VoicePermits

Scheduling Your Inspection by Phone
A Guide for Contractors

Oklahoma City Development Center
420 W Main St - Oklahoma City, OK 73102
Revised 01/2020

About VoicePermits

To streamline operations and improve customer service, Oklahoma City has implemented VoicePermits, an Interactive Voice Response (IVR) for contractors. Use the phone 24/7 to schedule inspections, get inspection results and leave notes for inspectors.

How it Works

Have your permit and inspection numbers ready. Call VoicePermits and follow the prompts. At any time, press * for more information or # to return to the previous menu.

Handle multiple permits or inspections per call. VoicePermits will issue confirmation numbers to keep for your records.

VoicePermits: 405.316.5656

Plumbing

Commercial
