ADOPTION AGREEMENT Terms and Conditions

The City of Oklahoma City (hereinafter called "The City"), and the volunteer organization named

(hereinafter called "The Group") recognize the need and the desirability of litter-free city streets and roads (hereinafter collectively called "City Streets") and are entering this Agreement to permit The Group to contribute toward the effort of maintaining litter-free City Streets.

The Group agrees to the following terms and conditions:

1. The Group agrees to obey, abide by and to assure that each participant obeys all laws and regulations relating to pedestrian and traffic safety; all recommendations, terms and conditions set forth in the Oklahoma City Adopt A City Street Safety Training; and such terms and conditions as may be required by the City Engineer, Program Coordinator, or other designee (hereinafter collectively called "Program Coordinator") for such special conditions on particular adopted City Streets.
2. The Group must notify and remind each participant of the hazardous nature of a litter clean-up.
3. The Group has designated a contact person (hereinafter called "Liaison") on its Application for the Adopt A City Street Program who will:
 - (a) assure that all participants are responsible individuals and that participating minors under the age of eighteen (18) years are provided with adequate adult supervision;
 - (b) be trained and provide safety training of other members of The Group who wish to participate;
 - (c) distribute and collect signed RELEASE AND WAIVER OF LIABILITY forms from all participants;
 - (d) assure that all participants have signed in for each clean-up event;
 - (e) assure that all participants are properly dressed, including but not limited to closed toe shoes, long pants, shirts (preferably light, bright and long sleeved), safety vest and work gloves;
 - (f) notify The City before each clean-up event, when the clean-up event is complete, and notify The City of any big, heavy or hazardous trash not placed in a trash bag by The Group; and
 - (g) assure that all borrowed safety vests and unused supplies are returned to The City following the completion of each clean-up event unless otherwise provided pursuant to this Agreement within two days.
4. The Group must keep the Program Coordinator informed throughout the term of this agreement of the current address and telephone numbers for its Liaison. The Liaison shall notify the Program Coordinator in writing prior to changing its Liaison and/or prior to the Liaison changing his or her address and/or telephone number (s).
5. When participants are under the age of eighteen (18) years (hereinafter called "Young Participants"), The Group must furnish adult supervision using at least one (1) adult participant for every four (4) young participants. Adult supervisors of young participants must be consistently present at the clean-up site and in the presence of the young participants during all activities relating to the clean-up event.
6. Children under eleven (11) years of age may not be present along the adopted street, in the street or along the street right of way.

7. To maximize supervision, safety of participants and to minimize confusion and distraction to drivers, Groups need to clean up one side of the street at a time.
8. The Group must park all vehicles well clear of the adopted Street's roadway and at least ten (10) feet from any shoulder or curb in an agricultural area. Groups are encouraged to work with nearby businesses, schools, churches or others to utilize parking off of the City Streets.
9. The Group must adopt at least one (1) mile of adjacent, connected or adjoining City Streets unless agreed upon with the Program Coordinator and it must be both sides of the street.
10. The Group will adopt a City Street for a minimum of two (2) years.
11. The Group will pick up litter a minimum of four (4) times a year. No two pick ups will be more than four months apart. If a pick up date is set and poor weather conditions cause the event to NOT take place, it is the re-sponsibility of The Group to reschedule as soon as possible.
12. The Group may obtain, to the extent same are available, safety vests and supplies from The City through the Program Coordinator.
13. Each participant must read and comply with the City of Oklahoma City's Safety Tips.
14. The Group shall return the safety vests furnished by The City within two (2) working days following the clean-up event unless authorized by the Program Coordinator.

The City of Oklahoma City agrees to the following terms:

1. The City shall create and install the Adopt A City Street recognition signs. These signs (one for each direction of traffic) shall have The Group's name on each sign.
2. The City shall permit The Group to utilize City safety vests to be worn by the participants during the clean-up event. The Group must return the City's safety vests within two (2) working days after completion of the clean-up event.
3. The City shall provide The Group with trash bags to be utilized for the clean-up event only. The City agrees to pick up filled trash bags as soon as practicable after being notified of their location after the completion of the clean-up event by the Liaison.
4. The City agrees to provide safety training to The Group or just the Liaison, who will in turn train The Group as required in this Agreement.

This Agreement shall be effective as provided herein for two (2) years from the date of the first clean-up event. The Program Coordinator or The Group upon written notice may terminate this Agreement. The Program Coordinator reserves the right to modify or cancel this program and this contract at any time upon notice sent to the contact person at the address last provided in accordance with this Agreement.
