

# Awareness Notification Form

This form helps first responders better assist you in an emergency. It shares important information about your home or business that could affect their response or safety when called to this address. This form is kept on file for one (1) year from the date submitted.

**Please complete all fields. OKCPD may follow-up if needed.**

**Examples of helpful information:**

- Disabilities, medical conditions, or special needs of people at this address.
- Directions or tips for finding or accessing the property.
- Hazardous materials kept on site that first responders should be aware of.

**Return completed form by mail, email, or in person to:**

Oklahoma City Police Department  
Information Technology Division
