINANCIAL PLANNING AND MANAGEMENT. POLICIES ARE SHAPED BY STATE LAW AND ESTABLISHED BY THE MAYOR AND CITY COUNCIL. PRACTICES ARE DETERMINED BY CITY MANAGEMENT AND, WHILE OFTEN RATIFIED BY THE MAYOR AND CITY COUNCIL IN ANNUAL BUDGETING AND OTHER MAJOR DECISIONS, HAVE NOT BEEN ADOPTED AS POLICIES.

A RESOLUTION ADOPTING UPDATED BUDGETING AND FINANCIAL PLANNING POLICIES, ADOPTED BY THE CITY COUNCIL APRIL 12, 2022, REQUIRES THAT THE CITY MANAGER PREPARE AND SUBMIT THE PROPOSED BUDGET IN ACCORDANCE WITH THE FOLLOWING POLICIES. A STATEMENT OF COMPLIANCE AND TABLE CAN BE FOUND ON PAGES F19-F20.

- **1. Balanced Budget.** Under Title 11, Oklahoma Statutes, Section 17-206, the budget of expenditures for a fund may not exceed the estimated revenues, including budgeted fund balance, for the fund.
- 2. Municipal Budget Act. The City of Oklahoma City originally chose to begin using and complying with the Municipal Budget Act (Title 11, Sections 17-201 through 17-218) on December 18, 1979 (Item VIII. B.) for its budget process. The City will continue to follow the provisions and requirements of the Municipal Budget Act in its annual budgeting process.
- 3. Borrowing for Operations. The City will not borrow from any external source to fund ongoing operations.
- **4. Fund Balance.** Fund Balance should not be budgeted as revenue to support ongoing operations in the annual budget. Fund Balance may be budgeted to fund one-time expenditures. Fund balance may be drawn upon for cash flow needs and may be used as revenue without amending the budget if other revenue sources in total fall short of the estimate used in the adopted budget.
- **5. Reserves.** To provide cash flow, meet unexpected needs, and minimize the disruption caused by decreases in revenues over the course of a fiscal year, City operating funds should maintain two types of reserves: contingency and operating reserve.
  - a. Contingency. Each City fund should include an appropriation adequate to fund a contingency account of a targeted amount of 2% of the fund's budgeted expenditures. As needs arise, appropriations may be transferred from the contingency account within legal and procedural limitations on transfers. The Municipal Budget Act specifies that no more than 10% of the total budget may be budgeted for miscellaneous purposes. This account would count as a miscellaneous purpose under the Municipal Budget Act because what it will be used for cannot be known.
  - **b. Operating Reserve.** Operating reserve is the fund balance carried forward into the next fiscal year that is not budgeted. Each City fund will maintain an operating reserve, although the requirements for operating reserve differ depending on the type of fund.
    - i. General Fund: The General Fund shall maintain operating reserves at the beginning of each fiscal year in the amount of no less than 17% and no more than 22% of the total General Fund budget for that fiscal year. This equates to maintaining approximately 2-3 months of expenditures in operating reserves. The Government Finance Officers Association (GFOA) recommends a minimum of two months' worth of operating revenues or expenditures be maintained in operating reserve. General Fund operating reserves should be counter-cyclical; reserve requirements are higher when the financial condition of the City is better so that operating reserves may be drawn down should the financial condition worsen. If the operating reserve falls outside of the 17%-22% range, the City Manager will recommend appropriate action to address the situation. Should operating reserves fall below the minimum level, it will be the goal of the City to restore the operating reserve to the minimum level within two years. Should the operating reserve exceed the recommended maximum level, the City Manager may recommend that the excess be transferred to a capital maintenance reserve (see Section 5(c) "Capital Maintenance Reserve" below).

- **ii. Other Funds.** Any fund that supports personnel or other ongoing operating expenditures shall maintain operating reserves at a target level of at least 10% of the total budgeted expenditures of the fund for the ensuing fiscal year. For the purposes of this section, "budgeted expenditures" means total budgeted expenditures and budgeted transfers to other funds for the ensuing fiscal year for a fund. City enterprise funds that are fully supported by a trust of the City, such as the Oklahoma City Water Utilities Trust or the Oklahoma City Airports Trust, are excepted from this operating reserve requirement. Funds fully supported by a trust will follow the trust policy for operating reserve requirements.
- c. Capital Maintenance Reserve. City facilities require regular capital maintenance to extend the life of the facility and to keep them functioning effectively. To ensure that City facilities are well maintained, a new Capital Maintenance Reserve Fund will be established. The fund shall be dedicated to the maintenance of City facilities, and the primary source of revenue in the fund shall be contributions from the General Fund when the operating reserve level in the General Fund exceeds the high end of the range, and the City Manager recommends a contribution be made to the Capital Maintenance Reserve Fund. Should the General Fund's operating reserve fall below 17%, the City Manager may recommend funds be transferred from the Capital Maintenance Reserve to the General Fund for liquidity purposes and bring the operating reserve back to the minimum levels recommended in this policy.
- **d. Reporting requirements.** The City Manager shall notify the Mayor and Council of reserve and contingency levels for all funds in the proposed budget.
- 6. Performance-based Budget. The City Manager shall develop and present a budget that includes meaningful measures of the performance of City government in meeting its various service demands. Such measures should be tied to individual programs, address specific services or functions, and should measure the effectiveness and efficiency of services delivered rather than only the workload generated. Historical performance measures data and performance targets for the coming fiscal year shall be transmitted to the Mayor and City Council along with the proposed budget. The same information should be published in the Annual Budget Book. The City Manager shall consider the validity of the measures and the ability of departments to meet the expected level of performance in allocating funds in the proposed budget.
- **7. Scope of Budget**. The annual budget shall estimate revenues and make appropriations for spending on all City, State, and federal funds estimated to be available to the City during the fiscal year.
  - **a.** Several funds within the budget have differing controls over them than the adopted budget. These are Grant Funds, the Debt Service Fund, and the Bond Fund. While appropriations for these funds are contained in the annual budget, they are controlled by different sources than the annual budget.
    - i. The annual budget will contain an estimate of revenues and expenditures in the federal, state, and private grant funds; however, the control of those funds is at the individual grant level, not at the broader fund level.
    - **ii.** The Debt Service Fund, also referred to as the Sinking Fund, will be included in the annual budget; however, the County Excise Board approves the final Debt Service budget. The Finance Department will amend the annual budget to bring it in line with the final budget approved by the County Excise Boards for the counties in which Oklahoma City is located; however, it is the annual budget and State law, under Title 11, Section 17-207, which governs the Debt Service Fund budget.
  - **b. Trust Budgets.** All trusts for which the City is the beneficiary must submit their annual budget to the City Council to be received by Council, so they are aware of the financial activity in those trusts.

8. Annual Budget Book. In addition to the annual budget adopted by the City Council, the City shall make available an Annual Budget Book on the City's website. This book shall include such information as may be useful to residents, including information on programs, performance, and staffing levels.

### 9. Appropriations for Fiscal Year.

- a. Level of control. The annual budget shall be filed with the State Auditor and Inspector as required by Title 11 Oklahoma Statutes, Section 17-209, to the level of specificity required by Title 11 Oklahoma Statutes, Section 17-213. The annual budget shall make appropriations specific to the fund, department, and general character of expenditure. Funds may be encumbered in accordance with Title 62 Oklahoma Statutes, Section 310.2 and the City Charter and Code, provided that the unencumbered, unexpended balance of the appropriation as a whole is not exceeded.
- **b. Transfers.** The Oklahoma Municipal Budget Act (Oklahoma Statutes Title 11, section 17-201 et. seq) provides for certain transfers of unexpended and unencumbered appropriations by the chief executive officer or designee as authorized by the governing body. To streamline the process and decrease delays in processing, the following procedure is put in place:
  - i. The City Manager may authorize transfers of any unexpended and unencumbered appropriation or any portion thereof from one account class (categories of budget as described in the Municipal Budget Act) to another within the same department or from one department to another within the same fund (except that no appropriation for debt service or other appropriation required by law or ordinance may be reduced below the minimum required).
  - ii. The City Manager may designate the Assistant City Managers to authorize transfers.
  - **iii.** Assistant City Managers shall authorize transfers between departments within the same fund.
  - iv. The Finance Director shall authorize transfers between account classes within any department within the same fund.
  - v. The City Manager shall authorize all transfers involving Non-Departmental contingency.
  - **vi.** The City Manager will inform the Council of all transfers through regular City Manager reports on adjustments to the budget by transfers.
- **c.** Lapsed appropriations. The fiscal year ends on June 30th. State law, under Title 62 of Oklahoma Statutes Section 310.4, provides a 90-day period from June 30th to September 30th where claims for payment for goods or services ordered in the previous fiscal year can be made against appropriations from the prior fiscal year. After that time, no further claims can be made against prior year appropriations.
- **10.** Budget Amendments. The annual budget shall be amended in accordance with Title 11 Oklahoma Statutes, Section 17-216.

- **a.** The governing body may amend the budget to make supplemental appropriations to any fund up to the amount of additional revenues which are available for current expenditures for the fund due to:
  - i. Revenues received or to be received from sources not anticipated in the budget for that year;
  - ii. Revenues received or to be received from anticipated sources but in excess of the budget estimates therefor; or
  - iii. Unexpended and unencumbered fund balances on hand at the end of the preceding fiscal year, which had not been anticipated or appropriated in the budget. Any appropriation authorizing the creation and indebtedness shall be governed by the applicable provisions of Article 10 of the Oklahoma Constitution.
- **b.** If at any time during the budget year it appears probable that revenues available will be insufficient to meet the amount appropriated or that, due to unforeseen emergencies, there is temporarily insufficient money in a particular fund to meet the requirements of appropriation for the fund, the governing body shall take action as it deems necessary. For that purpose, it may amend the budget to reduce one or more appropriations, or it may amend the budget to transfer money from one fund to another fund. Still, no appropriation for debt service may be reduced, and no appropriation may be reduced by more than the amount of the unencumbered and unexpended balance thereof. No transfer shall be made from the debt service fund to any other fund except as permitted by the terms of the bond issue or applicable law.
- **c.** A budget amendment as provided in this section authorizing supplemental appropriations or a decrease in the total appropriation of funds shall be adopted at a meeting of the governing body and filed with the municipal clerk and the State Auditor and Inspector. Any resolution amending the budget of any fund to recognize and appropriate fund balance shall state the reason for the amendment and the estimated impact upon reserve levels.
- **11.** Long-Term Planning. The City Manager shall, at least every other year, prepare and transmit to the Mayor and City Council a forecast of City revenues and expenditures for the ensuing five years and the major financial policy issues likely to be addressed in that five-year period.
- **12. Decentralization.** The City Manager shall make every effort to involve departments in the preparation of the proposed budget and give managers maximum legal flexibility in encumbering and expending funds once the budget is adopted. See, e.g., Title 62 Oklahoma Statutes, Section 310.2.
- **13. Capital Expenditure.** Capital expenditure is the cost of new construction, renovation, acquisition, or capital maintenance of City infrastructure, facilities, or other capital investments, to ensure the continuation of service, enhance operations and promote economic development. The City will make efforts to fund capital expenditures through an increase in General Fund spending and commitment of "non-recurring" revenue sources. As a target, the City will work to budget 1-3% of the General Fund for capital expenditures and/or transfer to the Capital Improvement Projects Fund each year.
- **14. Capital Planning.** Every other year, the City Manager shall submit a five-year capital improvement plan to the Mayor and City Council. This plan shall seek to ensure the adequate condition and sustainability of the City's infrastructure, facilities, and capital investments. The Plan should also address the City Council's priorities, federal and state mandates, and comply with the City's current comprehensive plan.

- **15. Arbitrage Compliance.** To comply with federal regulations under the Internal Revenue Code (IRC), Section 148 on interest earnings on tax-exempt bonds, the City shall annually project payments to the federal government for arbitrage penalties, rebates, and other payments for the next five years. Funds that owe arbitrage penalties will pay their own costs each year.
- **16. Cost Allocation Plan**. The City Manager shall annually prepare and distribute a cost allocation plan. This plan should allocate the costs of the various administrative departments, such as the Finance Department or Municipal Counselor Department, among all departments offering direct service to the public. The plan should conform to all requirements of federal funding agencies regarding such plans. The plan should be as simple as possible while maintaining equity. In preparing the cost allocation plan, the City Manager shall solicit input from both the administrative departments whose costs are allocated and the direct service departments to which costs are allocated. The City Manager may determine which allocated costs are paid from one department or fund to another based on the ability to pay but shall maintain equitable treatment of all departments or funds.
- **17. Interest Service Funds.** The City shall establish separate funds for the provision of certain services that support the operations of all City Departments. Currently, Information Technology, Risk Management, Fleet Services, and the Print Shop are set up as internal service funds. The internal service funds shall establish methodologies for charging for their services to departments that fairly represent the level of service provided to each department. The internal service funds shall be self-sustaining and not subsidized so that the costs of their services may be accurately reflected in department budgets.
- **18. Interest and Investment Income.** Interest and investment income earned by each fund shall be deposited in the same fund. All interest and investment income shall have the same purpose as that of the fund.
- **19. Revenues.** The City must be sensitive to the balance between the need for services and the City's ability to support those services.
  - a. Mix of Revenues. The City should strive to maintain a diversified mix of revenues to balance the sources of revenue amongst taxpayers and to provide ongoing stability and predictability. The City will strive to keep a total revenue mix that encourages growth and keeps Oklahoma City economically competitive and a city of choice for people to live and do business.
  - **b.** Charges for Services. As much as is reasonably possible, City services that provide direct benefit should be supported by fees and charges to provide maximum flexibility in the use of general City taxes to meet the cost of services of broader public benefit. Fees should recover full costs, including all direct costs, capital costs, department overhead, and Citywide overhead. Departments that impose fees or service charges should prepare and periodically update cost-of-service studies for such services.
- **20. Retirement Contributions.** The City shall provide its share of contributions to the City's Police and Fire retirement systems in accordance with the state statutes establishing each system. Consistent with §40-62(b) of the Municipal Code, the City shall provide the actuarially determined contribution for all employees covered by the Oklahoma City Employee Retirement System (OCERS) to maintain a fully funded position, as determined in the annual report from the OCERS actuary, up to a maximum of to 10%.

### **CAPITAL PLANNING**

### OKLAHOMA CITY'S CAPITAL PLANNING PROCESS IS GOVERNED BY ORDINANCES AND RESOLUTIONS ADOPTED BY THE CITY COUNCIL. THE CAPITAL PLANNING POLICIES ARE SUMMARIZED BELOW:

- 1. The Capital Improvement Plan (CIP) covers five years and is prepared every two years.
- 2. The CIP identifies projects and includes estimated capital cost, operating cost impact, justification, relationship to adopted plans and policies, and proposed sources of funding.
- 3. Project evaluation criteria are established by the City Manager.
- 4. The CIP is sent to applicable boards, trusts, authorities and commissions for review and comment prior to its adoption. Comments and recommendations need not be incorporated in the plan.
- 5. The City Council adopts the CIP after at least one public hearing with adequate notice to citizens of hearing time and place.
- 6. The CIP may be amended by the City Council. Amendments may change the priority for a project, change the proposed commencement year, or increase the estimated cost.
- 7. Projects may be added to the CIP by the City Council after recommendation by the City Manager, review by appropriate boards, trusts, authorities and commissions, and a public hearing.

# THE CITY MANAGER PROVIDES THE CITY COUNCIL PERIODIC PROGRESS REPORTS ON THE STATUS OF CAPITAL IMPROVEMENT PROJECTS.

## REVENUE

### OKLAHOMA CITY'S AUTHORITY FOR GENERATING REVENUE IS LIMITED BY STATE LAW. SPECIFIC USER FEES ARE SET BY THE CITY COUNCIL, WHILE MUNICIPAL TAXES REQUIRE VOTER APPROVAL.

### **REVENUE POLICIES SUMMARIZED**

- 1. The City sales tax rate is currently established at 4.125%. Of this amount, the General Fund receives 2.25%, the Public Safety Sales Tax Fund receives 0.75%, divided equally between the Police and Fire Departments, the Oklahoma City Zoo receives 0.125%, and 1.00% is dedicated to the MAPS 4 Program.
- 2. The hotel tax collection rate is established at 5.5% of gross receipts of all room rentals at the sales value of the room. Collections are dedicated to promoting convention and tourism and to capital improvements at the fairgrounds.
- 3. Occupational taxes and utility taxes and fees are established at various rates.
- 4. User fees are established and revised by the City Council. The City Code includes a general schedule of fees which is updated by ordinance each time fees change.
- 5. Fees, penalties, and assessments for late payment are authorized by the various provisions establishing fees and taxes.

### **REVENUE PRACTICES**

- 1. Revenues are estimated annually.
- 2. Efforts are made to diversify revenues.
- 3. User charges are reviewed periodically and recommendations to increase or decrease charges are based on the following:
  - a. The history of charge levels, including how long present charges have been in place.
  - b. For charges that defray all or part of the cost of delivering a service, how revenues compare to costs.
  - c. How City charges compare to those of surrounding and comparable cities.
  - d. The potential impact on the City, the local economy and on individuals and firms who will pay the charge.
- 4. Increases to user charges are to be implemented incrementally whenever possible.

Sales, use and hotel tax revenues are monitored and reported to the City Manager, the Mayor and City Council each month. Total City revenues are monitored, analyzed and reported to the City Manager monthly and to the Mayor and City Council quarterly.

### INVESTMENT

### THE CITY TREASURER FOLLOWS THREE MAJOR PRIORITIZED OBJECTIVES IN INVESTING THE CITY'S FUNDS: SAFETY, LIQUIDITY AND RETURN ON INVESTMENTS.

The City Council approved a revised and updated investment policy effective August 1, 2017. The City's investment policy incorporates City Charter, Municipal Code and statutory requirements and recognizes standards promulgated by the Government Finance Officers Association and the Association of Public Treasurers of the United States and Canada. In accordance with this policy, the City Treasurer follows three major prioritized objectives in investing the City's funds: safety, liquidity and return on investments.

**Safety**. Safety of principal is the foremost objective of the City's investment program. Investments of the City shall be undertaken in a manner that seeks to ensure the preservation of capital of the portfolio. This objective will be to minimize credit risk and interest rate risk.

Liquidity. The City's investment portfolio shall at all times be sufficiently liquid to enable the City to meet all operating cash flow needs that are reasonably anticipated. This will be accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands.

**<u>Return on Investments</u>**. The City's investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the City's investment risk constraints, liquidity needs and cash flow characteristics of the portfolio. Return shall be subordinate to safety and liquidity.

The Charter of Oklahoma City Article IV, § 13, provides for the investment of municipal funds in the custody of the City Treasurer upon the direction of the Council and only in such securities as are provided by the Constitution and the laws of the State of Oklahoma for the investment of the municipal funds. The statutes that bear on the investment of municipal funds are 62 O.S. Supp. 2000 § 348.1; 62 O.S. Supp. 2000 §§ 348.3 and 62 O.S. Supp. 2000 §§ 517.1 et seq. The City Manager is authorized to appoint Assistant City Treasurers to assist with the function of the City Treasurer and perform the duties of City Treasurer in absence or incapacity as specified in the Oklahoma City Municipal Code, § 2-232 (2002). In accordance with these provisions, the City Treasurer and Assistant City Treasurers will authorize all purchases, sales and trades of investments in accordance with the scope, objectives and covenants of the policy including those recommended by any independent professional investment consultants hired by the City. The City Treasurer shall be responsible for all transactions undertaken and shall establish a system of controls and procedures to regulate the activities of assistants and any independent professional investment consultants.

The City Treasury personnel who have authority to invest public funds, make wire transfers, or who have signatory authority for depository accounts are required to be bonded in accordance with the Oklahoma City Municipal Code, § 2-233 (2002). The City Treasurer and a designee of the City Manager's Office will review all investment transactions.

The City currently invests in short-term U.S. Treasury securities, callable and non-callable agencies, collateralized or insured certificates of deposit, collateralized savings accounts, money market funds repurchase agreements and prime commercial paper. Repurchase agreements are fully collateralized by U.S. Treasury securities and agencies under a master repurchase agreement.

The City's basic investment strategy is to structure the investment portfolio to meet various cash flow needs and attain a market-average rate of return.

Through historical experience, the Treasurer has documented the on-going cash flow needs of the City (e.g. bi-weekly payroll, vendor payments, debt service payments, and capital project requirements). In most instances, investment maturities are laddered to cover specific, known cash flow requirements throughout the year, such as debt service payments and capital improvement program expenditures. Short term investments, including money market funds, high balance savings accounts and prime commercial paper are maintained for liquidity.

### INVESTMENT

This portfolio strategy allows the City to meet liquidity requirements and provides the City reasonable rates of return under various market conditions. The portfolio is structured within the maturity and type limitations described below.

### **MATURITY LIMITATIONS**

Percentage of Total Invested Principle

	MAXIMUM %	<u>MINIMUM %</u>
0-1 Year	100%	5%-25%
1-3 Years	90%	0%
3-5 Years	90%	0%

### **INVESTMENT TYPE LIMITATIONS**

Percentage of Total Invested Principal

	MAXIMUM %	MINIMUM %
Repurchase agreements	100%	0%
U.S. Treasury Securities*	100%	0%
Certificates of deposit	50%	0%
Money market funds	100%	0%
Savings account	100%	0%
U.S. non-callable agencies securities	100%	0%
U.S. callable agencies securities	20%	0%
Prime commercial paper	7.5%	0%
Direct City debt obligation and judgments	5%	0%

<sup>\*</sup>Includes SLGS

The investment policy also has additional provisions pertaining to the following:

- Standard of care
- Ethics and conflict of interest
- Authorized depository institutions/financial dealers
- Collateralization
- Safekeeping and custody
- Delivery versus payment
- Internal controls
- Investment committee
- Investment procedures
- Record keeping and reporting
- Interest earnings
- Competitive selection of investments
- Performance standards
- Bond fund proceeds
- Policy adoption
- Advance refunding escrows

### **DEBT MANAGEMENT**

The issuance of debt is controlled by the relevant provisions of the Oklahoma State Constitution, Oklahoma State Statutes, Oklahoma City Charter, Oklahoma City Municipal Code, Oklahoma City Debt Management Policy and other rules and regulations promogulated by various regulatory and government agencies such as the Securities and Exchange Commission and the Internal Revenue Service.

# THE CITY AND THE PUBLIC TRUSTS, OF WHICH THE CITY IS A BENEFICIARY, ISSUE THE FOLLOWING TYPES OF BONDS:

- <u>General Obligation Bonds</u>. The City may issue general obligation bonds that have been approved by a majority of the voters, voting in an election, for the purpose of approving various municipal improvements. These bonds are sold at a competitive public sale, backed by the full faith and credit of the City, and retired by an annual ad valorem property tax levy. The City strives to issue general obligation bonds in amounts designed to keep the ten year average ad valorem tax rate at or near 16 mills.
- 2. <u>Revenue Bonds</u>. The City has created a number of trusts to finance City services that have issued revenue bonds to acquire assets or construct improvements. The debt of these trusts does not constitute debt of the City and is payable solely from the resources of the trusts.

# THE CITY'S CAPITAL FUNDING AND DEBT MANAGEMENT PRACTICES ARE DESIGNED, AS FOLLOWS:

- 1. To maintain a balanced relationship between issuing debt and pay-as-you-go financing.
- 2. To use debt only for capital projects that cannot be financed from current revenues.
- 3. To schedule maturities of debt so as not to exceed the expected useful life of the capital project or asset(s) financed.
- 4. To maintain and improve current bond ratings so that borrowing costs are minimized and access to credit is preserved. Good communication with bond rating agencies will be maintained and the City will follow a policy of full disclosure on official bond statements.
- 5. To actively monitor its investment practices to ensure maximum returns on its invested bond proceeds while complying with Federal arbitrage requirements.
- 6. To comply with all continuing disclosure obligations and reporting of material events as required by the Securities and Exchange Commission Rule 15c2-12.

# PROCUREMENT

### THE CITY COUNCIL HAS ADOPTED THE FOLLOWING PURCHASING POLICIES:

- 1. Comply with all pertinent state and local legal requirements governing purchasing.
- 2. Act to purchase for the City the highest quality in supplies and contractual services at the least expense consistent with prevailing economic conditions, while establishing and maintaining a reputation of fairness and integrity.
- 3. Endeavor to obtain as full and open competition as possible on all purchases and sales, and to competitively bid all formal contracts without undue restrictions and with open competition.
- 4. Provide a fair and equal opportunity to all vendors.
- 5. Maximize the possibilities of buying in large quantities, so as to take full advantage of discounts.
- 6. Strive to process all payments due vendors promptly and without unnecessary delay.
- 7. Obtain the greatest possible revenue from the disposal of surplus or obsolete materials and equipment.
- 8. Conduct the entire process of public purchasing in an open, impartial and ethical manner. In this regard, this policy prohibits the acceptance of gratuities, gifts or other favors that might raise questions concerning the impartiality of the process.
- 9. Maintain accountability through a system of checks and balances, stringent accounting and budget controls and periodic reports to supervising officials.
- 10. Keep abreast of current developments in the field of purchasing, pricing, market conditions and new product development, and to secure for the City the benefits of any research done in the field of purchasing.
- 11. The City Manager, with the assistance of the Municipal Counselor and City Auditor, has issued a City of Oklahoma City Purchasing Policies and Procedures Manual to all departments based on the formal policies established by the City Council.
- 12. The City Manager shall amend the manual as required by changes in pertinent law, ordinances or operating procedures.

### **ACCOUNTING AND AUDITING**

### **FINANCIAL REPORTING**

- 1. The City's approach to financial reporting and disclosure is comprehensive, open and accessible. The objective of financial reporting activities is to provide interested parties with accurate, timely and understandable information concerning the City's financial operations and results.
- 2. The City has a comprehensive accounting information system. Interim financial statements provide City management, the Mayor and City Council with regular financial analyses. The City's accounting and financial reporting comply with Generally Accepted Accounting Principles (GAAP).
- 3. The City produces the Annual Comprehensive Financial Report (ACFR) for the City and the Oklahoma City Employee Retirement System and annual reports for major public trusts, in accordance with state and federal law. This reporting attempts to meet or exceed industry standards (established by the Governmental Accounting Standards Board) for financial reporting. The ACFR encompasses the City and related public trusts, associations, foundations, etc. as determined to comprise the City's reporting entity and over which the City exercises accountability and serves as the City's primary external reporting document.
- 4. The City also produces financial reports meeting regulatory requirements for secondary market disclosure, as determined by the Securities and Exchange Commission and other financial documents required to maintain the City's regulatory compliance.

### **INTERNAL CONTROLS**

- 1. The City's internal control environment is designed to safeguard City assets and provide reliable financial records. Reasonable assurances are provided through implementation of the following internal controls.
  - a. Transactions are executed in accordance with City Council and/or management's general or specific authorization.
  - b. Transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP or other criteria applicable to such statements and/or to maintain accountability for assets.
  - c. Access to assets is permitted only in accordance with the City Council and/or management's authorization.
  - d. The recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences.
- 2. The City's internal controls are reviewed annually as a part of the independent audit and in compliance with federal and state regulations. Internal controls are also routinely reviewed by internal auditors. The City implements cost effective management and internal control recommendations.

### AUDITING

- 1. By City Council resolution, the Audit Committee Charter was established as a standing committee of the City Council.
- 2. The Audit Committee reviews matters relating to internal and external auditing and the City's system of internal controls. The Audit Committee promotes cooperation among auditors and management, preserves the independence of the auditing function and ensures that appropriate action is taken on audit findings.
- 3. The City Charter and Oklahoma Statutes require an annual independent audit. Statutes also require annual audits of active public trusts. The City and its public trusts comply with audit requirements.
- 4. The City's independent auditor is competitively selected based on technical qualifications to obtain qualified audit services at the lowest cost to the City.
- 5. By City Council resolution, public trusts of which the City is the beneficiary are encouraged to use the independent auditor competitively selected by the City. The City complies with the Single Audit Act which requires that a comprehensive audit of federal funds be conducted in conjunction with the City's annual financial audit associated with the ACFR.
- 6. The City Auditor is appointed by the Mayor and City Council. The position of City Auditor is established by the City Charter and the office has been confirmed and established by ordinance as the Auditing Department. The Auditing Department and the City Auditor are a part of the Division of Public Affairs whose duties and responsibilities as established by the City Charter or related ordinance include, but are not limited, to the following:
  - a. determine whether management has established and complied with procedures and practices to ensure that:

City operations are being conducted efficiently and effectively, in a manner consistent with the intended objectives of the governing body and in compliance with applicable laws and regulations; resources, including funds, contractual rights, property and personnel, are adequately safeguarded; and financial and management records and reports disclose fairly, accurately and completely all information that is required by law, that is necessary to assess the City's financial position and that is necessary to understand and evaluate the results of operations.

- b. evaluate and report on the adequacy and effectiveness of the internal control structure established and utilized over the payment of municipal funds;
- c. attend bid openings and verify the correctness, completeness and accuracy of bids received; and
- d. receive and file annually property inventories.
- 7. The Office of the City Auditor develops an audit plan which is submitted for the review and approval of Mayor and Council. The Comprehensive Audit Plan is a detailed work program that allocates the professional hours available among specified audit engagements.
- 8. Policies and procedures adopted by resolution of Mayor and Council direct that the operations of the Office of the City Auditor shall be conducted in accordance with government auditing standards.

# STATEMENT OF COMPLIANCE WITH BUDGETING AND FINANCIAL PLANNING POLICIES

A RESOLUTION ADOPTING UPDATED BUDGETING AND FINANCIAL PLANNING POLI-CIES, ADOPTED BY THE CITY COUNCIL APRIL 12, 2022 REQUIRES THAT THE CITY MAN-AGER PREPARE AND SUBMIT THE PROPOSED BUDGET IN ACCORDANCE WITH THE POL-ICIES SPECIFIED BY THE RESOLUTION AND THAT THE PROPOSED BUDGET INCLUDE A STATEMENT OF THE EXTENT TO WHICH IT COMPLIES WITH THOSE POLICIES.

### **SUMMARY OF BUDGET REQUIREMENTS**

- 1. **Scope of Budget**. This budget complies with the policy requiring that all City funds be budgeted.
- 2. <u>Appropriations for Fiscal Year</u>. The budget complies with policy requirements regarding level of budgetary control and appropriations lapsing at the end of the fiscal year.
- 3. <u>Financial Forecast</u>. Information from the five-year financial forecast, required at least every two years, was last presented to Council in February.
- 4. <u>Decentralization</u>. This budget was prepared with department involvement as required by the policy.
- 5. **<u>Performance-based Budget</u>**. This budget includes measures of performance and has considered them when allocating funds, as required by the policy.
- 6. **Operating Reserves**. The policy requires each City fund to maintain two types of reserves: fund balance and contingency.
  - <u>Contingency</u>. Each City fund should include an appropriation adequate to fund a contingency account of a targeted amount of 2% of the fund's budgeted expenditures. Refer to the Table of Compliance for contingency levels for each operating fund.
  - **Fund Balance**. Fund Balance is an unbudgeted reserve which may be drawn upon for cash flow needs, and may be used as revenue without amending the budget if other revenue sources in total fall short of the estimate used in the adopted budget. The policy states that Fund Balance should not be used to fund on-going operations and this budget meets this requirement.
  - <u>General Fund</u>. The General Fund shall maintain reserves at the beginning of each fiscal year in the amount of no less than 17% and no more than 22% of the total General Fund budget for that fiscal year. This equates to maintaining approximately two months of expenditures in operating reserves. For the purposes of this section, "budgeted expenditures" means total budgeted General Fund expenditures and budgeted transfers to other funds for the ensuing fiscal year.
  - <u>Other Funds</u>. Any fund that is not partially funded through transfers from the General Fund and supports personnel or other ongoing operating expenditures shall maintain reserves at a target level of at least 10% of the total budgeted expenditures of the fund for the ensuing fiscal year. City enterprise funds that are fully supported by a trust of the City are excepted from this operating reserve requirement. Funds that are fully supported by a trust will follow the trust policy for operating reserve requirements.
- 7. Borrowing for Operations. This budget will not require any fund to borrow for ongoing operations.
- 8. <u>Capital Expenditures</u>. City policy is that non-recurring revenue be used for capital and one-time expenses. As a target, the City works to budget 1-3% of the General Fund for capital expenditures.
- 9. <u>Cost Allocation Plan</u>. A cost allocation plan was prepared, distributed to departments, and used as the basis for determining Administrative Service Chargebacks as required by policy.
- 10. Interest and Investment Income. Interest and investment income earned by each fund shall be deposited in the same fund.
- 11. Budget Amendments. If budget amendments are necessary, they will be conducted as required by policy.

## TABLE OF COMPLIANCE WITH RESERVE POLICY

Operating Only		FY24 Proposed	FY24 Budgeted	Contingency as a %	Projected Unbudgeted	Fund Bal. as a %
		Budget	Contingency	of Budget	Fund Balance	of Budget
			(a)	(b)	(c)	(d)
(e)	General Fund	\$604,329,755	\$9,163,852	1.52%	\$164,078,528	27.15%
(g)	Asset Forfeiture Fund	\$3,261,989	836,437	25.64%	\$1,332,453	40.85%
(e)	Court Admin. and Training Fund	127,000	6,400	5.04%	38,191	30.07%
(g)	Fire Sales Tax Fund	56,638,474	5,015,000	8.85%	19,455,117	34.35%
(e,f,g)	Hotel/Motel Tax Fund	14,740,995	0	0.00%	4,376,494	29.69%
	MAPS 3 Use Tax	2,018,575	1,959,197	97.06%	213	0.01%
	MAPS 4 Use Tax	18,966,814	13,950,273	73.55%	159,859	0.84%
(g)	Medical Service Program Fund	14,106,352	1,826,419	12.95%	11,179,165	79.25%
(g)	Police Sales Tax Fund	53,486,471	1,866,979	3.49%	26,366,950	49.30%
(g)	Stormwater Drainage Fund	22,956,449	605,000	2.64%	13,558,560	59.06%
(f,i)	Zoo Sales Tax Fund	19,087,397	0	0.00%	0	0.00%
	Funds Supported by the General F	und or Other Enti	ties (h)			
(i)	Airports	\$25,336,624	\$336,882	1.33%	\$0	0.00%
	Emergency Management Fund	10,542,347	200,000	1.90%	862,043	8.18%
	Internal Service Fund	78,766,479	844,918	1.07%	10,298,665	13.07%
(i)	Transportaion and Parking Fund	6,827,204	150,767	2.21%	0	0.00%
(i)	Solid Waste Mgmt. Fund	13,524,165	364,256	2.69%	0	0.00%
(i)	Water Fund	58,132,044	1,260,000	2.17%	4,298,231	7.39%
(i)	Wastewater Fund	37,168,932	630,000	1.69%	571,486	1.54%

NOTES:

- (a) The budgeted contingency includes only operating contingencies.
- (b) The City's Financial Policies set a target of 2% for budgeted contingency.
- (c) The Projected Unbudgeted Fund Balance figures were calculated using estimates developed at the time the budget was presented to the City Council
- (d) The City's Financial Policies set an 17-22% target for unbudgeted fund balance in the General Fund and at least 10% in other funds.
- (e) Contingency is below target levels of 2% because of a management decision to lower contingency in order to maximize availability of funds for departmental programs.
- (f) These funds are dedicated for use by other entities; contingency is included in the receiving entity's budget.
- (g) These funds carry a high unbudgeted fund balance as a reserve for future projects.
- (h) These funds can rely on the General Fund or other entities for some or all of their funding and, therefore, do not have the same fund balance requirements as other funds.
- (i) All expenditures managed in these funds are expended on behalf of trusts. City enterprise funds that are fully supported by a trust of the City are excepted from the unbudgeted fund balance requirement.

Account – An entity for recording specific revenues or expenditures, or for grouping related or similar classes of revenues and expenditures and recording them within a fund or department.

Account Class – A category of expenditures used in the budget and based on the Municipal Budget Act. Specifically, Personal Services, Other Services and Charges, Materials and Supplies, Capital Outlay, Debt Service and Transfers.

Account Code – An expenditure or revenue account number such as office supplies or rental of equipment. This is synonymous with line item.

**Accrual Basis of Accounting** – The accrual basis of accounting recognizes revenues, when earned, and expenses, when incurred, as opposed to recognizing revenues when received and expenses when paid. The accrual basis of accounting is used in proprietary fund types and the pension trust fund.

**ACFR**– Annual Comprehensive Financial Report . The City prepares this annual report which provides the public with an accurate picture of current financial conditions.

**ADA** – Americans with Disabilities Act. Enacted in 1990 and amended in 2008 as a wide-ranging civil rights law that prohibits discrimination based on disability. In regard to public entities, the act also mandates compliance with specific physical and procedural access regulations to all service and programs offered.

Administrative Services Charge – An internal charge to departments for central services provided by General Fund departments.

**Adopted Budget** – A plan of financial operation, legally adopted by the City Council, providing an estimate of expenditures for a given fiscal year and a proposed means of financing them. The legal requirements for adopting a budget are set forth in the Oklahoma State Statutes (Title 11 Sections 17-201 - 17-216, known as the Municipal Budget Act).

Ad Valorem Tax – A tax based on the value of real property, most commonly real estate. The City can only use this revenue source to pay General Obligation Bond debt and pay judgments against the City.

A/E or A&E – Architect and engineering services.

**AFSCME** – American Federation of State, County and Municipal Employees. This bargaining unit represents non-uniform and non-management City employees.

**Agenda** – A list or outline of items to be considered or performed by the governing body.

Allocation – Part of a lump-sum appropriation designated for expenditure by specific organizational units and/or for special purposes, activities or objects.

Appropriated Fund Balance – Any fund balance appropriated for a fund for the budget year.

Appropriation – An authorization to expend or encumber revenues and fund balance of a fund.

**Arbitrage** – A requirement that if the investment earnings on tax-exempt bond proceeds exceed the interest paid on the bond issue, then the excess earnings above the interest paid on the bonds must be forwarded to the U.S. Treasury.

**ARPA**—American Rescue Plan Act. The economic stimulus plan was enacted in 2021 to accelerate the United States' recovery from the impact of the COVID-19 pandemic and provided \$350 billion to state and local governments.

**ARRA** – American Recovery and Reinvestment Act. Enacted in 2009, an economic stimulus package enacted by the 111th U.S. Congress in February 2009 to create jobs and promote investment and consumer spending.

**Balanced Budget** – A budget developed wherein estimated revenues, including budgeted fund balance, meets or exceeds budgeted expenditures.

**Base Budget** – An estimate of the funding available for existing programs as established by the Office of Management and Budget for each department at the beginning of a budget cycle.

**BEDI** – Brownfield Economic Development Initiative. An economic development grant program designed to assist cities with the redevelopment of abandoned and underused industrial and commercial facilities impacted by environmental contamination.

**Better Streets, Safer City** – On Sept. 12, 2017, Oklahoma City voters approved 13 bond propositions and two sales tax initiatives known as the Better Streets, Safer City projects. The 10-year, \$967 million bond package invests in streets, police and fire facilities, parks and other basic needs. A permanent 1/4 cent sales tax was passed that provided funding for 129 more police officers and 57 more firefighters with an annual \$26 million boost for public safety and other day-to-day operations. It's the first increase in the permanent general operations sales tax rate since 1976. The final initiative is a temporary, 27-month one cent sales tax will generate \$240 million for street resurfacing, streetscapes, trails, sidewalks and bicycle infrastructure.

**BID** – Business Improvement District. A public/private sector partnership in which property and business owners of a defined area elect to make a collective contribution to the maintenance, development, and marketing of their commercial district. This is accomplished through an additional assessment against each property in the Business Improvement District.

**Bond Rating** – A bond rating performs the isolated function of credit risk evaluation. While many factors go into the investment decision-making process, the bond rating is often the single most important factor affecting the interest cost on bonds.

**Budget** – A plan of financial operations for a fiscal year, including an estimate of proposed expenditures for given purposes and the proposed means for financing them.

**Budget Summary** – A tabular listing of revenues by source and expenditures by fund and by department within each fund for the budget year.

Budget Year – The fiscal year for which a budget is prepared or being prepared.

**Budgetary Basis** – The basis of accounting used for the purpose of budgeting. The City uses a modified cash and expenditures basis. This means that revenues are not recognized until they are received, and expenditures are recognized when they are incurred or committed not when the funds are actually spent.

**Budgeted Fund Balance** – The amount of the carryover or Fund Balance from the prior year that is projected to be used to fund expenditures in the budget. Budgeted Fund Balance is counted as revenue for budget purposes.

Budgeted Reserve – See Contingency.

**CALEA** – Commission on Accreditation for Law Enforcement Agencies. Created in 1979, a program for establishing a body of standards for law enforcement professionals and administering an accreditation process.

**Capital Budget** – A one-year plan for financing a program of long-term work projects for the physical development of the City. The capital budget is usually enacted as part of the complete annual budget, which includes other operating and capital outlay and is based on a Capital Improvement Program.

**Capital Improvement Program (CIP)** – A five-year plan for financing long-term work projects for the physical development of the City which identifies each project, the expected beginning and ending date, annual cost and proposed method of financing each project.

**Capital Outlay** – Expenditures of at least \$50,000 that result either in the acquisition of fixed assets or property, durable for longer than one year.

**Capital Project** – A project to acquire, develop, improve, or maintain City infrastructure, facilities, and/or capital assets (long-term investments held for a period of more than one year).

**CARES Act**—The Coronavirus Aid, Relief, and Economic Security Act. Enacted in 2020 to provide economic relief to Americans during the COVID-19 pandemic, CARES provided \$139 million to state and local governments, as well as direct payments to local governments with a population of 500,000 or greater.

**CCTV** – Closed Circuit Television. CCTV is a video camera and TV monitoring system primarily used for surveillance and security.

**CDBG** – Community Development Block Grant. The CDBG is a program of the U.S. Department of Housing and Urban Development. CDBG grants fund local community development through affordable housing, anti-poverty programs and infrastructure development. National priorities include activities that benefit citizens with low to moderate income, prevent or eliminate slums or blight, and other community development activities that address an urgent threat to health or safety. These grants may be used for real estate acquisition, relocation, demolition, rehabilitation of housing and commercial buildings, construction of public facilities, improvements to water and sewer facilities, streets, neighborhood centers, the conversion of school buildings, as well as for public services, such as economic development and job creation/retention.

CEPA – Clarence E. Page Airport. This general aviation airport is home to small aircraft and aviation-related enterprises.

**CHAPPS** – Cops Helping Alleviate Police Problems. Developed in 1983, CHAPPS offers support to the Oklahoma City Police Department employees and their families without cost or obligation by responding to "critical incidents" that may overwhelm a person's emotional coping mechanisms.

Chargeback – A charge to departments receiving services from another City department. See Internal Service Fund.

**Chief Executive Officer** – The mayor of an aldermanic city or a strong-mayor-council city, the mayor of a town, or the city manager or chief administrative officer as it may be defined by applicable law, charter or ordinance.

**CLEET** – Council on Law Enforcement, Education and Training. Established in 1963, CLEET supports Oklahoma law enforcement by enhancing public safety, providing education and training, promoting professionalism and enhancing competency within the ranks of Oklahoma law enforcement.

**CWA** – Clean Water Act. Enacted in 1972, the Act establishes the basic structure for regulating discharges of pollutants into the waters of the United States and regulating quality standards for surface waters.

**C-MOM** – Capacity Assurance, Management, Operation and Maintenance Programs. C-MOM is an approach presented by the Environmental Protection Agency to manage wastewater facilities. The plan includes using an information-based approach to setting priorities, evaluating capacity for all parts of the system, developing a strategic approach to preventative maintenance, and conducting periodic program audits to identify deficiencies and potential problems.

CNG – Compressed Natural Gas. CNG is a fossil fuel and clean burning alternative to gasoline, diesel and propane.

**COBRA** – Consolidated Omnibus Budget Reconciliation Act. Enacted in 1985, a portion of the Act sets forth requirements for employers and employees with regard to health insurance after leaving employment.

Contingency – An amount designated in the budget of a specific fund for use in unforeseen circumstances.

**COTPA** – Central Oklahoma Transportation and Parking Authority. Established in 1966, COTPA provides public transit services in the City and, through contracts, in many suburban areas and also operates downtown parking garages.

**Core to Shore** – A planning process to focus on development between the downtown core south to the shore of the Oklahoma River. The Core to Shore zone covers approximately 1,375 acres impacted by the I-40 realignment.

**Current year** – The year in which the budget is prepared and adopted, or the fiscal year immediately preceding the budget year.

**Debt Service** – The amount owed for principal and interest of bonds and other debt instruments according to a predetermined payment schedule.

Dedicated Revenues - Income that is restricted by law to fund specific purposes.

**Deficit** – The excess of a fund's current liabilities and encumbrances over its current financial assets as reflected by its books of account.

**Demand Measure** – A specific type of performance measure used in the City's Leading for Results process referring to the number of total units of service expected to be requested or required.

**Department** – A functional unit within a fund which carries on a specific activity, such as a fire department or a police department within a general fund.

Division - See "Line of Business."

**DOE** – Department of Energy. The federal agency whose mission is to advance energy technology and promote related innovation in the United States.

DOJ - Department of Justice. The federal agency responsible for criminal investigation and law enforcement.

**EEOC** – Equal Employment Opportunity Commission. The federal agency tasked with ending employment discrimination in the United States.

**Efficiency Measure** – A specific type of performance measure used in the City's Leading for Results process measuring cost or expenditure per Output or Result.

**EMSA** – Emergency Medical Services Authority. EMSA is a trust of the Tulsa and Oklahoma City governments. As an arm of local government, EMSA puts out bids for a private ambulance service to provide emergency and non-emergency medical services and dispatching in the Oklahoma City area.

**Encumbrances** – Obligations in the form of purchase orders, contracts, or salary commitments that are charged to an appropriation and for which a part of the appropriation is reserved. Encumbrances are eliminated when paid or when an actual liability is set up.

Enterprise Fund – Funds where the costs are financed primarily through user charges.

**EPA** – Environmental Protection Agency. The agency of the federal government charged with protecting human health and with safeguarding the natural environment (air, water, and land).

**Estimated Revenue** – The amount of revenues estimated to be received during the budget year in each fund for which a budget is prepared.

**Excise Tax** – Taxes paid when purchases are made on specific goods or activities and often included in the price of the product or service. An example would be taxes on tobacco.

**Expenditures** – The total outflow of funds represented by: (a) supplies, materials and services received for current operations; (b) payments in the form of goods or services received; (c) equipment and other assets received; (d) payment for servicing debts including interest or principal; and (e) transfers to other funds.

**FAA** – Federal Aviation Administration. The federal agency responsible for the regulation of civil aviation and overseeing the development of air traffic control.

**FEMA** – Federal Emergency Management Agency. An agency of the United States Department of Homeland Security established to coordinate the response to disaster that has occurred in the United States and overwhelms the resources of local and state authorities.

**Fiscal Year (FY)** – The annual period for reporting fiscal operations which begins and ends on dates as the Legislature provides or as provided by law. The City's fiscal year is July 1 to June 30.

**Fixed Assets** – Assets with a useful life in excess of one year and an initial cost equal to or exceeding \$50,000 Classifications include land, buildings, machinery, furniture, equipment, and construction in progress.

**FLSA** – Fair Labor Standards Act. Enacted in 1938, a federal law that established the national minimum wage, guaranteed time and-a-half for overtime for certain jobs, and other employment laws.

**FMLA** – Family and Medical Leave Act. Enacted in 1993, this federal labor law allows an employee to take unpaid leave due to illness or to care for a sick family member.

FOP – Fraternal Order of Police. This bargaining unit represents sworn law enforcement officers.

Franchise Tax – A gross receipts tax assessed on public utilities granted a franchise by the voters for use of City rights of way.

**Fund** – An independent fiscal and accounting entity with a self-balancing set of accounts to record cash and other financial resources, together with all liabilities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives.

**Fund Balance** – The excess of a fund's current financial assets over its current liabilities and encumbrances, as reflected by its books of account.

**Generally Accepted Accounting Principles (GAAP)** – The standard framework of guidelines for financial accounting which sets forth the standards conventions, and rules accountants follow in recording and summarizing transactions and preparing of financial statements and annual reports.

**General Fund** – A fund used to account for all monies received and disbursed for general municipal government purposes including all assets, liabilities, reserves, fund balances, revenues, and expenditures that are not accounted for in any other fund.

**GIS** – Geographical Information System. GIS integrates hardware, software, and data for capturing, managing, analyzing, editing and sharing and displaying all forms of geographically referenced information and can be integrated into any enterprise information system framework.

**GO** Bond – General Obligation Bond. GO Bonds are issued by The City of Oklahoma City to finance major capital improvements and infrastructure projects. GO bonds require a vote of the citizens and they are repaid over time with real property (ad valorem) taxes.

**GOLT Bond** – General Obligation Limited Tax Bond. GOLT Bonds are issued by The City of Oklahoma City for economic development to provide funding for the City's Strategic Investment Program. GOLT bonds require a vote of the citizens and they are repaid over time with real property (ad valorem) taxes.

**Governing Body** – The city council of a city, the board of trustees of a town, or the legislative body of a municipality as it may be defined by applicable law or charter provision.

Grant – A contribution by an organization (most often the federal government) to support a particular function.

GRAVE – Gun Resistance and Violence Education. An educational awareness program sponsored by the Oklahoma City Police.

**HIDTA** – High Intensity Drug Trafficking Area. Established in 1990, a drug-prohibition enforcement program that identifies certain areas for increased law enforcement activity.

Hiring Freeze – A temporary restriction on hiring in order to achieve financial savings.

**HOME** – Home Investment Partnerships Program. HOME is the largest Federal block grant to state and local governments designed exclusively to create affordable housing for low-income households. Each year it allocates approximately \$2 billion among the states for hundreds of localities nationwide.

**HOPWA** – Housing Opportunities for People with AIDS. This HUD program addresses the specific needs of persons living with HIV/AIDS and their families. It makes grants to local communities, states, and nonprofit organizations for projects that benefit those individuals.

**HP** – Historic Preservation is the theory and practice of creatively maintaining the historic built environment and controlling the landscape component of which it is an integral part.

**HUD** – U.S. Department of Housing and Urban Development. HUD is a Cabinet department of the United States government founded in 1965 to develop and execute policy on housing and cities. It has largely scaled back its urban development function and now focuses primarily on housing.

IAFF – International Association of Fire Fighters. This bargaining unit represents professional firefighters.

**ICMA** – International City/County Management Association. Founded in 1914, ICMA is an organization for local government leaders and managers. Their mission is to create excellence in local government by advocating and developing the professional management of local government worldwide.

Immediate Prior Fiscal Year – The year preceding the current year.

**IMPACT** – Initiating Multiple Police Actions Against Criminal Targets. This is a Police Department program administered through the briefing stations that focuses on reducing crime.

Infrastructure - The main physical foundation of the City including roads, utilities, water mains, streets, and bridges.

**Internal Service Fund** – A fund established to finance and account for services and commodities furnished by one department to another department on a cost reimbursement basis. See Chargeback.

**ISTEA** – Intermodal Surface Transportation Efficiency Act. Enacted in 1991, a federal law that allows for the distribution of funds for highway, mass transportation, trails, and other transportation purposes. Oklahoma City uses ISTEA funds for highway improvement projects and for a network of trails around the City.

**Issue Statement** – Identifies the critical trends that will impact the department and its customers over the next two to five years.

LARA – Lake Atoka Reservation Association. Lake Atoka is 100 miles southeast of Oklahoma City. In 1959, the City constructed the reservoir to supply water to Lake Draper through a 60-inch pipeline. LARA was created by The City of Oklahoma City, the Oklahoma City Water Utilities Trust, and the City of Atoka in 1974 to administer use of the Reservation, its resources, and facilities. The eight members are the Mayors of Oklahoma City and City of Atoka, the Manager of Oklahoma City, the Chairman of the Oklahoma City Water Utilities Trust (OCWUT), one appointee from Oklahoma City, and three citizens of Atoka County who are appointed by the City of Atoka.

Levy - To impose ad valorem taxes or the total amount of ad valorem taxes for a purpose or entity.

LFR – See "Leading for Results."

**Leading for Results** – The strategic planning process used by all City departments to develop strategic business plans, the performance-based program budget and related performance measures to document the results achieved by departmental programs.

Line Item - An account for recording specific revenues or expenditures within a fund or department.

**Line of Business** – A set of programs within a department sharing a common purpose that produce results for citizens. Lines of Business represent broad result areas and are the second highest level of organization in the City. A Department is typically comprised of several Lines of Business. This terminology is used in the Leading for Results process and is comparable to a Division within a Department.

Listed Project – A capital improvement project listed for funding in a specific bond issuance statement.

**Maintenance and Operations Expenditures (M & O's)** – Costs of services and supplies needed for a service, program or department. Under Oklahoma's Municipal Budget Act, these are budgeted and accounted for under two distinct classes: "other services and charges" and "materials and supplies."

**MAPS** – Metropolitan Area Projects. The MAPS Sales Tax Fund was established by City ordinance on October 13, 1993 for a one cent limited purpose City sales tax approved by voters on December 14, 1993 and extended for six months on December 8, 1998 to support certain capital projects in the Central Business District and Fair Park. The tax expired on June 30, 1999.

**MAPS 3** – On December 9, 2009, voters extended a one-cent temporary sales tax initiative to continue the progress started with MAPS (1993) and the MAPS for Kid's sales tax (2001). The \$777 million MAPS 3 tax began April 2010 and ended December 2017. Proceeds funded a new downtown convention center and 70-acre park, a modern downtown streetcar system, bicycle trails, sidewalks, senior centers and improvements along the Oklahoma River.

**MAPS 4**—On December 10, 2019, voters extended a one-cent temporary sales tax initiative to move forward with a unique and ambitious plan to transform the Oklahoma City community. The program will raise \$978 million over eight years for projects targeting neighborhood and human needs, such as a mental health and addiction and homelessness, as well as quality of life and job creation, including an Innovation District and a multi-purpose stadium.

**MAPS for Kids Sales Tax** – On November 13, 2001, the voters approved a limited term, limited purpose sales tax earmarked for certain public school capital projects for public school districts within the boundaries of the City of Oklahoma City. The tax rate was one-half percent from January 1, 2002 until April 1, 2003 when the rate changed to one percent. The tax expired on January 1, 2009. 70% of the sales tax was dedicated to Oklahoma City School District I-89, the district serving the center of the City. The remaining 30% was divided among the City's other 23 public school districts serving Oklahoma City residents based on student population.

**MCA** – McGee Creek Authority. MCA became responsible for the care, operation and maintenance of the McGee Creek Dam and Reservoir project on September 1, 1990. The dam and reservoir supply municipal and industrial water to the MCA, as well as downstream flood protection, recreation, and fish and wildlife enhancement. Participants include the Southern Oklahoma Development Trust; the City of Atoka, the Oklahoma City Water Utilities Trust (OCWUT), and the City of Oklahoma City.

**Mill Levy** – The percentage rate of total taxable property values needed for General Obligation bond debt service and judgments often referenced as property tax rate.

**Mission** – A clear, concise statement of the purpose for the entire department focused on the broad yet distinct results the department will achieve for its customers.

**Modified Accrual Basis of Accounting** – The modified accrual basis of accounting recognizes revenues when both "measurable and available." Measurable means the amount can be determined. Available means collectible within the current period to pay current liabilities. Also, under the modified accrual basis of accounting, expenditures are recorded when the related fund liability is incurred, except for general obligation bond principal and interest which are reported as expenditures in the year due. The City uses the modified accrual basis of accounting for governmental and agency funds.

**MS 4 Permit** – Municipal separate storm water program that operates under approval by the Oklahoma Department of Environmental Quality.

**Municipality** – Any incorporated city or town.

**NDC** – National Drug Control a.k.a. Office of National Drug Control Policy. Created in 1988, a component of the Executive Office of the President responsible for the coordination drug-control efforts and funding.

**NPDES** – National Pollution Discharge Elimination System. This is the system that grants and regulates discharge permits and regulates both point and non-point sources that discharge pollutants into U. S. waters.

**OCAT** – Oklahoma City Airport Trust. OCAT was established on April 1, 1956 to provide leadership and oversight for operations at Will Rogers World Airport, Wiley Post Airport, and Clarence E. Page Airport, along with buildings and grounds for Mike Monroney Aeronautical Center, a major Federal Administration Complex.

**OCEAT** – Oklahoma City Environmental Assistance Trust. OCEAT provided services and activities on behalf of the City of Oklahoma City that included financing and partial operation of the City's sanitation activities of pollution control and waste disposal, and certain cultural, educational, and housing activities. The Trust was dissolved on March 31, 2021 and was consolidated with the water and wastewater systems in a merger with OCWUT.

**OCEDT** – Oklahoma City Economic Development Trust. OCEDT was established October 9, 2007 to facilitate, enable, operate, manage, market, administer, and finance all forms of economic or community development projects within or near the City of Oklahoma City by providing loans, grants, and other incentives to further job creation and private investment.

**OCERS** – Oklahoma City Employee Retirement System. OCERS provides retirement benefits and disability allowances for virtually all full-time, civilian employees of the City and public trusts included in the City's reporting entity. Assets are held separately from the City and may be used only for the payment of member benefits.

**OCMAPS** – Oklahoma City Metropolitan Area Public Schools Trust. The OCMAPS Trust was the governing body responsible for the MAPS for Kids sales tax funds and management of its construction projects. It was dissolved on April 18, 2018 and the remaining funds will be used to complete existing projects.

**OCMIOT**—Oklahoma City MAPS Investment and Operating Trust. The Trust will develop a strategic investment plan to support long-term sustainable funding for MAPS 4 projects' operational expenses and maintenance.

**OCMFA** – Oklahoma City Municipal Facilities Authority. OCMFA was established on November 16, 1976 to provides services on behalf of the City that include financing, partial operation, and capital purchases for administration of the City's risk management activities, water and wastewater assets, information technology, capital leasing and other general government activities. The Mayor and Council serve as the Authority's trustees and the City Manager serves as the General Manager.

**OCPPA** – Oklahoma City Public Property Authority. OCPPA was established in 1961 to provide services on behalf of the City that include the financing and operating of five municipal golf courses, the Oklahoma City Fairgrounds, Film Studio (formerly the Convention Center), Downtown Arena, Civic Center Music Hall, and other City buildings. The Mayor and Council serve as OCPPA trustees and the City Manager is the General Manager.

**OCRA** – Oklahoma City Redevelopment Authority. OCRA was established to conserve, develop, and redevelop the central business district.

**OCRRA** – Oklahoma City Riverfront Redevelopment Authority. OCRRA was established to develop, finance, and maintain the property adjacent to the Oklahoma River.

**OCWUT** – Oklahoma City Water Utilities Trust. OCWUT was established in 1960 to oversee the construction of the Atoka Reservoir and its Pipeline Project. OCWUT provides utility customers with outstanding quality water, wastewater, and solid waste services.

**OCZT** – Oklahoma City Zoological Trust. OCZT was created on January 7, 1975 to develop, maintain, operate and manage the Oklahoma City Zoo. Trustees include the Mayor, the City Manager, one Council Member and six other members recommended by the Oklahoma Zoological Society.

ODOC – Oklahoma Department of Commerce. ODOC is the primary economic development arm of the state government.

**ODOT** – Oklahoma Department of Transportation. ODOT is the state department in charge of maintaining public roadways in Oklahoma.

**OESC** – Oklahoma Employment Security Commission. OESC is the state's employment services agency.

**OMB** – Office of Management and Budget. OMB prepares, coordinates and monitors the City's operating and capital budgets and develops an annual revenue forecast, month-by-month revenue and expenditure targets, and five-year revenue and expenditure projections.

**OPEBT** – Oklahoma City Post-Employment Benefits Trust. OPEBT provides post-employment health insurance benefits for substantially all full-time, civilian employees of the City and public trusts included in the City's reporting entity. Assets are held separate from the City and may only be used to pay member benefits.

Operating Reserve – That portion of the fund balance which has not been appropriated in a budget year.

**Other Services and Charges** – An account class for expenditures for services (e.g., advertising, repairs, postage) and other expenditures that do not fit in the remaining classifications.

**Output Measure** – A specific type of performance measure used in the City's Leading for Results process referring to the amount produced or workload.

**Performance Based Budgeting** – Structures the budget around allocating resources to programs and the results expected from each program. The results from each program are conveyed through performance measures.

**Performance Measures** – Specific quantitative measures of work performed within an activity or program (e.g., total miles of streets cleaned) or specific quantitative measures of results obtained under a program or activity (e.g., reduced vandalism due to street lighting program).

**Personal Services** – The account class containing the costs of personnel such as salaries, wages and employee benefits (social security, retirement and insurance), costs for travel, and training reimbursements.

**Program** – Identifies the third highest level in the formal City organization in which a specific activity is carried out. A program is characterized by a grouping of related activities and services for a common objective. In the Leading for Results format, programs replaced sections and multiple programs comprise a Line of Business.

**Project 180** – A massive renovation project of more than 180 acres in downtown Oklahoma City. The three-year, \$140 million initiative includes the redesign of downtown streets, sidewalks, parks and plazas to improve appearance and make the central core more pedestrian friendly.

**Proposed Budget** – A plan of financial operation, proposed by the City Manager to the City Council, providing an estimate of expenditures for a given fiscal year and a means to finance them.

**Proprietary Fund Accounting** – Accounting used for government operations that are financed and operated in a manner similar to business enterprises and for which preparation of an income statement is desirable.

**Reserve for Prior Year Encumbrances** – An amount budgeted as revenue to provide budget authority for items encumbered in one year which will not be received and paid for until a future year.

**Result Measure** – A specific type of performance measure used in the City's Leading for Results process measuring the degree to which the customer experiences the desired impact or benefit.

**Revenue Estimate** – A formal estimate of how much income will be earned from a specific revenue source for some future period, typically, a future fiscal year. Revenue sources can include taxes, intergovernmental grants, and fees for services, fines and permits.

**RFP** – Request for Proposal. This is an invitation for consultants, suppliers and other companies to submit a formal offer to provide a specific product or service. The Proposals are then reviewed and scored on a set of criteria to select a vendor or vendors to negotiate a contract to provide the product or service.

**Right-of-Way (ROW)** – A passageway reserved or granted over land for purposes of transportation or maintenance of existing services.

**SCADA** – Supervisory Control and Data Acquisition system. This is a large-scale, distributed measurement and control system that provides for monitoring, control and alarming of complete and/or remote sites.

**Section** – Identifies the third highest level in the formal City organization in which a specific activity is carried out. With the implementation of Leading for Results, a section was reorganized into a Program. Previously, a Division may have consisted of several sections. See Program.

**SID** – Special Improvement District. A public/private sector partnership in which property and business owners in a defined area elect to make a collective contribution to the maintenance, development and marketing of their commercial district. This is accomplished through an additional assessment against each property in the Special Improvement District.

**Special Purpose Funds** – Funds dedicated for a specific purpose, such as a fund established to receive donations to support parks and recreation activities.

**Special Revenue Funds** – Funds used to account for receipts from revenue sources that have been earmarked for specific activities and related expenditures.

Strategic Result – Two to five-year goals that, if achieved, demonstrate how departments are responding to issues.

Strategy – A tactic accomplished by departments operationally that contributes to achieving Strategic Result goals.

**Supplies** – The account class that includes articles and items which are consumed or materially altered when used by operating activities, such as office supplies, maintenance parts and small tools, and minor equipment.

**TANF** – Temporary Assistance for Needy Families. This program provides cash assistance to indigent American families with dependent children through the United States Department of Health and Human Services. It is the government program commonly known as "welfare."

**TIF** – Tax Increment Financing. TIF captures the future tax benefits of real estate improvements in a designated area to pay the present cost of those improvements. It is designed to channel funding, or tax increment, toward improvements in blighted or underdeveloped areas where development would not otherwise occur.

TOC – Total Organic Carbon. The amount of carbon bound in organic compounds, often used as an indicator of water quality.

Transfer – An account class that includes payments from one City fund to another or to a related trust.

Trust – A public trust created by a municipality to issue obligations and enter into financing for the benefit of the municipality.

**TSA** – Transportation Security Administration. The federal agency in charge of security standards for passenger and freight transportation in the United States.

Unbudgeted Reserve – The amount of fund balance that is not budgeted and available for cash flow purposes.

**Use Tax** – A consumption tax assessed on products/services used or stored by a resident of the assessing state but purchased outside the state and where a sales tax was not paid on the purchase.

**USDOC** – United States Department of Commerce. The Cabinet department of the United States government concerned with promoting economic growth, technology, entrepreneurship and business development, environmental stewardship and statistical research and analysis.

**Vacancy Discount** – Projected salary savings from personnel turnover. The discount is budgeted as a percentage of the budgeted salary, insurance and retirement for departments in funds with significant Personal Services expenses.

Vision – The guiding beliefs of Oklahoma City that serve as a basis for all strategic business planning.

**Weed and Seed** – A neighborhood specific crime prevention strategy led by the U.S. Department of Justice, The City of Oklahoma City, various law enforcement and government agencies, non-profit groups, and community residents, who are committed to preventing, reducing and controlling crime and delivering programs and services for community residents.

**WIA** – Workforce Investment Act. The WIA is a United States federal law passed August 7, 1998 to replace the Job Training Partnership Act and certain other Federal job training laws with new workforce investment systems.

**WPA** – Wiley Post Airport. WPA is a reliever airport for Will Rogers World Airport, serving both business and corporate air travelers.

**WRWA** – Will Rogers World Airport. WRWA is the commercial airport for the City of Oklahoma City with over 3.9 million boarding passengers each year.

## Performance Management—Leading For Results

### **READER'S GUIDE**

In this section, long-term issues and program performance measures are provided for each department. The long-term issues are highlighted in blue and appear at the beginning of each department section.

**Long-Term Issues** includes issue statements, strategies and strategic results for each department. The issue statements describe the critical trends expected to impact the department and their customers over the next two to five years. The strategies summarize the department's operational plans to ensure the achievement of strategic results. Strategic results are goals that go beyond current practice and status quo to measure the impact on the aligned issue statement.

**Performance Measures** are included for each program. Measures are structured so that each program has a full family of measures to report not only the customer experience or satisfaction but also the workload of the program, the demand on the program, and the efficiency or cost of providing services. Required for each program are result measures to illustrate the outcome each program delivers to customers and output measures to provide an idea of the workload of each program. Many programs also include demand measures where there may be a gap between demand and output, illustrating a need for additional resources, and efficiency measures which help show cost over time for a program with a narrowly focused service delivery area.

#### Legend

- The key symbol indicates a key measure. These measures align directly with the purpose of the program and best measure the impact on the program's customers.
- Weasure aligns with council priority to promote safe, secure, and thriving neighborhoods.
- Measure aligns with council priority to develop a transportation system that works for all residents.
- Measure aligns with council priority to maintain strong financial management.
- Measure aligns with council priority to enhance recreational opportunities and community wellness.
- ) Measure aligns with council priority to encourage a robust local economy.
- ) Measure aligns with council priority to uphold high standards for all city services.
- Measure aligns with council priority to continue to pursue social and criminal justice initiatives.
- \* An asterisk indicates that the measure was added during the FY23 Strategic Business Plan Update process.

More information about Oklahoma City Council Priorities can be found beginning on page A-13 of the FY24 Budget Book.

## Performance Management—Leading For Results

Leading for Results (LFR) is the "way we do business." What this means is that the City uses a performance management system for all City departments linking department operations to a strategic business plan. The strategic business plan is organized into programs with each program having an established budget and family of performance measures. The performance measures are used to set department goals and measure progress in achieving those goals using the resources allocated to programs. The entire process is focused on the benefit received by the customer (residents). Leading for Results provides better information to decision makers, which in turn helps them determine how to allocate resources.

The Leading for Results performance management system includes planning, employee performance, budgeting, data collecting, reporting, evaluating, and decisionmaking. The Strategic Business Plan contains the information needed to perform these functions and provides a concise overview of departmental operations. The graph below illustrates the performance management process. As the arrows indicate, each step is critical and flows into the next, which creates a continuous cycle.

Leading for Results equips departments with the ability to develop strategic or department-wide Issue Statements and Strategic Results as well as the ability to focus operationally on individual performance measures.

The strategic portion of the process begins with an assessment of the future where departments identify the biggest challenges impacting them and their customers over the next two to five years. These challenges are then refined into Issue Statements which help the department clearly communicate what the trend is that they are facing and the consequences of the trend if not addressed. With the Issue Statements clearly identified, departments develop Strategic Results which are typically stretch goals that, if achieved, demonstrate the department's ability to respond to the challenges they identified as Issue Statements. Departments will also develop Strategic Results. Issue Statements, Strategic Results, and Strategies can be reviewed at the beginning of each department section.

The operational portion of the process organizes the services each department provides into programs and performance measures.

### **Delivering What We Promise**

G-2

FY21 Actual FY22 Actual FY23 Projection FY23 Target FY24 Target

### Long-Term Issue - Changing Aviation Industry Environment

The changing nature of the aviation industry creates financial and infrastructure challenges along with increasing safety, security, and environmental requirements, if not addressed, will have an impact on:

- Staffing, workload and performance
- Long-term airport planning
- Customer satisfaction
- The quality of service
- Deferred maintenance

#### Strategies to address the Long-Term Issue

- Improve and enhance the airport roadway through implementing the new wayfinding plan.
- Passenger Surveys
- Long Term Master Area Plan
- Rates for new/renewed leases will be based on benchmarking of the airport industry, and appraisals to determine market value rates.
- Analyze rates structures with funding required to support airport infrastructure.
- Maximize food, beverage and retail concession agreements, airport staff will do periodic reviews of goods/services provided, and an inspection of the books and records.
- Maximizing parking revenue
- Reduce Airport maintenance requirements on tenant facilities.

### Long-Term Issue - Air Service Development

The growth in Oklahoma City's population and business activity has resulted in an increased demand for additional air service that has been impacted by the COVID pandemic, if not addressed could result in:

- Missed revenues
- Missed economic development, tourism, and convention business opportunities
- Decreased customer satisfaction

#### Strategies to address the Long-Term Issue

- Remain competitive with airline rates and charges
- Attend air service conferences and perform target market presentations to specific airlines.
- Review passenger trends and forecasts, the FAA Terminal Area Forecast, community activities, local business climate, and economic climate.
- Develop federal inspection facilities for international traffic

### Strategic Result(s) to measure annual progress on Long-Term Issue

Continue efforts to attract air service in Oklahoma City as evidenced by:

- Limit growth in airport cost to airlines per boarding passenger to no more than 5% per year.
- Staff will accomplish a minimum of three marketing presentations to airlines per year.
- Achieve a 2% increase in boarding passengers each year.
- Complete the development of the Federal Inspection Station (FIS) by 2025

4	% increase in the airport cost to the airline per boarding	-4%	-31%	-31%	5%	5%

FY21 Actual FY22 Actual FY23 Projection FY23 Target FY24 Target

### Long-Term Issue - Accountability

The continuing expectations for government accountability as evidenced by more extensive accounting and auditing regulations, City Council Strategic Priorities and the Leading for Results program, if not addressed, will result in:

- Loss of public trust and confidence
- Diminished ability to provide new revenue sources for infrastructure and public services
- Decreased employee confidence in City leaders and managers
- The lack of an ethical culture throughout the City leading to an increased risk of fraud, waste, abuse, and significant policy violations

### Strategies to address the Long-Term Issue

- Identify important programs and operations for inclusion in the Audit Plan through a triennial citywide risk assessment.
- Plan and deliver audit services using a risk-based approach to ensure audit scope and objectives are defined clearly and focused on important issues or concerns.
- Respond to requests for advisory services and investigate potentially unethical or fraudulent acts in a professional, sensitive manner.
- Undergo a triennial peer review to ensure audit services are provided in accordance with generally accepted government auditing standards.
- Communicate with audit clients throughout service delivery to ensure a complete and accurate understanding of conditions, facts, and circumstances.
- Provide professional opinions and recommendations for improving City programs through published reports.
- Provide Hotline information to employees through presentations, posters, brochures, intranet and direct mailings.

### Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, City Council and other City decision makers will continue to benefit from objective, timely and useful audit information as evidenced each year by:

- At least 90% of City Council and other City decision makers will rate audit services as "good" or "excellent"
- At least 95% of audit recommendations will be accepted by management

45	% of City Council and other City decision makers rating audit services as "good" or "excellent"	92%	100%	100%	90%	90%
46	% of audit recommendations accepted by management	100%	96%	93%	95%	95%

### Strategic Result(s) to measure annual progress on Long-Term Issue

Through 2024, management, and employees will benefit from timely review of reports of fraud, waste, abuse, and significant policy violations as evidenced by:

• At least 90% of actionable allegations will be assessed and assigned for investigation within seven days of reporting.

### Long-Term Issue - Innovation and Efficiency

Challenges with taking advantage of new technologies, innovative practices and process efficiencies will result in service delivery that is more costly and fails to meet customer expectations.

#### Strategies to address the Long-Term Issue

- Work with Innovation Officer, multidisciplinary innovation team, and City staff to develop an Innovation Plan that:
  - identifies the needs and opportunities for process improvement;
  - identifies tools/technology needed to implement recommendations;
  - outlines priorities, sequencing, and budgeting considerations.
- Establish a culture of innovation by supporting:
  - involvement of all employees to participate in innovation activities and create innovative, people-centered solutions;
  - initiate practices and strategies that managers can use to define and redefine problems, involve people in the research and development of new concepts, reduce the fear of failure when creating, testing and implementing innovative ideas, and continue to improve and refine solutions after implementation;
  - empower employees to share and create innovative ways of delivering services, reduce internal resistance to new ways of working and support incentives to spread innovation to others

### Long-Term Issue - Communication

A lack of delivering clear, transparent, accurate, accessible and timely information to elected officials, city employees and residents within our diverse community, if not addressed, will result in:

- less engagement
- dissatisfaction
- loss of credibility

### Strategies to address the Long-Term Issue

- Continually seek innovative ways to communicate with residents and staff
- Review the process for responding to resident requests and concerns to improve the timeliness and accuracy of responses
- Expand opportunities for community engagement and leverage partnerships
- Offer customer service and communications training for employees, such as internal and external communication etiquette and communications protocol

### Long-Term Issue - Development Process Support

Without increased support to implement and maintain process enhancements, the growing number of applications and the ongoing need to have effective and efficient inter and intra-departmental coordination in the development process will continue to cause delays in processing development applications and the issuance of construction permits, licenses, and certificates of occupancy.

#### Strategies to address the Long-Term Issue

- The Development Center Line of Business will utilize Accela reports to track and review response data to identify opportunities for greater efficiency in plan review, permit issuance, and inspections.
- The Development Center Line of Business will work with other departments that are involved in the private development process to improve efficiencies.
- The Development Center Line of Business will pursue new technologies to improve efficiencies.

### Strategic Result(s) to measure annual progress on Long-Term Issue

By 2024, the Development Center Line of Business will improve the timeliness of reviews and inspections, and customer service, as follows:

- Complete 80% of initial review of commercial new construction plans within 15 working days of submission.
- Complete 80% of initial review of commercial remodel plans within 10 working days of submission.
- Complete 90% of construction inspections within one working day of request.
- At least 70% of phone calls will be answered within two minutes.

145	% of commercial new construction plans initial code review completed within 15 working days	66%	57%	39%	70%	65%
146	% of commercial remodel construction plans initial code review completed within 10 working days	58%	39%	26%	60%	45%
147						
148	% of permit-related phone calls answered within two minutes	72%	47%	54%	70%	70%

FY21 Actual FY22 Actual FY23 Projection FY23 Target FY24 Target

### Long-Term Issue - Animal Welfare Services

The growing demand for animal welfare services and programs to help residents be responsible pet owners and respond to growing animal populations, if not addressed, will result in continued shelter capacity issues, increased response times and an inability to respond to requests for service, lower resident satisfaction, and continued challenges with animal issues in the community.

#### Strategies to address the Long-Term Issue

- The Animal Welfare Line of Business will utilize proactive programs, public education and information services, and coordinate with partner agencies to decrease the amount of animal field calls and animal intakes/surrenders received.
- The Animal Welfare Line of Business will pursue technology enhancements to improve efficiencies.
- The Animal Welfare Line of Business will continue to coordinate with partner agencies to promote programs and internal services that improve the live release rate of shelter animals and increase pet adoptions and placements.

### Strategic Result(s) to measure annual progress on Long-Term Issue

By 2025, in order to provide quality services to our customers Animal Welfare will:

- Provide an initial response to services requested within two business hours for Priority One calls 60% of the time
- Provide improved services and coordination as evidenced by achieving at least a 90% live release rate of shelter animals.

149	% of Animal Welfare Priority One calls receiving initial response within two business hours	41%	58%	63%	52%	52%

### Long-Term Issue - Financial Management and Information

Increasing customer needs for timely information, financial management services and higher levels of accountability and transparency if not addressed may result in increased costs, reduced city services, difficulty in maintaining compliance with laws and regulations, lost revenue, and reduced credibility with customers and stakeholders.

#### Strategies to address the Long-Term Issue

- Provide more proactive communication, such as newsletters and training.
- Work with customers in departments to identify their financial information and service needs and develop the resources and services identified.
- Clarify and improve financial policies and ensure they are easily accessible and effectively communicated to departments.
- Refine and maximize use of technology to streamline processes for staff and customers.
- Focus on staff development and morale through succession planning and internal training.
- Develop transparency plan to provide the public with easily accessible financial information.

### Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, 95% of customers will report they are satisfied with the Finance Department.

<sup>194</sup> % of customers who are satisfied with the Finance Department 91% 87% 87% 95% 95%

### Long-Term Issue - Sustainable Financial Model

Increasing costs, limited revenue raising flexibility, growing future liabilities, and higher demands for City services if not addressed will result in increased use of debt, increasingly unsustainable levels of service, and a focus on immediate needs at the expense of long-term goals.

#### Strategies to address the Long-Term Issue

- Contributions for the Employee Retirement System will be budgeted at the Actuarial Determined Contribution (ADC) rate.
- Develop a funding plan for maintenance, operating, and capital replacement of MAPS and bond projects.
- Continue funding and cost management to address the long-term liability of retiree health insurance (OPEB).
- Prepare and manage the General Fund budget to maintain appropriate reserve levels and control personnel cost levels.
- Pursue legislative changes to expand the sales tax base, provide revenue diversification and use of property tax.

#### Strategic Result(s) to measure annual progress on Long-Term Issue

The City will maintain the ratings on G.O. bonds at the highest level.

### Long-Term Issue - Safety

A continued need to promote a workplace safety culture within the City, if not addressed, will result in a high risk of employee injuries and reduced resources available to provide City services.

### Strategies to address the Long-Term Issue

- Continue to provide useful and accurate Workers' Compensation and On the Job Injury (OJI) reports to Departments and assist in analyzing their workplace injury experience.
- Provide safety consultation services to Departments.
- Train managers in the essential elements of an Occupational Safety Program.
- Coordinate safety training for all City employees, employing both internal and external resources.
- Maintain a City-wide Safety Advisory Committee to make recommendations for improving the City's safety culture.

\$

- Continue proactive claims management services.
- Continue the safety recognition program.
- Implement a city-wide return to work program.
- Ensure every department maintains and updates an injury/illness prevention plan.

### Strategic Result(s) to measure annual progress on Long-Term Issue

By 2023, a culture of safety will be reflected by:

- The City injury rate will be at or below 7.5 injuries per 100 employees.
- 100% of employees will receive quarterly safety training.

Fire

#### FY21 Actual FY22 Actual FY23 Projection FY23 Target FY24 Target

### Long-Term Issue - Increased Service Demand

The growing demand on Fire Department services and resources caused by population growth, development, and changing demographics, coupled with an increasing role in EMS patient care, transport and delivery, if not addressed, will result in:

Fire

- Increased response times leading to property loss
- Deterioration of patient condition
- Increasing delays in delivering other services
  - Hazardous Materials
  - Technical rescue
  - Water rescue
  - High angle rescue
  - Trench Rescue
  - Confined space rescue
  - Structural collapse rescue
  - Wildland urban interface
  - Agency assist

FY24 Performance Supplementa

#### Strategies to address the Long-Term Issue

- Continue to review and upgrade the Advanced Life Support Program (ALS) to meet City Council directives.
- Concentrate recruitment and training efforts on increasing Oklahoma City Fire Department paramedics.
- Continue the planning and construction of new fire stations authorized as General Obligation Bond projects.

\$

- Continue the implementation and training for enhanced communications and data systems.
- Continue integration with EMSA including the periodic analysis of the Medical Priority Dispatch System (MPDS) to ensure appropriate allocation of our EMS resources.
- Continue to work with local, state and federal organizations to assist and provide monitoring and detection for our residents and responders at large venues and National security events.
- Collaborate with other City Departments to implement plans that are conducive for emergency responses to include faster routes and areas free of permanent obstructions.
- Collaborate with local educational institutions, Medical Director, local law enforcement, state and federal organizations, and medical transport agencies to increase educational opportunities.

### Long-Term Issue - Maintenance of City Assets

The continued need for coordinated planning for the maintenance of City assets, if not addressed, will result in:

- Increased capital and operating cost.
- Delays in response times to maintenance requests.
- Unsafe facilities, leading to increased risk of injury or illness to citizens and city employees.
- Continued duplication of efforts by General Services and other City Departments.
- Missed opportunities to identify conservation initiatives.

### Strategies to address the Long-Term Issue

- Assign staff to preventive maintenance work orders in a timely manner to promote completions by due date.
- Schedule elective repairs found during preventive maintenance inspections based on customer's priority of need.
- Increase shop priority on equipment approaching promised return date.
- Assign staff to facility work orders in a timely manner and work closely with requesting agencies regarding material acquisition to complete services within designated completion time.
- Strive to provide exceptional customer service through SharePoint notification communication with customers as work requests / work orders are completed.
- Maintain ongoing communications with Fleet Services' customer groups to discuss their issues and concerns.

\$

### Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, the General Services Department's customer departments will benefit from having a coordinated building and equipment assets maintenance, repair and service plan as evidenced by:

- At least 60% of all vehicle/equipment work orders are preventative maintenance.
- At least 85% of all preventive maintenance facility work orders will be completed when due in order to decrease capital costs and avoid costly unexpected repairs.

336	% of all vehicle/equipment work orders that are preventitive maintenance	52%	54%	56%	54%	54%

### Long-Term Issue - Skilled Labor Shortage

The growing shortage of skilled laborers, if not addressed, will result in:

- Additional outsourcing at an increase in cost to customers.
- Diminished service levels to customers.

### Strategies to address the Long-Term Issue

- Provide staff training and support to improve skills needed to complete facility repair requests.
- Work with vocational technology and educational institutions to find employees.
- Work with the Human Resources Department to establish apprenticeship programs within the skilled trades.

### Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, Oklahoma City Departments will benefit from a skilled General Services Department workforce, as evidenced by:

\$

- 90% of vehicle mechanics with ASE Master Level Certification.
- Maintain Fleet Services staffing levels at 210 vehicle equivalents per mechanic (industry standard is 200 vehicle equivalents per mechanic).
- Maintain a minimum Building Maintenance staff ratio of 63,250 square feet per employee (industry standard is 55,000 square feet per maintenance staff employee).
- 342% of vehicle mechanics with ASE Master Level Certification89%94%93%94%94%

Lo	ong-Term Issue - Early Contact and Communication
	continuing lack of early contact and communication by some City clients with the Municipal Counselor's Office concerning some City projects, if not adequately Idressed, may result in:
•	Delays in client projects and policy implementation
•	Lack of direction and clarity for the client
-	Duplication of efforts by legal staff causing delays on other client projects
•	Increased liability exposure
-	Diminished client satisfaction
	Strategies to address the Long-Term Issue
	The Municipal Counselor's Office will endeavor to contact clients on a monthly basis or more often, as necessary, in addition to the regular attorney-client communications on a routine basis.
	Strategic Result(s) to measure annual progress on Long-Term Issue
	The City and its Public Trusts will benefit from regular communication with Legal staff and from a workforce trained in areas of the law relevant to their work as evidenced by:
	<ul> <li>At least 97% of Department Heads will be provided monthly communications to help identify legal issues relating to their work, annually through 2019</li> </ul>
55	<sup>56</sup> % of Department Heads receiving monthly communications 100% 100% 100% 100% 100% 100% 100%

FY21 Actual FY22 Actual FY23 Projection FY23 Target FY24 Target

#### Long-Term Issue - Procedural Justice

Procedural justice is defined as the idea of fairness in court processes to resolve court cases in a fair and equitable manner. It is the philosophy and practice which promotes respect, neutrality, and transparency which ensures court patrons have a voice in the criminal justice process. The continuing need to implement and promote procedural justice, if not addressed, will result in:

- Negative public perception
- Decreased court patron satisfaction, confidence, and compliance
- Increased instances of unfair and inequitable justice

#### Strategies to address the Long-Term Issue

- Continue to review and revise policies, procedures and services.
- Continue to participate in community outreach through community programs and partnerships.
- Ongoing training on procedural justice with all Municipal Court employees annually.

#### Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, 100% of employees will be trained in procedural justice.

Long-Term Issue - Public Expectations for Quality Programs and Levels of Service						
The Parks and Recreation Department is continually challenged with understand programs, facilities, and amenities due to the rapidly changing growth patterns, challenge will result in decreased satisfaction, use and support of the Parks and	leisure trends and	l demographics o				
Strategies to address the Long-Term Issue						
<ul> <li>Conduct annual resident surveys to identify parks and recreation needs and</li> </ul>	nd potential areas	of improvement.				
<ul> <li>Align capital resources with community expectations in the areas of great</li> </ul>	est need for parks	and recreation i	nvestments.			
<ul> <li>Utilize innovative practices to provide quality and diverse programming.</li> </ul>						
Seek partners to support programs customized to the needs of the community.						
<ul> <li>Increase public awareness of parks and recreation programs, events and</li> </ul>	facilities.					
<ul> <li>Establishing best practice program standards</li> </ul>						
<ul> <li>Increase contractual services</li> </ul>						
Strategic Result(s) to measure annual progress on Long-Term Iss	sue					
By 2025, Parks and Recreation Department will meet expectations and needs	s of the communit	v as evidenced by	<i>!:</i>			
<ul> <li>80% of residents surveyed have visited a park and/or participating in a p</li> </ul>	ark program.					
<ul> <li>90% or more of users surveyed are satisfied with the quality of parks and</li> </ul>	d recreation progr	ams and facilities	5			
<ul> <li>2% annual increase in the number of program participants and event at</li> </ul>	tendees.					
<ul> <li><sup>643</sup> % of citizens visiting a park and/or participating in a park program</li> </ul>	73%	73%	76%	80%	80%	
<ul><li><sup>644</sup> % of customer surveyed who are satified with recreation</li><li>facilities and programming</li></ul>	90%	82%	90%	85%	85%	

#### Long-Term Issue - Safe Parks and Facilities

Failure to address concerns and perceptions about personal safety in parks will result in lower public participation and support.

#### Strategies to address the Long-Term Issue

- Survey residents' perceptions and feelings of safety in City parks and along trails. Obtain specific information about what physical attributes, such as lighting and visibility affect these perceptions and where.
- Implement an improved system to mitigate safety concerns and perceptions that includes the following practices:
  - Addressed reported safety concerns within one business day.
  - Ensure that Crime Prevention through Environmental Design (CPTED) strategies are applied in the development and design of new parks, trails and park assets.
  - Evaluate best practices and operational policies to enhance personal safety while utilizing facilities and programs.
- Allocate funding and staff resources to improve park safety based on public feedback and staff inventories of park and trail facilities.

#### Strategic Result(s) to measure annual progress on Long-Term Issue

By 2025, Parks and Recreation Department will improve public safety and perceptions of safety in City parks as evidenced by:

645	% of identified safety concerns addressed within one business	N/A	N/A	N/A	0.70	0.70
	day					

FY21 Actual FY22 Actual FY23 Projection FY23 Target FY24 Target

#### Long-Term Issue - Parks Asset Maintenance

The need for increased capital investment and maintenance of new and existing park assets if not addressed will result in reduced public confidence and program participation.

#### Strategies to address the Long-Term Issue

- The department will increase maintenance efficiency through effective use of resources by:
  - Securing adequate funding for maintaining new and existing assets
  - Partner with Civic foundations, neighborhood groups, school districts, universities, and businesses to leverage their expertise, skills, and resources to improve the care and maintenance of our parkland and facilities.
  - Establish and apply design and maintenance standards that will reduce maintenance costs for new and existing park assets.
  - Proactive maintenance of Parks assets and amenities.

#### Strategic Result(s) to measure annual progress on Long-Term Issue

By 2025, the Parks and Recreation Department will maintain park assets to a standard that ensures public confidence and promotes participation, as evidenced by increase satisfaction ratings:

- The percent of residents surveyed who say they are satisfied with the maintenance of parks and facilities will increase by at least 5%.
- The percent of residents surveyed who say they are satisfied with the maintenance of trails will increase by at least 10%.

646 🛞	% of residents surveyed who are satisfied with the maintenance of city parks	71%	71%	66%	75%	75%

FY21 Actual FY22 Actual FY23 Projection FY23 Target FY24 Target

#### Long-Term Issue - Access to Recreational Opportunities Providing quality recreational opportunities that are inclusive, diverse, and accessible will strengthen our community and make our city a more attractive place to live, work and play. Failing to provide park spaces, amenities and programs that are inclusive, diverse and accessible to all residents will result in reduced health coefficients, lower quality of life, reduced property values, decreased economic growth and higher crime rates where recreational opportunities are deficient. Strategies to address the Long-Term Issue Invest in new parks and facilities to provide park access to under-served and developing areas of the city. Identify areas where park services and amenities are deficient within marginalized communities to improve equitable access. Identify and evaluate barriers which limit access to recreational opportunities. • Expand and cultivate public-private partnerships to increase recreational opportunities where needed throughout the park system. Strategic Result(s) to measure annual progress on Long-Term Issue The Parks and Recreation Department will further improve access to recreational opportunities as evidenced by: By 2027, 50% of residents will live within a 10-minute walk of a park By 2023, present to City Council a recreational facility assessment study and develop and identify strategies to improve access By 2025, complete a study on barriers to recreational opportunities By 2027, develop a capital plan to invest in new athletic fields as identified in the 2019 Athletic Field Master Plan By 2025, implement recommendations from the Recreation Program and Facility Needs Assessment Study 3 648 % of citizens within a half mile of a recreation facility, trail or 71% 70% 69% 75% park Administrative - Executive Leadership 649 % of key measures and strategic results achieved 16% 32% 29% 78% 650 74% 74% 74% 75% % of citizens reporting they are satisfied with their Civic Center Music Hall experience 651 61% 65% 63% 68% % of citizens satisfied with Parks and Recreation Department 652 71% 71% 64% 75% % of citizens satisfied with the maintenance of new or upgraded parks and facilities 653 73% 73% 76% 80% (**\*\***) % of citizens visiting a park and/or participating in a park program 69% 75%

### Planning

FY21 Actual FY22 Actual FY23 Projection FY23 Target FY24 Target

#### Long-Term Issue - Community Development

Poverty, homelessness, lack of quality affordable housing, concerns about the quality of education, decreasing community involvement in neighborhood schools, and declining community vitality, if not adequately addressed, will result in:

- Increased crime and decreased perception of public safety;
- Decline in public health;
- Reduced ability to meet demand for public services;
- Decreased property values and neighborhood decline;
- Reduced ability to attract economic development;
- Reduced ability to improve education outcomes;
- Increased cost burden for low and moderate-income households; and
- Decreased satisfaction in community appearance.

#### Strategies to address the Long-Term Issue

- Stabilize neighborhoods through the Strong Neighborhoods Initiative and Historic Perservation efforts.
- Strengthen at-risk neighborhoods through the use of community development and social services programs.
- Strengthen relationships with partners, including the Public School Districts and the Oklahoma Department of Mental Health and Substance Abuse Services, to develop programs and strategies targeted to the specific needs of the community.
- Enhance community appearance through improving design and development regulations and facilitating public art projects.
- Seek additional partners and resources to increase permanent supportive housing and emergency shelters for homeless families and individuals.
- Concentrate community development resources in target revitalization areas for economic development, housing activities and public facilities for low and moderate-income populations.
- Increase the availability of safe, quality affordable housing by securing funding to build new units and rehabilitate existing units.

# Planning

Long-T	erm Issue - Community Development								
Stra	Strategic Result(s) to measure annual progress on Long-Term Issue								
Annually, the Planning Department will address homelessness and concerns about community vitality as evidenced by:									
ع =	<ul> <li>85% of people who are homeless who remain in permanent housing for more than six months.</li> </ul>								
	The percent of residents that say they are satisfied or very satisfied with the appearance of the city is above the national average, as reported by the annual Resident Survey.

#### FY21 Actual FY22 Actual FY23 Projection FY23 Target FY24 Target

#### Long-Term Issue - Urban Revitalization

If not addressed, older districts and neighborhoods will continue to experience increased vulnerability and decline, resulting in:

- Vacant or underutilized properties and lack of new investment;
- Higher costs to the City to provide services for residents and businesses;
- The inability to generate optimal tax revenue to pay for essential City services;
- Continued deterioration of aging commercial districts and neighborhoods;
- Inadequate number of quality, affordable residential products;
- Underutilization of existing properties and infrastructure;
- A lack of transportation options; and
- Lost opportunities for economic development.

#### Strategies to address the Long-Term Issue

- Guide the allocation of resources including grant funds and capital expenditures as stated in planokc.
- Focus Planning Department capacity and technical assistance on revitalization areas in need of revitalization.
- *Guide appropriate infill development and revitalization through appropriate zoning and design review tools.*
- Promote neighborhood stability and the rehabilitation and the adaptive reuse of historic properties as stated in preserveokc.
- Strengthen capacity of commercial districts to deliver more meaningful social, economic, and aesthetic results through the Commercial District Revitalization Program.

Planning

 Strategically concentrate neighborhood revitalization efforts in the Strong Neighborhoods Initiative areas to reverse decline and leverage private investment and support.

#### Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, the Planning Department will influence revitalization and redevelopment within the urbanized areas of the city as evidenced by:

• 100% of participating Commercial District Revitalization Program districts will maintain or increase total property value.

\$

- 65% of citizens surveyed will be satisfied with each attribute in response to the following question: Please rate your satisfaction with the following attributes of your neighborhood: - Safety - Appearance - Property Maintenance - Sense of Community - Amenities (parks, sidewalks, street trees) - Overall Quality
- 758 93% 93% 93% 85% 85% % of commercial properties in each Commercial District in the CDRP that have maintained or increased in market value from one year to the next according to the Oklahoma County Assessor  $\bigcirc$ 759 % of citizens satisfied with neighborhood attributes 54% 54% 51% 58% 60%

#### Long-Term Issue - Sustainable Growth

Failure to guide the city's growth in a way that promotes quality of life, efficient service provision, and human, environmental, and economic health will result in:

- Increased costs to provide public services;
- Lower level of City services;
- Diminished neighborhood stability and durability;
- Exacerbation of public health issues;
- Continued stress on capacity of public schools to improve educational outcomes;
- Reduced functionality of the multi-modal transportation system and capacity to support it;
- Reduction in quality, accessibility, and availability of natural resources (air, water, natural areas);
- Increased number of vacant, abandoned and dilapidated buildings and properties;
- Diminished options for access to community services and employment opportunities;
- Increased infrastructure construction and maintenance costs for taxpayers;
- Failure to meet federal air quality standards will impact federal funding, efficiency of transportation infrastructure projects, and the ability to support new or expanding industry;
- Diminished attractiveness for economic development;
- Increased economic and social disparity; and
- Diminished ability to meet community demand for quality of life services and amenities.

#### Strategies to address the Long-Term Issue

- Implement Comprehensive Plan (planokc);
- Implement the Sustainability Plan (adaptokc) with increased focus on air quality, energy, and climate resilience programs.
- Develop policies, strategies, and incentives to increase the variety of housing types and affordability.
- Modify codes, regulations and policies to ensure consistency with the comprehensive plan (planokc).
- Promote the implementation of a multi-modal transportation system and continue to implement bikewalkokc.

### Police

#### Long-Term Issue - Greater Need for Police Presence and Services

The growing demand for police presence and services coupled with the increasing scope and complexity of police services, if not adequately addressed, will result in:

- Delayed police response times
- Increasing crime rate and reduced percentage of crimes solved
- Decreased resident satisfaction with police services and feelings of community safety
- Decreased traffic enforcement resulting in increased number of collisions

#### Strategies to address the Long-Term Issue

• Continue the use of various resources to address high crime areas to improve the public perception and uphold trust.

\$

- Increase traffic enforcement citywide.
- Increase personnel in Investigations, Operations and community based programs.
- Build strategic relationships with local and national public and private partners.

#### Strategic Result(s) to measure annual progress on Long-Term Issue

By 2023, police presence and services will adequately increase while maintaining the level of core services citywide, as evidenced by:

- 55% or more of residents citywide report they feel safe.
- 73% or more of residents will be satisfied with quality of police services citywide.
- 80% or more of life threatening calls (Priority 1) will be responded to within 9 minutes 30 seconds from the time a 911 call is answered to officer arrival.
- Property crime clearance rate equal to or above the national average of comparable cities, 17.6%.
- Violent crime clearance rate equal to or above the national average of comparable cities, 45.5%.
- 55% or more of residents will feel safe in the Downtown area.

long_Te	orm Issue - Growth					

#### Long-Term Issue - Growth

A lack of dedicated funding sources for public transit and awareness of transportation and parking services needed to meet the demands of a growing city, if not addressed will result in:

- Missed opportunities to attract new customers
- Declining community confidence and trust
- Difficulty in attracting private sector talent and employees to Oklahoma City from other states
- Decreased economic development, expansion, and partnerships

### Strategies to address the Long-Term Issue

- Implement private sector employee transit pass program
- Affect change in the municipal code to support Transit Oriented Development and land use strategies
- Update and implement long-range and short-range transit and parking plans
- Promote technology-based customer centric programs, improve ADA eligibility process and establish a travel training program
- Continued coordination with state, local and federal partners regarding transit funding
- Launch pilot program to manage private parking assets

### Strategic Result(s) to measure annual progress on Long-Term Issue

By 2024, Public Transportation and Parking services will promote sustainable growth as evidenced by:

- 5% Increase in operations expense recovered through fare revenue
- 10% decline in bus transfers
- Construction and launch of NW Bus Rapid Transit route
- Construction and opening of new hotel/convention center parking garage
- 25% increase of available public parking through management of private parking assets

## Long-Term Issue - Condition of Streets

Increasing difficulty to address resident expectations of the quality of city streets, if not addressed with additional maintenance and reconstruction, will result in further dissatisfaction and lack of resident confidence.

#### Strategies to address the Long-Term Issue

- Continue to provide efficient management that combines routine maintenance, street resurfacing, and new construction to improve overall condition of city streets.
- Identify and secure a dedicated funding source for the maintenance of street infrastructure.
- Continue to educate the community through outreach programs to provide clarity, awareness and expectation of projects and services

#### Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, the Public Works Department will improve the timeliness of infrastructure repairs, as follows:

- Complete 80% of pothole repairs within 5 calendar days.
- Complete 80% of permanent utility cut repairs within 28 calendar days of receipt from line maintenance.

1030       % of utility cut repairs completed within 28 calander days of work       N/A       0%       5%       80%       80%         1030       % of utility cut repairs completed within 28 calander days of N/A       0%       5%       80%       80%         1030       % of utility cut repairs completed within 28 calander days of N/A       0%       5%       80%       80%         Strategic Result(s) to measure annual progress on Long-Term Issue         Annually, the Public Works Department will:       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .       .	• CC	omplete 80% of permanent utility cut repairs within 28 calendar days o	f receipt from line	maintenance.
